The city library has received 35 children's books, the gift of Mr. and Mrs. E. B. Poole, who have made this excellent use of the juvenile library of their children now grown.

Mrs. Frank Kane has had as her guest the past week, Dr. William Cotris, of Mexico City, her uncle, who has spent the past 20 years in Mexico. He avers that the sentiment of the Mexicans generally is favorable to the United States.

Dr. W. E. Pettinger of Joseph, Ore., visited friends in Hillsboro last week, having motored down for the Shrine convention. He followed the Columbia all the way down and says that is much the better route just now.

Offers of 75 cents for hops are being made and refused, says David LeBeau, who has 16 acres in fine hops down near Scholls. He has not contracted his crop, even at this attractive figure.

Lloyd Carrick, field manager of the state C. E. union, gave the principal address at the meeting of the Endeavorers rally at the Christian church, Wednesday evening.

**The New U. S. Grainless Rubber Solid Truck Tire Is Here**

**M**OTOR truck owners and operators who are interested in the efficient and economical operation of their trucks will be glad to know that we are now ready to supply them with the new U. S. Grainless Rubber Solid Truck Tire.

a chemical union between the steel and the rubber. A positive permanent advance in solid tire manufacture.

As representatives of U. S. Tires in this city, we are in constant touch with the latest developments in tire progress.

Bring your truck tire problems to us.

When a motor truck comes to our Service Station, it goes away with the kind of tire that was built for it—that will give its owner the best and most economical tire service possible—or we want to know the reason why.

This tire overcomes the two great causes of solid tire waste—*splitting and base separation.*

Splitting—by removing the grain which allowed splits to develop in the old type of solid.

Base separation—by affecting
