

Capital and Industry -- Keep Out!

Would you, as a patriotic citizen of Oregon, place such a sign on the borders of the state?

That is exactly what you will help to do if you do nothing to prevent the passage of measure No. 314 and 315 on the November ballot entitled, "Constitutional Amendment Fixing Legal Rate of Interest in Oregon."

This measure proposes to limit the rate of interest in Oregon to 5 per cent. You can, by law, fix the rate of interest in Oregon, but you cannot, by law, force the loaning of money in this state, when a much higher rate can be secured elsewhere. The passage of this measure would force the withdrawal of the millions of foreign capital which is today loaned on factories, business and real estate in the state and send your local money owners outside of the state to better investments.

Passage of this measure would mean foreclosure of thousands of mortgages; would result in financial paralysis, and would mean widespread unemployment.

You, no doubt, understand the viciousness of this measure, but have you talked to your neighbors and friends about it? We urge you to do everything you can to defeat this measure. Oregon's reputation as a sound state for investments requires that this measure be overwhelmingly defeated.

VOTE 315 X NO

And urge your friends to do likewise.

CAMPFORS AND WITCHELZEL HELP WEAK EYES

Beaverton people are astonished at the quick results produced by simple witchelzel, campfor, hyrasia, etc., as mixed in Lavoptik eye wash. In one case of weak and near-sighted eyes a few days' use brought great improvement. In another case it stopped eye pains and inflammation. We guarantee a small bottle of Lavoptik to help ANY CASE, weak, strained or inflamed eyes. Aluminum eye cup FREE. Dean's Drug Store.
