McCords at Chautauqua Festival
Prominent Entertainers Give Program
on Opening Night

It is hard to imagine any two people putting over a more thoroughly en-
joyable program than do the McCords, who appear here on the opening night
of the Chautauqua Festival. They have talent plus and personality plus. Their
program consists of music, monologues, sketches and impersonations, featur-
ing particularly the splendid character work of Mr. McCord. His long
statement about their entertainment tells the story. "We aim to let a little
sunshine in where shadows were before, to refresh minds and touch hearts,
and to make the world a brighter, happier place. If we possibly can."

Launcelet Kennedy, the joyous
driver of Rural Route 3, is driving a
horse and buggy this week and will
probably continue to do so. He says
that anyone who will go to the bot-
tom of one of the mudholes out on
Cooper Mountain can find a Ford
which he can identify. While this
may be a slight exaggeration, the
fact remains that Kennedy has given
up making his daily rounds with gas-
oline and has resorted to the slower,
but surer horse-drawn vehicle.

AT THE STOCK SHOW
Out to North Portland we have been
a-going
Just seven miles out from Portland,
you know,
A fifty cent piece in we were a-blow-
ing
In order to beg to see the stock show.

Five acres they say the main part
will cover.
But still there were some without
any stall;
So they put up tents, more stock for
to have,
That making about ten acres in all.

For cattle a lot of space they were
taking,
But a great deal less for horses and
sheep.
More pens for their hogs they also
were making,
And likewise more pens their goats
for to keep.

Dark blue on stock for first prize they
were pinning,
Red for the second, the third one was
white,
And pink showed what stock the
fourth prize was winning,
And yellow for fifth was plainly in
sight.

Green was the color for sixth they
were letting,
The seventh received a ribbon of
brown.
The eighth was light blue, the ninth
salmon getting,
Lavender for tenth they handed
around.

And when for our sale we were all
a-looking,
Twas easy to find the Blue Ribbon
Linn.
But for a real meal and to get home
rooking,
Some went to a tent called the Web-
foot Inn.

From states in the west it was well
attended,
B. C. and the East they could not
say no,
And those who went not before it

W. K. McCormick, of Vermont, Ill.,
came here on Monday of this week

beautiful valley if he can find a
suitable place. He is a farmer of the
successful kind and has a family that
he wishes to educate in our splendid

they are, of course, quite well-known

MODERN CRANKCASE CLEANING SERVICE

New Crank Case Service for Motorists

YOU probably know that af-
ter a few weeks of driving
your lubricating oil becomes dirty
with carbon, road dust and fine
particles of metal, which circulate
through your engine and cause
unnecessary wear on bearing
surfaces. And gasoline escapes
past the pistons and dilutes the
oil. Granted. There's nothing new
about that—but—

Here's an absolutely new way
to get rid of this dirty, diluted oil
and put your engine in line for
better performance and longer
life. It is called Modern Crank-
case Cleaning Service.

Modern,—because we use Calol
Flushing Oil, the new, scientific,
thorough flushing agent that does
not contaminate the fresh oil.

Our skilled mechanics know
how to clean out a crankcase with
it correctly and quickly, at a nom-
inal cost to you.

This service assures proper lu-
brication for your cleaned engine.
We refill the crankcase with fresh
Zerolene of the correct grade.

We recommend Modern
Crankcase Cleaning Service as
the latest word for better engine
operation and longer life for your
car.

TODAY: Bring in your car
for Modern Crankcase Cleaning
Service.
