American hemp is now used extensively with flax in shoe thread, the United States of Agriculture finds. Without the Russian supply, flax is not available in sufficient quantities to supply the demand.

Muskrat hides, once worth about 36 cents, sold for \$7.50 at the St. Louis fur auction last spring, the United States Department of Agriculture reports in a recent circular. Fur buyers say the supply of muskrat skins in the market is decreasing at the rate of 50 per cent a year.

Forest lookouts lead lonesome lives, but not devoid of excitement. At Mount Eddy in the Shasta region of California, recently, the United States Department of Agriculture Forest Service is advised, lightning struck the lookout station, tore a 4-foot hole in the wall and stunned the lookout, J. S. McClemmens. He recovered just in time to save the house and his own life. Thirty-five lightning fires were caused in that vicinity the same day.

Grain dust and similar mill siftings appear harmless, but filtered through the air and ignited in a closed structure, they are as deadly as dynamite. Such explosions cost 80 lives and \$7,000,000 property damage in 1919. The United States Department of Agriculture dust-explosion investigation service has practically eliminated the evil.

W. A. Shaw, Plaintiff,

Kansas State Agricultural Experiment Station at Manhattan, supplementing similar lists which have been published in the past on wheat, corn, and other principal cereal crops. The list is made from field inspection and enables farmers to tell the exact grade of sorghum or percentage of mixture with other varieties which is to be obtained from any grower. This service has been of great advantage to the farmers of the States.

CAMPBOR AND WITCHHAZEL HELP WEAK EYES
Beaverton people are astonished at the quick results produced by simple witchhazel, campbor, hydrastis, etc., as mixed in Lavoptik eye wash. In one case of weak and near sighted eyes a few days' use brought great improvement. In another case it stopped eye pains and inflammation. We guarantee a small bottle of Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye cap FREE. Dean's Drug Store. 2847

"IF YOU CARE A RAP, WRAP WITH CARE"
The government officials again remind us that Christmas and the Holidays are coming, and with the advent of the yuletide days the preparation and mailing of Christmas packages becomes a live issue. The safe delivery of every package depends largely on the legibility of the address and the care with which you wrap your packages; hence the above slogan becomes appropriate just now. So "if you care a rap, wrap with care," your Christmas packages and get them into the mail early. Enliven them with Red Cross Christmas seals.

Hillsboro expects to employ Judge Martin L. Pipes to succeed the late S. H. Huston as attorney in its hydrant cases.
