Universal Tire Filler Co., Portland, Oregon.

Gentlemen: Four years and eight months ago I began using Universal Tire Filler and have been using continuously ever since. The filler has been transferred from one casing to another and from one car to another during that period and I am unable to see that this long period of use has deteriorated it in any way.

During this period I have had something like one hundred thousand garage men explain to me that the use of tire filler will ruin my automobile absolutely. They have told me with tears in their eyes how the engine would fall to pieces, the top shrivel up, the wheels go on the blink, the brake things cease to function, etc., etc., all because of Universal Tire Filler, but you will notice that I am still using it and like it and know a lot of other satisfied users.

You will be interested in knowing that I used this filler in my tires for a number of weeks before I told any member of my family about it. They would not have discovered the difference to this day if I had not told them.

Yours very truly,
(Signed) O. W. DAVIDSON

SEVENTH AND HAWTHORNE, PORTLAND, ORE.

LOCAL NEWS

Lots of Town Happenings Told in Brief Form.

Mrs. H. A. Conannon and son are visiting in California.

J. E. Davis left last Monday for Seattle on a business trip and will return Sunday.

Mr. and Mrs. Otto Erickson, Mr. and Mrs. E. W. Woodruff, Mr. and Mrs. Doy Gray, and Mrs. H. L. Hudson attended the Shriners' dance in Portland Monday night.

Miss Alice Clement left last Saturday for Chicago, where she will study music this winter. Miss Clement has been teaching music at Albany College.

P. W. Cady is improving his residence on Angel Street by adding concrete walks.

Mr. and Mrs. Orton McLeod and family have returned from their vacation at Rockaway.

Mr. and Mrs. C. E. Allen and family returned Tuesday from a ten days' vacation at Sutherlin. They were accompanied home by Miss Dena Franke of Albany. Mrs. Allen and Miss Franke are sisters.

Ursel Narver returned Monday from Eastern Oregon, where he has spent the summer at the end of a pitchfork. He reports in fine physical condition and will leave today for Corvallis, where he will enter Oregon Agricultural College.

Miss Edna Hocken will leave Sunday for Corvallis, where she will enter Oregon Agricultural College.

Miss Della Allen plans to leave this week for Monmouth to enter the Oregon Normal School.

Ernest Grandgeorge had the misfortune to get his foot over a bit of ground on which his horse intended to step Sunday and as a result has been laid up for four days but was able to get down town Thursday. He says he never knew before how heavy his horses really are.

P. H. Vandebell and Charles Essick are digging a well for the Union Oil Co. east of town. The well will be five feet in diameter and Pete says: "He will strike water in the new location before the company strikes oil."

Mrs. L. D. Shellenberger received word Friday of the death of her father, Mr. Weatherman, at Pocatello, Idaho.

Mr. and Mrs. F. G. Donaldson entertained last Thursday evening at a 6:30 dinner in honor of Mr. and Mrs. W. C. McKell's 18th wedding anniversary. Five hundred and social conversation passed the evening pleasantly. Among those present were: Mr. and Mrs. W. H. Boyd, Mr. and Mrs. J. E. Davis, Mr. and Mrs. Doy Gray, Mr. and Mrs. W. C. McKell, Mr. and Mrs. F. G. Donaldson and Mrs. Rose Donaldson. A pleasant feature of the evening was the presentation by the hostess of individual birthday cakes to W. C. McKell, Doy Gray and Mrs. W. H. Boyd, whose birthdays occurred within the week.

O. E. S. met in regular session Wednesday evening. It being the first meeting of the season. After the regular lodge work a delightful social hour at cards and dancing was entered. A. H. Spranger will leave the first of the week for a visit with relatives at Chicago, Ill.

Mrs. Doy Gray entertained Friday at a 12:30 luncheon. Her guests were former residents of Long Mont, Colo., now residing in Portland and included the following: Mesdames M. E. Tyler, John Simington, Fred Simington, Edgar W. Smith, Lee L. Stewart and Sanford Weist. The afternoon was spent in social conversation and fancy work.

Mrs. Genevieve Todd and baby, of Portland, are visiting Mrs. Todd's mother, Mrs. Rannels.

Mrs. F. C. Peck visited in Hillsboro Thursday with her daughter, Mrs. R. L. Tasker.

The world is round and the people roam around it. The summer rolls out, and winter comes with a nip. You get up in the morning with frost on the ground.

No fuel in the shed, no kindlings can be found. You break all the boxes from the old trash discard. Tell wife to order fuel from the Beaverton Wood Yard. Opposite S. P. Depot. 3413

PROHNAUER ADDS TO GARAGE

John Prohnauer is building an addition to his garage, the only strictly storage garage in town.

MASONIC AND EASTERN STAR HOME NEARS COMPLETION

Mr. and Mrs. J. S. Roark Selected for Superintendent and Matron.—Home to Open About First of New Year.

(From Forest Grove News-Times)

Since the laying of the corner stone for the Masonic and Eastern Star Home on June 16, 1920, the building of the Home has progressed in a very satisfactory manner. The building is now rapidly nearing its completion and it is to be ready, so the Committee informs us, so as to open it for occupancy about January 1st, 1922. The fraternity is to be congratulated on the success of the enterprise, and the quick work of building so large an institution. Other jurisdictions have been much longer in getting the first unit of their homes ready for use.

Rules for admission to the Home have been adopted and are now in the hands of the printer to be issued in pamphlet form and distributed to the several Lodges and Chapters of the State. Those desiring admission to the Home will be required to apply to their home Lodge or Chapter for recommendation to the Home. Blanks will be furnished to each Lodge and Chapter for use in applying for admission to the Home, and each Lodge or Chapter will be treated exactly alike as to all rights of admission of members. The Committee desires that the fullest information be furnished to all Lodges and Chapters having prospective applicants for admission, to the end that those who are in need of a home, shall be ready to take up their residence in the Home provided for them at once upon its dedication.

It is with a great deal of satisfaction to the members of Holbrook Lodge in this city, and to the citizens generally, that the committee has elected Mr. J. S. Roark as Superintendent and his accomplished wife as Matron of the Home. Mr. Roark has been secretary of the Home Committee ever since it was created by the Grand Lodge, and has ever been a faithful member of that committee, and one of the original boosters for the Home. His training in the office of water commissioner of the City of Portland has fitted him admirably for

the business end of running an institution of so much importance, and his enthusiasm for Masonry and the care of the distressed makes him ideal as the generalissimo of the Home. Mrs. Roark is one of the leaders in the Masonic social life of the City, and has a wide acquaintance over the state by reason of having been in attendance at the last three sessions of the State Legislature. We bespeak for them every success possible in handling an institution of this kind, and will welcome them to our city and to all the social affairs of our small community.

The building is rapidly nearing its completion. Plastering is now under way and will soon be done. Heat, light and water systems will soon be completed. Inside finish is provided for and all the equipment provided for kitchen, laundry, dining room and boiler room. Even wood has been procured, and it commences to look as if nothing more was to be done. Yet there is much to be accomplished before the building is ready for use. The committee has determined on approximately \$400 limit for the cost of furnishings for each room, to be of similar design and finish so that no one room will be more elegant than the rest. Many of the Chapters over the state have offered to furnish the means for a room, and they will be given the opportunity very soon to do so. There are about 45 guest rooms to furnish, but it will not be necessary to have them all fitted up before the opening of the building as it is not expected that they will all be filled at once.

Forest Grove ought to be and is proud of the institution and it is a building so well constructed, so neat and attractive and of so much consequence that we are justly proud of having acquired the location here. Everyone connected with the enterprise is to be congratulated on the progress thus far made, and we bespeak for the Home the support of all our citizens.

Charter No. 32 Reserve District No. 12

REPORT OF CONDITION OF THE

Bank of Beaverton

At Beaverton, in the State of Oregon at the close of business, Sept. 6, 1921.

No mystery surrounds the shooting in Nashville, Tenn., last week of Carl Peters, world war veteran. He refused to take a drink. Carrying out his American Legion injunction of "law and order," Peters when accosted on the street late at night by a hostile bootlegger, politely declined a proffered draught of white whiskey. The bootlegger insisted and when Peters still refused, the former drew a pistol and fired. The ex-soldier went to a hospital with a bullet in his leg and the moonshine merchant went to jail.

OREGON PRUNES ARE WITHDRAWN FROM THE MARKET

Nearly 2,500,000 pounds, or 45 carloads, of the 1921 crop of prunes have been sold by the Oregon Growers' Co-operative Association at opening prices. Owing to the heavy sales and the short crop the association has withdrawn prunes from the market temporarily. During the last three days before they were withdrawn 18 cars of prunes were sold, nine of them going in one day. They were sold at prices within a half cent a pound of opening prices named on California prunes. Oregon prunes have, for many years, sold at several cents a pound lower than the California product before the Oregon Growers' Association entered the field with a high grade, standardized pack.

Wide distribution has been secured through marketing connections in 40 markets that take prunes in car lots. Advertising the Mission brand, under Oregon prunes, has also increased the consumption of the product and made an outlet for many carloads of prunes that would have still been in warehouses if publicity had not been given. It is expected that the association will have difficulty in supplying the demand for mission brand prunes in these markets during the coming season on account of the short crop this year. The association handled more than 12,000,000 pounds of prunes during the past season and the entire stock it held in Oregon has been sold and shipped. Nearly 750,000 remain unsold on Eastern markets, but these are expected to sell rapidly on account of the strong demand for them at the present time.
