## TEN MILLS LEVIED FOR COOPER MT. ROAD

Master Crowd Gathers at Budget Meeting.—Enthusiasm for Better Highways in the Mountaineer District.

The Cooper Mt. school house was crowded Wednesday afternoon at the Annual Budget Meeting for Road District 44. Mr. Jenkins, of Hazel-dale, was elected chairman and John Barron was chosen clerk. The Roads Funds for 1922 will be spent as follows: Two mills on Jenkin's hill, 1 1/2 mills on Clark's hill, 1 1/2 mills on Mc-Brown's road, all at Hazel-dale, and 4 1/2 mills on Cooper Mt. road repairs from Huber Avenue Southward, 1 1/2 mills from Livermore's gate West and South up the mountain and two mills on the Doty road.

Mr. Taylor was recommended to the county court for appointment as Road Supervisor for Dist. 47.

A committee of five was selected to confer with the county court Wednesday afternoon in regard to fixing up the main county road from Hazel-dale rock quarry Eastward to Huber, where county rock trucks damaged same by continuous heavy hauling the past summer. They will try and have said "item of expense" placed on the annual budget to be voted upon by the voters of the county at Hillboro, Dec. 31. Members of said committee are, Messrs. Jenkins, Clark, Barron, Taylor, Grabhorn and Jacob Kemmer.

Mr. Jenkins made a strong plea for every man and woman voter of Dist. 47 to be present at the Annual County Budget meeting in Hillboro, Dec. 31, to fight for "our share of Road Funds" for Cooper Mt. roads.

A motion was made and carried to hold the next Annual Budget meeting at the Hazel-dale school house. About \$2600 for rock roads 1922.

## WILBUR WEED NOTICED AT O. A. C.—OREGON GAME

(By Eva Schultz) Wilbur W. Weed, son of Mr. and Mrs. H. E. Weed, residents of this locality, is on the list of "real alumni of O. A. C."

Mr. Weed was graduated in the class of '21 from a course in agriculture—landscape gardening, which is his line of work, has been put into practice on the Weed landscape nursery.

When the fighting "Aggies" went through the big struggle of the year with U. of O. one of the patriotic rosters on hand was Mr. Weed.

Wilbur Weed has kept in close touch with the Tau Delta members, who are his fraternity brothers. He is also a member of the Alpha Aeta, the national honorary agriculture fraternity and of the national fraternity in military, Scabbard and Blade, of which he was captain. Weed was a member of the "Beaver" staff which is in charge of the college annual, and also editor of the "Oregon Countryman," the college agricultural monthly.

Mr. Weed is planning to return to his alma mater next summer for a short course.

## DO YOU REMEMBER?

When F. C. Kelly had the "old corner store" down where George Hughson now lives? Ask A. Rosal.

When Dave Purser was chief of police in Beaverton?

When E. Squires and Sons, William and Isaac, had the Carriage Factory where Morse Hall now stands?

When John Henry raised musk melons and the boys called—after supper?

When Beaverton was incorporated (Feb. 10, 1893) and A. B. Cady was elected first mayor?

When Jasper Kline got married and the boys charivariated the newlyweds until daylight next morning?

When a big bear passed through Hocken's front yard—where Robert now lives?

## WHERE IS THE LIGHT?

When Second St. was paved, of course it was well lighted until Erickson Ave. was reached. At the corner of Second St. and Erickson Ave. is a pole, it is wired, now some one is asking—Where is the Light?

## LARGEST VOTE IN HISTORY OF TOWN

City Election Brings Out 171 Voters—Former Officials Re-elected—Much Interest Aroused.

A bit of local rivalry manifested itself at the town election held Tuesday and brought out the largest vote ever cast at a town election here, 171 people registering their choice of city officials. The present town officials were re-elected, the vote resulting as follows:

For Mayor, Otto Erickson 152, F. H. Hocken 8.  
For Councilmen for two years, A. Rossi 116; Guy S. Alexander 90; Martin Gleason 50; V. A. Wood 6; several scattering.

For Recorder, George Thyng 89; John Kamberger 69. Kamberger also received two votes for councilman.

## THE CAPITOL

Chief Patriarch Nolin, of the I. O. O. F. State Encampment, paid an official visit to the Hillboro camp at their last meeting and a splendid supper was served at the close of the meeting. The camp has had a wonderful growth the past year.

H. L. Gardner and Martin Driscoll, of Portland, have bought the H. G. Mercantile stock, on South First Street, and have increased the stock by adding fancy and staple groceries.

Mr. and Mrs. F. P. Dickerson, of Hershey, Nebraska, are guests of the latter's sister, Mrs. Frank Wallace. They will make an extended visit and from here go to California for a while, before returning to their home.

Mr. and Mrs. T. P. Goodin and Mr. and Mrs. Perry Gardner left last week by auto, for California, where they will spend the winter. They were planning when they left here of camping out along the way, and also during their stay in the south.

George Matson and H. B. VanWinkle, former Forest Grove residents, were recently arrested at Roseburg, charged with selling moonshine that is said to have caused the death of Oren Schultz.

Mr. and Mrs. Wm. M. Duncan and daughters, Emma Jane and Dorothy, who spent Thanksgiving with Mrs. Duncan's parents, Mr. and Mrs. W. H. Smith, and who also attended the Gregg-Smith wedding, left last week for their home in Tacoma.

Miss Helen Killon left last week for Washington, D. C., where she will visit her brother, Lieut. W. D. Killon, who is stationed at Fort Washington, a short distance from Washington.

Mr. and Mrs. A. C. Shute and daughter, Gladys, left last Wednesday night for a visit with the former's brothers in LaGrande, Oregon. When the message came that there had been a wreck on the O. W. R. & N., it was feared they were in the wreck, but they had fortunately left on an earlier train.

W. P. Cady started over to Tillamook one day last week with a Dodge field man, thinking, after reading the highway bulletin, that the highway was open. He found on reaching the slide at Beaver, a line of trucks and cars that had been there for days and the road would not be cleared for at least another day, so he parked his car, along with the others and walked through the slide and took a stage from there to Tillamook. His faith in Highway bulletins has been shattered.

Charles Betts, an aged citizen of this city, passed away at his home here one day last week, after only a few days' illness. Mr. Betts was born in Upton, England, in 1845, and came to the United States in 1873, settling in Minnesota, later moving to Nebraska, and came to Oregon in 1915. After living a year in Hillboro, he bought property in Tillamook, where he has resided ever since. He leaves a widow, three sons and three daughters.

E. J. Sherman, the saw mill man, walked up town one day last week for the first time in many weeks. It is thought that if he continues to improve he will soon be able to undergo an operation that is vital to his health.

The empty money bags from the safe of the Metropolitan Co., of Portland, which was robbed recently, were found near the Oregon Electric bridge near this city. The bags were wrapped around bricks, and it is thought the robbers meant to drop them in the river. Sheriff Alexander has been searching the vicinity for the thieves. The money in the sacks amounted to \$800 and represented receipts turned in by different departments.

## OWNER OF TUALATIN VALLEY WATER COMING

James Kennedy, of Fargo, N. D., Intends to Visit Beaverton—Repairs to Line Made.

Many people have wondered why the Beaverton water supply was low the past week, especially while so much water has fallen from the clouds. The answer is simple. There was too much water up on the creek where the supply starts for Beaverton and about 100 feet of pipe was washed out and the mains and screens were choked with driftwood and other refuse from the mountains. Repair work was begun as soon as the trouble was located and yesterday repairs were completed and Elmer Stipe, local agent for the Tualatin Valley Water Company, announces that pressure is back to normal again and he anticipates no further trouble this winter unless additional heavy storms should repeat the damage to the mains in the hills.

Mr. Stipe has received word from James Kennedy, owner of the Tualatin Valley Water Company bonds, president of the company and its principal stockholder, who resides at Fargo, North Dakota, that he will be in Beaverton sometime this month. When he visits here, the matter of the pressure on the local system will be taken up with the council, Commercial Club and interested citizens and a satisfactory arrangement will be sought which will cure the ills of the present water system before another summer is upon us.

The question has been often asked as to whether Hillboro has a stand-pipe to insure pressure. Hillboro has the same source of supply as Beaverton. Mr. Stipe says that Hillboro does not have a stand-pipe as one has not been found necessary until the past season, but that Mr. R. R. Easter, local manager for the North Coast Power Company, states that such action will probably be taken next summer.

## WOULD COACH VOLUNTEER FIRE DEPARTMENT HERE

Monday night at the regular meeting of the council, Mr. Christensen, a member of the Portland fire department who has property interests here, appeared before the council and offered his services during his time off from duties there toward coaching a volunteer fire department here if one can be organized. The council appreciates the offer and an effort will be made to organize a more active fire protection squad here.

## WELL KNOWN SORRENTO WOMAN ANSWERS CALL

Sunday morning the community was shocked by the announcement that Mrs. Rosa M. Donaldson had died during Saturday evening. Just what hour she passed away is not known. Mrs. Donaldson made her home with her son, F. G. Donaldson, in Sorrento, and on Saturday evening Mr. and Mrs. Donaldson attended a social gathering at the home of Mr. and Mrs. F. H. Schoen. The elder Mrs. Donaldson seemed in quite excellent health and putting on her coat accompanied them to the car and then went to get some pet kittens. When they returned, they found the lantern still burning and Mrs. Donaldson lying across a bed in their room. She had succumbed to heart failure, evidently a short time after they left the house. Funeral services were held from St. Cecilia's church at 9:30 o'clock Tuesday morning, the Reverend Father J. M. O'Neill, officiating, and the burial was at Mt. Calvary cemetery, Portland.

Mrs. Rosa M. Donaldson was born in New York City, Aug. 15th, 1852. Mrs. Donaldson was a widow and leaves but the one son, there being no other children living at time of her demise. A. L. Pierre, a brother, resides at Manistee, Mich., and there are a number of more distant relatives at Manistee, Mich., Tacoma, Wash., and Portland, Oregon. Mrs. Donaldson came to Beaverton to reside with her son F. G. Donaldson in 1918, and has for several years been a member of the Beaverton Grange.

## JUNIOR WEEK END TO BE HELD MAY 12-14

(By Eva Schultz)

The big annual event of the year at O. A. C. Junior week end, will be May 12-14, according to information direct from President Kerr's office.

The junior class which will be in charge of the whole affair, will at last prove the importance of the class of '23. But the event will mean much to all other classes as well. Freshmen will cease to be wearers of the green on the 13th, when their insignia shall be burned. Sophomores are already preparing for the exertion required to pull the "yearlings" through the cold waters of the mill race in the annual sophomore-freshman tug of war. Seniors will be the honored, dignified people of the occasion. And old "grads" will return to their Alma Mater. Guests, including all the civic clubs of Oregon, and all the "Aggie" friends will need the special trains which will "hit the trail" for O. A. C.

The spectacular sight of the week end will be the canoe fete which, for the first time has been planned to take place at night. Baseball will not be forgotten—the "fighting Aggies" will cross bats in the first of a two game baseball series with some conference team.

A track meet, an aquatic meet, and the junior prom will occupy Saturday afternoon. Sunday will be devoted to open house.

The Corvallis Commercial club as well as the student body will entertain the visitors.

How I went to skule at night  
Fer I hev improved in spellin  
You can see the way I rite.

Middle life some folks are findin  
Many things they yet ken learn  
So all spare time they are mindin  
Which in youth they all did spurn.

Books you say you can't be byin  
Say our libraries are free  
So your reading dont be denyin  
No excuse fer youn and me.

So lets make new resolutions  
Fer improvement of our mind  
If we cant tend institutions  
Free books we can always find.

Spare time we away are throwin  
As around the streets we roam  
O! what we might have been knowin  
If we had read books at home.

So this week they give attention  
How the books will pave the way  
An fer learnin they do mention  
Free night schools as well as day.
