NEW Circus ROAD In Town

AIR LINE TO HILLSBORO

The longest way around is the sweetest way home sometimes and the shortest way to Hillsboro is a straight line.

Washington County has recently spent \$3000 in having the road from Northern Columbia Co. completed through Vernonia to Gales City to Forest Grove down through Cornelius to Hillsboro is a fine stretch of Rock Road.

From the county seat to our City the roads are crooked and far around. There is a big movement on foot to run a Rock Road

THE SKELETON IN THE POLING BOOTH.

paralleled with the S. P. Track from Hillsboro to Beaverton connecting the thriving towns of Hillsboro, Witch Hazel, Reedville, Aloha, Huber, St. Marys and Beaverton. We want every citizen of these places to get in line and boost this road through. The right of way is nearly all open. "Boost 'er through".

"BULLY TIME"

The first circus that has "showed up" in this part of the woods pitched their tent Thursday and gave Beaverton a regular Old Time Show "Old Heck" the elephant did most of the work. The menagerie was good, the performance in the big tent was O.K. and the band whooped things up in Bully Shape. It makes the boys feel good to see the Good Old Town coming to the front every day.

NOTICE

The Bethel A. S. Society will meet with Mrs. W. E. Pegg on Friday afternoon Oct. 25, 1912 all are invited.

BIG SUCCESS

The Bazaar given by the Ladies of the Catholic Church at Grange Hall Tues. and Wed. nights was a grand success financially and socially. The Big Chicken Supper couldn't be beat - here is where the "Owl shines" - the Band was engaged to play and everybody had a fine time. The Ladies and Father O'Flynn are to be congratulated on the big success of this enterprise.

ALOHA AND HUBER AGAIN IN CONTEST

Aloha and Huber, two little hamlets on the S. P. just East of Reedville, are again in litigation over school affairs. Both these places are growing, and will soon have Electric car service - but just now they are interested in a new school building. M. J. Powers, E. A. Wolf, A. Allen and W. M. Masters, Friday, filed an injunction suit against school directors Chas. E. Thompson, Dan Shaw, F. W. Wells, and clerk J. T. York, asking the circuit court to stop them from building a school house for Dist. 197 at Huber. They allege that on Sept. 19, 1912, the voters of the district, by an affirmative vote of 30 decided to build on Lot 31, Aloha, and that one acre was afterward condemned for a school site. They allege that on July 19, 1912, at a called meeting to rescind the action of Sept. 19, 1912, and that the vote stood 33 to rescind and 27 against the purpose. The chairman declared the annulment carried but the complaint alleges it should have required a two-thirds vote, and so the petitioners want their action canceled and work stopped on the Huber structure which is now under way.
