STANTON WINS

CHAPTER XI

Stanton's plan was checked, a bomb had exploded. The greenish front of flame from Henry's hand had gone out, and the world had run out of oxygen.

In the instant projec- tion, the plan was checked, a bomb had exploded. The greenish front of flame from Henry's hand had gone out, and the world had run out of oxygen.

CHAPTER XII

They hit the road. Henry Stanton had been the first to notice. The bomb had exploded, and the world had run out of oxygen.

As the bomb exploded, the world had run out of oxygen. Henry Stanton had been the first to notice. The greenish front of flame from Henry's hand had gone out.
