## SHERWOOD COMING TO THE FRONT

ONE OF THE THRIVING WASHINGTON COUNTY

Sherwood is no longer a little town of nine square blocks, but a handsome little city of nearly a mile square, jumping from a population of 115, according to that of 1910, to 350 as a result of the election held last Saturday. The main fight was put up in the territory that was annexed, the result of which was 23 for and 10 against. The decision of the voters on this question marks a new era in the progress of this

## WASH. CO. FIRST IN SINGING

Hillsboro, Ore. Oct. 30, 1912. The 1912 annual Teachers Institute held at the Court House was one of the most instructive yet held. Mr. B. H. Jones Editor of the Oregon Teacher's monthly of Salem, Oregon led the singing for three days and stated that he has attended all the County Institutes held in the state, and that Washington County teachers sing better than any other County in Oregon. Mr. Jones has attended nearly all the annual Institutes held in the state during the last 16 years. This is a wonderful tribute to Washington County, may we always hold this honor.

town. Everybody concerned should get their shoulders to the wheel and push for a greater, better and cleaner Sherwood.

What is a benefit to the town will be a benefit to each person in it. Everybody, perhaps the exception of two or three, seem satisfied with the will of the majority. This is the proper spirit, and the thing that will win for the friendship of all. Sherwood has almost doubled in population within the last year and a half, and with this added help will repeat the story in a like space of time. Watch Sherwood jump to the front.

## Remember This

Taft cannot be elected  
Roosevelt can be elected  
Wilson might be elected if the choice of a President was taken from the people and thrown into Congress. The election of Wilson means tampering with the incomes of the business man the wage earner and the farmer. It is up to every American to defend his income upon which always depends his outgo. The only way for the American voter to defend his income is to PREVENT the election of WILSON by voting for Roosevelt and Johnson. Paid ad.
