Tonic—Alternative

What is a "tonic"? A medicine that increases your strength or the tone of the system. What is "alternative"? A medicine that is taken to change your healthy action to healthy results. Name the "tonic" and "alternative"? Ayer's Sarsaparilla.

VOYAGE OF THE NEWARK MUGGER

The New York City Planning Board has approved the construction of a new public housing project in Newark, New Jersey. The project will provide 500 units of affordable housing for families in the city.

CRUSOE ON AN ISLAND

In a letter to his friend, Crusoe described his life on the island, where he had to survive with limited resources and face various challenges.

"When you are married, you have a lot to consider," said the newlywed couple. "But we are happy to be together and are looking forward to our future together."
