## Vote for Millage Bill Number 320 X Yes

It provides six-tenths of a mill tax for support of Agricultural College and University of Oregon, giving them permanent support and taking them out of politics. It also provides one Board of Regents, thus solving the problems of co-operation, consolidation, division of courses and economy of management.

It does not increase the average rate of taxation.

It repeals the \$500,000 University appropriation bill.

The Bill is endorsed by Governor West: "This Bill is in the interest of good business and should pass."

By L. R. Alderman, State Superintendent Public Instruction: "Experience in other states shows millage will prove to be correct."

By Will E. Daly, President, Oregon State Federation of Labor: "No argument can successfully combat the benefit to the state that will follow the adoption of the millage tax plan."

Endorsed by Portland Tax Payers League.

Bill prepared by committee of Governor's Commission, Board of Regents, and administrative officers of the two institutions.

W. K. NEWELL

CHAIRMAN OF GOVERNOR'S COMMISSION

## LUCKY NOVEMBER

Scorpio the sign ruling from Oct. 23 to Nov. 21 is the middle sign of the Water triplicity. To be born under this sign is a blessing indeed, as it above all others exerts more good and less evil to mankind, everything else being equal. The vibratory force of these people is so great that they are able to benefit others simply by contact. Self control, will power, keen observation and perfect coolness under circumstances, no matter how trying naturally make them the very best surgeons. Their indomitable will and this extreme coolness leave the impression that the persons exhibiting it are vertiginous demons, where afterwards they are designated as Gods. Eloquence is another of the many virtues to be found under this sign. For this reason we can look for clergymen, statesmen, lawyers and public speakers of all kinds you will find the people of this sign have so much business of their own to attend to that business concerning others is of little, if any, importance to them. Most people are susceptible to flattery, but the Scorpio people can at times be reached in no other way. Anger, Jealousy and Passion are evils likely to dominate Scorpio people. For perfect union Scorpio should wed with Virgo.
