A BEAUTIFUL LIFE.

In the death of the late Mrs. Watts a beautiful life came to a close. Over 87 years of toiling and persevering meeting and overcoming the dangers and hardships of the early pioneer.

She taught the first school in Beaverton District, taking a deep interest in education and to crown her life work she was a devout Christian, by precept and example, a brilliant scholar of the bible from Genesis to Revelation. May her influence and example be a bright light to her host of friends.

STAR OF THE EAST.

In glancing over the sky of Educational Progress of Washington County, you will observe the Community of Kinton, in the East End, conducting a debating society, where old and young take an active part in Public Speaking and Debating.

The Kinton Band is one of the best musical organizations in the County. Kinton High School was the first to organize under the new law, and gives an excellent course of study. The Citizens of Kinton are to be highly commended for the grand work they are doing. May the Star of the East shine upon the destinies of other communities.

HAPPY DAYS

Those born between Feb. 20th and March 20th are governed by the sign Pisces—the Fishes—which relates to the feet of the Grand Man, typifying the understanding. You are a ceaseless searcher after knowledge on subjects relating to the outer man; not a seeker after spiritual knowledge so much as after knowledge of worldly affairs.

You are restless and apprehensive, always fearing poverty sub dependence. The idea of having to depend upon others for support is intolerable to you. With this dread ever before them, persons under this sign are provident and saving, and having the feeling that all the world is against them they look out for themselves first and are apt to become penurious. Your sign relating to the feet, by which we stand erect, indicates that you may be relied upon and that you are honest and upright. You would do well in clerical position, being reliable and accurate. Also, should follow mercantile pursuit if in business for yourself. Care should be exercised in selecting vocation for children born under this sign, as, unless started right they may be condemned to lives of drudgery. Although not devoid of self-reliance, they need encouragement and approval to help them push forward. Lacking bravado or even self-confidence, they hesitate, fearing themselves incompetent to fill a position, until some one comes along and snatches the opportunity from them.

Persons born under this sign should wed with Virgo, the fine understanding of Pisces and the discrimination power of Virgo forming an ideal union.

SOMETHING DOING

Mr. Schmitt of Elmonica was in Town Wednesday getting some Posters and Tickets printed for the Big Athletic Tournament that was held at Elmonica last night.

The Tigard School has reopened, but minus one of the school mams—who heard the wedding bells ring instead of the "Old School Bell".

Our old friend John Mitzel came up from Kelso, Wash. Saturday, and called on The Owl. Johnny is shipping his goods back to town he says there are other places "but oh you Washington County"—and he is right.

Frank Allen, wife and children took the S.P. Train for Toledo, Oregon, last Monday morning.

Mr. Allen has a job in Millers Camp felling timber. There will be many logs on the ground up in that part of the woods when Allen gets hold of the saw "they begin to fall".

"I've been selling Studebaker Wagons and Buggies for over 30 years."

"I've sold them because my reputation as a dealer was at stake and from experience I have found that Studebaker means the best."

That tells the story. Farmers bought Studebaker wagons before the Civil war and they have been buying them ever since. Because they had confidence in the name Studebaker and in the sturdy, dependable wagons and buggies they build. And that confidence has been upheld. Studebaker wagons are built on honor and the Studebaker guarantee goes with every one. There's a Studebaker for your needs—whether you live in city, town or country.
