BULLY COUGAR SEEN

BEAVERTON - ROBBINS 23 "COMING UP"

The Deschutes Bad Beatles went over their last hand last Friday and laid a “bully game” for our spectators when the victors put it over. It was “A Game on Four” and when the crowd came to see the score was 29 to 9 in favor of Des- chutes. For Schrader Rotterdam first baseman was the bright spot in Deschutes’ lineup and the whole team was swept by this individual. C. S. Good was Deschutes’ centerfielder and this little fellow put the ball over the opposite field, but was called out at third base. Could not follow this up with another when he almost had it but got into the pitcher’s box and out. The line up was Robbins presenting: Buehner, Tallman, E. F. Allden, H. R. Roggow, S. F. Bes- ton, J. B. L. Bourn. Bob Miller, Joe Bes- ton, B. R. Beck, F. H. Bowers, W. B. Birtcher, E. H. Decker. A. I. A. B. F. Bes- ton, L. B. Bourn. The Umpires were: Bob Miller and J. B. L. Bourn. The Robbins team played a good game and their pitcher was outstanding, but Robbins could not keep up with the Beavertones. This was their last game and the Robbins players are to be commended for a fine season's work.
