FIRST DEMONSTRATION

Mr. M. P. Cady held a big demonstration in his store last Saturday. The Pacific Coast Biscuit Co. had a fine line of cookies, cakes and crackers on exhibition, which tasted delicious with a cup of Golden West Coffee one of the best brands in the market, put up by Closset and Devers, and then we were treated to a dessert of the famous Monople canned and glass foods of Wadam & Kerr, while the people were partaking of these dainties the representatives of these firms gave some instructive talks on the merits "Oregon Products." These demonstrations are given in the larger cities as a rule and Mr. Cady deserves the credit of holding the first one in Beaverton nearly everybody in town was present, during the whole day his store resembled a large up to date Cafeteria.

GOOD WORK ON ROADS

James Shevlin Road Supervisor of district No. 10 has been doing some good grade work, this Spring he has some bully help, by name of John Wolf and Emil Anderson these are the men you don't "need every day" the dirt surgly flies, when these fellows are on the job.

Mr. Caldwell of Hiton and Arthur Clement of this place bought two fine top notch blue ribbon Jersey bulls at the Withycombe sale last Thursday at Farmington, all registered stock.

Pres. Arch Chisholm of the B. A. A. C. wishes to announce that the Beaverton Club had nothing to do with the athletic bout advertised to take place here last Saturday.

The Huston market is having a Big Modern Refrigerator installed in their New Market Here. The capacity will be 4 beeves 6 hogs 8 mutton and a large supply of Sausage and over a ton of Ice, when completed this will be one of the best equipped Markets in the County. The Portland Concealed Bed Co., of 64 Union Ave. Portland, have the contract. This Co. guarantees first class work at Reasonable Rates.

Mr. Alexander Chisholm father of Arch Chisholm our popular Hotel Man was up from San Francisco, Calif. He says Portland is a clean and beautiful city, he is favorably impressed with it as a business center. He also states that the 1915 Fair Buildings at S. F. are beginning to loom up. And Beaverton with its rich Beaverdam soil and progressive citizens has a bright future.

ON THE SWIPE

Somebody stole 500 tomato plants from the chinamen on A. Rossi's place, 500 cauliflower plants from Sing on the Reghetas place and 1000 cabbage plants from David Reghetas hot bed, during last week. If they come back for more look out for the canon.

CLOSE CALL

KICKED BY HORSE

Mr. Floyd Allen of Scoggins Valley had a very narrow escape last week, while straightening up a trace, one of his horses cut loose with both hind feet striking Mr. Allen and come near putting him out of commission, this horse is the Wilson horse and has made quite a number of "clean ups" already. Mr. Allen went to Forest Grove to receive medical treatment returning home Monday. If nothing unforeseen happens he will soon be "on deck" again, it is a hard proposition to keep a good man down.

BIG 3

Good schools, good churches and roads never fail to make a good town.

The prosperity of a town depends chiefly upon the confidence the people have in it. No town can prosper whose citizens are untrue to it.

Bring your expenses down to your income, regardless of inconveniences, and you will come out with flying colors.

LINE Breaks

AN EXCITING TRIP

Mr. B. K. Denney and family while coming over to Beaverton last Saturday night had an exciting runaway, the horses became frightened along Allen's Lane and made a run West towards J. W. Barnes Place.

Bruce Denney sitting in the front seat, with his sister Miss Derle Denney and another young lady friend of hers was driving, while Mr. and Mrs. Denney were seated in the rear seat in helping to stop the horses Mr. Denney reached over to help pull on the lines, but one of the lines broke, and they couldn't pull them into the fence with the other line, when an Electric Light Pole "loomed up just the right time" and stopped the proceedings the only damage done was to break the cross bar of the tongue and possibly some of the passengers were a little scared.

LOSING FRIENDS

This is the time of the year when the old hen never fails to get into your neighbor's garden. You know the result. One good scratching hen can in five minutes scratch all the friendship that has been growing for many years between neighbors. Keep her at home or cut her head off.
