ANNUAL MEETING

It is very important that every voter attend the Annual School Meeting on Monday June 16, at 2 P. M. Washington County needs the very best of its citizens on the school boards. This school question is the most important of all questions to our state and nation.

Any person who is 21 years of age and pays taxes can vote.

In Districts of less than 200 school population (between ages of 4 and 20) any head of a family who is otherwise qualified elector, and having children of school age may vote without property qualification.

Be present at the school house Monday June 16 at 2 P. M.

HE WINS

In these times there are many things taking place in close succession. In the May examination there was one boy in Progress School, who didn't pass. But did he give up? No, this young man seemed a different fellow altogether, he made up his mind he was going to win in June whatever the cost - you could see that determination in his eye he buried himself in his books, sometimes he went after his studies as if he were mad. And when the smoke of June Ex. rolled by he passes one of the highest in his class and when the Editor of this paper signs the diploma of Jacob Richardson it will be one of his greatest privileges.

"When I invest in a wagon I buy a Studebaker, then it's a safe investment"

Of course it is! Studebaker wagons are built on honor, with sixty years of wagon-building experience—and with every wagon goes a Studebaker guarantee.

You can't afford to have a dealer sell you some other wagon represented to be "just as good."

If you want a wagon that will last, run easily and stand up to its work, there is only one wagon to buy --and that's a Studebaker.

Don't trade ten extra years of service for a few dollars difference in price.

Studebaker wagons are made to fit every requirement of business or pleasure, in city, town or country.
