## S. P. BRAKEMAN FALLS

Greenburg, Or.—Brakeman Blood had a narrow escape from death here last Saturday morning. He fell from top of a box car on the trestle near the O. E. crossing, striking on a projecting timber, turning in midair, and hitting another beam with his head. Receiving severe injuries he was rushed to the hospital at Portland.

## PROSPECTS FOR GREAT EXHIBITION

Work is being rushed on the final preparations for the County Fair to be held Thursday, Friday and Saturday of next week on the Fair grounds east of Forest Grove. The stock sheds are now being constructed. Stall room for 60 head of cattle will be provided, and everything now indicates that all available room will be taken. The dairy breeds will be well represented. There will be an especially strong showing of Holsteins while the Jersey classes will all be sufficiently well filled to insure keen competition. Al Chalmers is arranging to have the fine herd of Shorthorns that he has on exhibition this week at the State Fair at Salem, returned in time for showing at the County Fair.

The management has all along been desirous of conducting a clean fair, and no objectionable features of any kind will be allowed on the grounds. Such amusements as have been provided will be such as everyone can enjoy.

The following events have been scheduled for the racing program, and present indications are that every race will be well filled:

**THURSDAY.**  
2:15 Pace—One mile, three heats, every heat a race; purse, \$200.  
Free-for-all Trot—Mile, three heats, every heat a race; purse, \$250.

**FRIDAY.**  
Farmers' Buggy Race—Half-mile, best two in three; purse, \$50.

**SATURDAY.**  
Free-for-all Pace—Mile, three heats, every heat a race; purse, \$250.  
2:20 Trot—Mile, three heats, every heat a race; purse, \$200.

Special round-trip rates of one and one-third have been granted by all the railroads, and it is probable that special hourly service between Forest Grove and Hillsboro will also be established.

A number of Portland automobile houses are preparing to put on a big auto show, and several local firms will erect tents and make a showing of farm machinery and household equipment.

## HARDY WINS AGAIN

Hillsboro, Ore.—In a fast and furious fight between two amateurs, at the Crescent Theatre, before a big crowd of Moose, Morg Hardy brought more honors to B. A. A. C. of Beaverton by winning the decision over Stricker, unattached, of Portland, though outweighed by ten pounds. Hardy had the best of it from the "jump-off," three rounds were boxed, and the fourth was called for. Every one present was well pleased. There will be a big crowd of Moose at the Big Smoker by B. A. A. C. at Beaverton Wednesday night, October 29. Referee, Dr. Smith; judges, Messrs. Simpson and Turner. Timekeeper, Mr. Freeman.

## BIG GAME SUNDAY

St. Mary's team, one of the best in the A. & W. league, will play the Beavers Sunday, October 5, on the Beaverton grounds, at 8 P. M. This will be the deciding game of the league, provided Beaverton wins.

Come out and give the home boys rousing sendoff in the FINALE GAME. Howell and Jamieson will be on the firing line for the Beavers. The hunting season is now open, so will be "some smoke" in Camp.

## REV. BRYMER WILL PREACH

Eugene, Ore.—Rev. Robt. Brymer received the appointment in the M. E. Conference to preach at Beaverton and Cedar Mill Circuit.

The Beaverton Circuit in the past consisted of four appointments. Beaverton, Cedar Mill, Ameschapel and Farmington, but the membership in all these places have been growing rapidly in recent years, so the change is made for the betterment of the work.

Rev. Brymer, before coming here, preached at Oswego and Garden Home. His first sermons here will be Sunday, October 5, at 11 A. M. and 7:30 P. M.

## MORE ROCK ROAD

The town has completed a fine piece of Rock road work, commencing at the Livengood corner, and rocking the main street, south to near the M. E. church, three blocks and three street crossings. The street was graded to a high center, and the rock put in the center and rolled down well by the gasoline roller. Lou Wolf, engineer, always does a good job rolling. Fred Pappel had charge of the work. He states the cost was \$575. The town mayor and council are to be commended on the good piece of street work.

## BREAKS THROUGH BRIDGE

Traffic, just east of town, on the Portland road, was stopped for near five hours, Wednesday afternoon and evening, by a large furniture van full of furniture, belonging to the Olsen-Roe Transfer company. When crossing the Beaverton ditch by the old Purser place, the left hind wheel broke through the planking and let the van rest on the axle, and it was a heavy job to raise it up again. The delay caused many an auto to go around by Bremer, and back on the north fork of the Canyon road, east to Nelson's Place. To hold up the heavy traffic, this bridge should have at least a double layer of heavy plank.

## BAD ACCIDENTS

Mrs. Nealigh, while cutting some corn fodder for the cows, met with a painful accident Tuesday; the ax slipped in some manner and cut off the ends of the first and second fingers of her left hand. Mr. Nealigh was away at the time.

Thursday, William Hunter bought seven pigs of W. B. Emmons. In bringing them home, he tied the feet of the old hog, and on arriving home, he took his pocket knife, which was very sharp, and as he cut the rope the pig kicked and hit the knife into his left hand, nearly cutting off his thumb. Dr. Carstens dressed the wound.
