Balance proceedings next week.

Both county tickets are nominated, and it is fair to assume that from now until the first Monday in June the political pot will boil and bubble at an alarming temperature.

Nearly two months will elapse before the election, and during this time opportunities will be offered for candidates to become acquainted with the people and to harmonize all differences in the ranks. Gilliam county has a republican majority of about 50 or 60 votes, the total vote being something over 1200.

We are reliably informed that The Butte Creek Land, Live Stock and Lumber Company has a fine stock of 250,000 feet of seasoned lumber on the yard at its mill six miles east of Fossil—24 miles from Condon. It has an excellent lot of seasoned rustic, flooring and ceiling, that is and has been under shelter all winter. They are selling at the usual prices, with ten per cent off for cash. The roads from Condon to this mill are good, and those needing lumber before the Lost Valley mills have a stock of seasoned lumber on hand, will no doubt be interested in knowing these facts. By no means send money out of the county for lumber.
