OCCIDENTAL MELANGE

Kid Gang of Apaches Committing Depredations in Arizona.

SILVER BONANZA NEAR PHOENIX.

Records and insignia of the Chinese High-binder Organization Discovered by Sacramento Cops.

Helena, Mont., sapphire and ruby beds comprise 3,000 acres.

The Santa Fe runs a potato train daily from Los Angeles to Chicago.

A veritable silver bonanza has been struck at Mesa City near Phoenix.

Complaints about the Soldiers' Home at Santa Monica are becoming frequent.

Extensive nitre beds have been located in Death's Valley near Resting Springs.

The turquoise stone found near Phoenix, A. T., has been pronounced of a superior quality.

The Arizona Board of Territorial Equalizers met recently, and will raise the taxes on all railroads in the Territory.

San Diego is still striving for the erection of a plant to work the iron ore from the Tempehete mines in Lower California.

The supply department at Mare Island is being investigated. There are charges of favoritism which excludes legitimate bidders.

The kid gang of renegade Apaches are committing depredations in Arizona again. Murder and theft are their employment.

The wood camps in the mountains in Nevada are opening up for the season's work, which promises to end earlier than usual this year.

Prospectors from the New river country ridicule the story that the Salton Basin would become a lake this season, similar to that of last year.

W. G. Bailey, who with his family were supposed to have been lost on the Colorado Desert, have been rescued. The hardships of the party are described as terrible.

It is stated that 3,000,000 pounds of wool will pass through the hands of a local merchant at Albuquerque, N. M., this season.

The Monarch mine in Silver City, Nev., is being guarded by a shotgun brigade. The property, which is very valuable, is in litigation, and there are three claimants.

A combination of lumber dealers in Southern California has caused the stiffening of prices. The mountain dealers have had difficulty in competing with the Oregon trade.

A Boston syndicate has purchased 1,500 acres near Deming, N. M. The land will be irrigated through force pumps and wells and rendered valuable for farming purposes.

The various Phoenix (A. T.) banks and mortgage companies have levied attachments on the Phoenix electric-light plant, aggregating \$10,500. The failure is said to be complete.

The heirs of George Hearst—Phoebe Hearst and William B. Hearst—have brought suit at Phoenix, A. T., to quiet title to the San de las Boquillas y Nogales land grant. This land includes that occupied by settlers on the San Pedro river, taking in the town of Fairbank and the greater portion of the Mormon settlement of St. Davids, as well as other valuable valley land.

The Sacramento police made a search of premises occupied by highbinders, and recovered, hidden in the basement, a locked box containing the records of the organization and all the insignia of the vicious society, including the short sticks passed around to members whenever the murder or robbery of a hated Chinaman is proposed, to notify them of a meeting. The capture is an important one, and may lead to much desired information.

The Victoria (B. C.) Colonist contains the first chapter of an exposure of a hot-bed of the vilest corruption in the very heart of Victoria, systematic seduction of girls of tender years by men who hold responsible positions and enjoy the confidence and respect of the entire community. The paper demands that the authorities take cognizance of the curse and act promptly in its eradication, stating that the names, dates and fullest facts are in its possession and ready for use.

CONGRESSIONAL MATTERS.

Caminetti Unable to Get His Debris Bill Before the House—Monument to General Sherman.

The House has passed the bill giving \$50,000 for a pedestal and monument to General W. T. Sherman.

Senator Blackburn has introduced a bill appropriating \$1,200,000 for the procurements under contract of fifty mortars and carriages for the defense of the Pacific Coast.

The Department of Agriculture issues a statement showing the imports of American corn into Germany for the first three months of this year, compared with a corresponding time last year, has increased from 1,110,000 bushels to 5,848,000.

Mr. Caminetti has been unable to get his mining debris bill before the House, and the result is that if the House adjourns on July 4, the date which is contemplated, there will be no chance for the bill to pass.

It is understood that Captain Louis Kempff is assigned to the command of the new coast-defense ship Monterey, which is nearing completion at the Union iron works in California.

Oates of Alabama called up the bill modifying the Revised Statutes so as to dispense with the proof of loyalty during the war of the Rebellion as a prerequisite of being restored or admitted to the pension roll of any person who otherwise would be entitled thereto.

Representative Hermann has succeeded in passing a bill extending for three years the time of settlers who are purchasers of forfeited railroad lands, and whose time to make payment expires September 23 next.

Senator Dolph has secured from the Committee on Public Buildings and Grounds a favorable report upon his bill to increase the limit of the cost of a public building at Portland to \$1,000,000; also a favorable report of his amendment to the sundry civil appropriation bill for the same purpose.

Senator Dolph has secured from the Committee on Public Buildings and Grounds a favorable report upon his bill to increase the limit of the cost of a public building at Portland to \$1,000,000; also a favorable report of his amendment to the sundry civil appropriation bill for the same purpose.

EDUCATIONAL NOTES.

President Eliot Gets Into Hot Water by His Disparagement of the Public-School System.

Shortland is to be taught in the Boston schools.

There are 5,399 whole and 1,821 fractional school districts in Michigan.

The public schools of St. Louis give employment to over 1,000 teachers.

New London, Conn., has been selected as the site for the Catholic summer school.

Embossed books for the use of blind persons have been prepared in more than 250 languages and dialects.

Mrs. Sidgwick has just been appointed principal of Newham College, University of Cambridge, England.

There are 530 women students in the University of Michigan, distributed throughout all the departments.

In one of the public schools of New York city there are 710 children, all but ten of whom are of foreign birth and language.

In Paris the common public schools are provided with medicine cases, and instructions are given for the use of remedies.

The New York Legislature passed a bill making the teaching of music in the public schools compulsory. Governor Flower vetoed it.

Jacob Gould Schurman, Cornell's new President, is yet a few years under 40, but a noted scholar. Twenty-odd years ago he was a clerk in a grocery store on Prince Edward Island.

President Eliot of Harvard, not satisfied with the mess he made by his Mormon speech, has again got himself in hot water by his disparagement of the American public-school system.

Cornell University has given Presidents to three universities—Schaefer to Iowa, Jordan to Stanford and Andrews to Brown.

The school of architecture of the University of Pennsylvania is to have a "traveling scholarship in architecture," with an annual income of \$1,000, which will enable the holder to study the best models in Europe.

BEYOND THE ROCKIES.

Minister Enters a Crusade Against Church Fairs, Etc.

KANSAS WHEAT OUTLOOK GOOD.

Schemes to Defraud Hotels at New York Discovered—New York Board of Education.

The New York Grant monument fund is complete.

Chicago has an elevated road, and is elated over it.

In Minneapolis 7,877,947 barrels of flour were made last year.

The exports of gold up to date this year have been exceptionally light.

The cotton acreage of Tennessee will be 10 per cent. smaller than last year.

Chicago Board of Trade market quotations will soon be distributed free to the public.

A jilted woman in Chicago hired a prizefighter to spoil her former lover's beauty.

The wall-paper trust has been incorporated in New York with \$14,000,000 capital.

A young Methodist minister has been arrested at Atlanta, Ga., for jumping board bills.

Gas is to be manufactured in Long Island and piped under the East river into New York.

Colonel W. B. Remy, Judge Advocate General of the navy, has been placed on the retired list.

Louisiana's Supreme Court decides that the "Jim Crow" law does not apply to interstate passenger.

The New York Board of Education is preparing to wipe out all saloons in the vicinity of schoolhouses.

The Kansas crop report shows wheat acreage equal to last year, with an excess of corn, but backward.

For three vacant chaplaincies in the United States army over 4,000 applications have been placed on file.

For killing a negro Section Boss Anderson of Greenwood, Fla., has been threatened with a negro uprising.

United States troops have been sent to the scene of the troubles between stockmen and rustlers in Wyoming.

The city of Chicago, feeling that its attractiveness is somewhat at stake, has organized a society for the prevention of smoke.

Mississippi planters in the river bottom are moving for a permanent reduction of tax assessments on account of overflows.

The crops in Kansas are in grand shape. Corn is growing well, and the wheat is heading out. In Nebraska, too, the crops promise well.

An ordinance licensing gambling houses in Omaha was signed by the Mayor, and they are running wide open in violation of a State law.

There is talk of submitting the Louisiana Senatorship to a vote of the white people of the State, the Legislature being unable to agree on a candidate.

The descendants of the immortal Davy Crockett will celebrate the 106th anniversary of that deceased hero and statesman at Rutherford, Tenn., August 17.

An unknown foreigner has created a reign of terror in Cambridge, Mass., by stabbing a number of women, whom he accosted on the streets after nightfall.

Owing to the long season of spring rains, much of the bottom lands in West Tennessee, heretofore planted in cotton, will this season grow corn or some other crop.

Rev. J. W. Wilson of Indianapolis has entered upon a vigorous crusade against church fairs, grab bags, raffles and all other schemes to raise funds for church purposes in illegitimate ways.

The labor organizations of New York city have begun war upon the Chinese. It is their purpose to arouse against the Mongolian such a cyclone of public hatred as will drive him from the town.

A large and finely equipped hospital has been dedicated in Atlanta, bearing the name of the late H. W. Grady, editor of the Constitution. This memorial is the result of a popular subscription.

A New York insurance company will put up a building having twelve stories and a high gable, with a street frontage of 38 feet 6 inches. It resembles an Egyptian obelisk.

Dr. Nagie of the bureau of vital statistics says that no cosmopolitan has New York become in recent years that more than 100 languages and dialects are spoken in the city.

Governor John Hugh Brown of Kentucky has signed the bill compelling all railroads in the State to provide separate cars for negroes. The law will go into effect in ninety days.

The Interstate Elevated railway of Kansas City is to be changed from a steam to an electric system at a cost of \$500,000. It is expected that the reconstruction will be completed so that the line can be run by July 1.

One of the largest and hardest log jams ever known in the Northwest has been forming in the St. Croix river at Eagle Island. It is over five miles long, and the logs are piled up in all shapes, and it contains over 150,000,000 feet.

The Wigwam in Chicago, where the Democratic National Convention will meet, has a frontage of 500 feet on Michigan avenue, and is 350 feet in width. It is the largest convention hall ever erected, and its full capacity is 30,000.
