At Seraing, China, the contract for iron work for a large Chinese iron works has been taken out of the hands of English firms and given to Belgians.

Drought in Poltava, South Russia, is destroying cattle and crops, and the people kneel around priests and elevated images in the fields and pray for rain.

The story is published at Paris of an alleged plot to kidnap M. Deblier, "Monsieur de Paris," in order to delay the execution of Ravachol, the anarchist.

After a long consideration of the matter the Italian government has decided that the 6 1/2 millimeters is the best size for the bore of the new rifles for use in that country.

In a battle in Mato Grosso Brazil, between the revolutionists and the government forces it is stated that 1,000 men were killed, but neither side obtained a victory.

An attempt was lately made to cultivate oysters in the Baltic. Last summer 50,000 were transplanted from the North Sea, but the experiment has proved a failure.

Buffalo Bill's Wild West show exhibited at Windsor before Queen Victoria and crowds of aristocratic personages. The Queen seemed to be delighted with everything she saw.

Prof. Tyndall predicts that the first loyalist blood shed in Ulster for the sake of Archbishop Walsh and Timothy Healy will rouse a feeling of evil that will sweep Gladstone's Irish policy to perdition.

The government of Baden will found a museum for history and archeology in Rome, where special privileges have been obtained from the Pope to examine the archives of the Vatican.

Liverpool will, it is expected, publicly inaugurate the completion of her great water scheme next month. The city will have a supply of 50,000,000 gallons a day from Vyrnwy, Wales.

The Empress of Germany has requested the Minister of Public Instruction to prevent the admission to the art museums of Berlin of young girls unless under the guidance of teachers or parents.

BENNETT'S DEPOT HOTEL, ARLINGTON, OR. Headquarters for T. P. A. N. W. Adjoining the depot. It is very convenient for passengers from the back country who have to leave by night trains. Hier wird Deutsch gesprochen. On parle Francais. No Chinese. Meets all trains. J. W. BENNETT, Proprietor.

OCCIDENTAL MELANGE

Mexicans Arrested for Robbing Chinamen.

OLD HARTFORD TO BE REFITTED. The Santa Fe Company Has No Intention of Extending Its Lines From Los Angeles to Frisco.

Nevada's militia will camp near Carson. The Arizona ranges are overstocked with cattle.

Arizona claims to have more newspapers in proportion to its population than any other section of the Union.

A large number of men have been discharged from the navy yard at Mare Island, and more discharges are expected.

Inspectors from Washington have been looking through the Carson mint, and they declare everything in excellent condition.

The officers and men on the cruiser Boston have raised over \$1,000 to place a monument over their dead shipmates at the Mare Island cemetery.

Mrs. Woodworth, the doom-sealing evangelist who created so much excitement at Oakland, Cal., last year, has begun a series of meetings at Salem, Or.

There is some talk at Vallejo of refitting the old Hartford, on a rumor that the chief of the bureau of construction will make a recommendation to that effect.

Reports from the southeastern part of Arizona Territory are to the effect that unless rain falls in a few weeks cattle will die by the thousands. Already they are dropping off.

Electricians from the East are now at Sutro, Nev., figuring on the cost of putting up an electric plant near Sutro to run the mill on quartz brought through Sutro tunnel from the Comstock.

The government exploring party, in charge of Prof. Reed Cleveland, has left Tacoma for Alaska on the City of Topeka to measure the movement of Muir's glacier and to examine the surrounding country.

Notwithstanding the decision of the Superior Court at Sacramento that Rodgers, the recently elected Chief of Police, is ineligible to the office, he refuses to vacate only on special order of the court that he must do so.

The chief of the bureau of yards and docks at Mare Island is strongly in favor of having a bridge built from Vallejo to the navy yard for the greater facility of travel and convenience to employees and others.

Sydenham Mills, while on his way to Murray, Idaho, with \$2,000 worth of gold dust which he had cleaned up in Fancy Gulch, was waylaid and robbed by two highwaymen. Rewards to the amount of \$750 have been offered for their arrest.

The schooner Halcyon has been seized at Victoria, B. C., by the customs authorities for an alleged infraction of the customs laws of Canada. The offense charged was that of lying in the harbor on the west coast of Vancouver Island without entering at the customs.

In an interview President Manvel of the Santa Fe at San Diego is reported to have said: "The company has no intention of extending its lines from Los Angeles to San Francisco. I don't know why they didn't do it in the first place, but it is out of the question now."

Three Mexicans have been arrested at Tia Juana who were making a profitable business of robbing Chinese. The Mexicans would agree to pilot the Mongolians across the line, and after a safe distance from Mexican authority they were stood up and robbed of every cent they had.

The killing of Police Officer William F. Jordan at Butte, Mont., by burglars has aroused the people. Frequent hold-ups, burglaries and robberies have tended to intensify the feeling, and vigilance committees will probably be organized. Over 100 men are engaged in the search for the murdering burglars.

The Phoenix (Ariz.) Chamber of Commerce has published a pamphlet of about fifty pages on the resources of the Salt River Valley. The illustrations of farm, field and town life are many, and the homeseeker is introduced to a section of the Territory which is very fertile, but whose agricultural resources have not been generally known.

PURELY PERSONAL

Mrs. Langtry Makes a Winning at the Ascot Races—The Mad King of Bavaria Vegetative.

Benjamin Harrison, Whitelaw Reid and William McKinley are graduates of little Miami University of Ohio.

George M. Dallas, one of the new Judges of the United States Circuit Court of Appeals, has received from Princeton College the degree of Doctor of Laws.

Alexander Henry, inventor of the celebrated Martin-Henry rifle, used exclusively in the British army, is a Scotchman by birth, and last month celebrated his 74th birthday.

President Tuttle of Wabash College has retired from service after holding office thirty years. He has been on duty all of that time except two months, a record not easily paralleled.

The late Senator Barbour of Virginia left the bulk of his property, valued at \$50,000, to his sister-in-law, Miss Ellen Danglerfield, who has been appointed administratrix of the estate.

Mrs. Langtry won \$20,000 at the Ascot races. For years she has looked upon the gold cup as an almost certain source of income, her choice of horses in the race being generally for unseat.

Marie Corelli is only the pen name of the writer whose works have won the approval of Queen Victoria. She is a daughter of the late Dr. Charles Mackay, and her name is Marion Mackay.

Franco Millet, the brother of Jean Pierre Millet, is living in Boston. He is a sculptor of great ability, but, like his brother, is retiring and modest to an unusual degree, and shrinks from notoriety.

Minister T. Jefferson Coolidge lives at Coolidge Neck, Manchester, Mass., when he is at home in summer. Cornelius Vanderbilt succeeds him there this season, having taken a lease of Coolidge Neck.

The Cologne Gazette says that the condition of the mad King of Bavaria is now merely vegetative; that he is unable to distinguish persons in his familiar entourage, and that his attendants have the greatest difficulty in getting him to take food.

Minister Coolidge, as he appeared to the eyes of the Paris correspondent of the London News, "is white-haired, hale, of a straight carriage and a direct manner. He strikes one as a man of intellectual as well as business tastes and parents."

When the little ten-year-old Crown Prince of Germany marched at the head of his regiment during the recent military review at Potsdam no one applauded him more heartily than the little Queen of Holland, who stood at one of the palace windows.

King Oscar of Sweden is a man of tall and spare figure, with white hair and beard. He enjoys excellent health. When the King visited President Carnot at the Elysee he wore the medal granted him by the French government for throwing himself before two horses that were running away with a carriage filled with ladies.

The death of General K. S. Protitch, one of the Regents of Serbia, has already been mentioned. When King Milan abdicated in March, 1889, he read his declaration before his Council of Ministers, knelt before his son and took the oath of allegiance. This example was followed by the three Regents, whom he appointed. General Protitch had twice been Minister of War, and was a great favorite in the army. His age was 63.

THE CHICAGO EXPOSITION.

The Chair in Which Thomas Jefferson Sat While Writing the Declaration of Independence.

The citizens of St. Joseph, Mo., oppose the removal of the house in which Jesse James was killed to the World's Fair for exhibition.

The Board of World's Fair Managers of Pennsylvania has expended \$33,559.60 of the \$30,000 appropriated to it by the last Legislature.

The chair in which Thomas Jefferson sat while writing the Declaration of Independence is now owned by the Philadelphia Society, Philadelphia. It is reported that this interesting relic will be exhibited at the World's Fair.

South Burmah and the East Indies intend to have a worthy exhibit at the exposition. The Chamber of Commerce of Kurrachee has appointed J. Hanger H. Kathari, a prominent wealthy merchant of Kurrachee, special commissioner to develop an exhibit for the fair.

The High School of San Diego, Cal., will give a grand Fourth of July celebration and devote the proceeds toward making a complete collection of San Diego fish for exhibition at the World's Fair. The specimens will be preserved in alcohol and properly labeled, etc. The exhibit will be a competitive one.

Chief Ives, who is in Europe in the interest of the fine arts department of the World's Fair, has written in Paris all his ago with enthusiasm for the fair. The American artists are hard at work, and their section of the exhibit will be unexpectedly large and of the highest order.

It is probable that a number of genuine Astrakhan sheep, the finest specimens living, will be exhibited at the World's Fair. A dozen of them have recently arrived in this country from Persia, having been purchased there by United States Minister Beale for Secretary Rusak of the Department of Agriculture, who intends to try the experiment of raising the species in this country. They are to be taken to Southern California, and if they prosper, will be taken to the fair next summer.

BEYOND THE ROCKIES

Building and Loan Associations of the United States.

THE MISSOURI CROP BULLETIN

Great Drought in Northern Mexico and Portions of Texas—Chicago River Swollen.

Harvest hands command \$3 a day and their "keep" in Kansas this year.

The Cleveland street car strikers have refused the compromise proposition.

Cut-worms are proving very destructive to tobacco in Henry county, Tenn.

The population of the town of Okarche, Oklahoma, grew 1,500 in one night recently.

The Louisiana Legislature has repealed the law creating the board of flour inspectors.

Great trouble is experienced in ventilating the St. Clair tunnel, which was opened last year.

A leather trust has been incorporated in New Jersey. It will deal in all kinds of goods made from leather.

Building and loan associations of the United States are trying to perfect a national organization at Chicago.

Because of the enactment of the separate coach law, the negroes of Kentucky propose to boycott the railways.

About 1,000 negroes in and around Nashville, Tenn., are making ready to emigrate to Oklahoma in the fall.

Immigrants to the number of 92,242 arrived in this country during May, in May, 1891, the number was 85,941.

The Missouri crop bulletin reports a very good condition and yield in harvested grain, but with light acreage.

The great drought in Northern Mexico and portions of Texas still continues, and there is much suffering in consequence.

The defalcation of Treasurer Dahn of the Buffalo National Savings Bank will probably reach between \$200,000 and \$300,000.

The English party composing the syndicate which owns the Black Hills tin mines near Rapid City are to visit the property.

The Sugar Trust has agreed to give the wholesale grocers who maintain fixed prices a rebate of one-eighth of a cent per pound.

It has been estimated by a high authority that the country will have as much wheat to export this year as it had last year.

Iron has been discovered at Mulhall, Kan., by a man digging a well, who, when down some seventy feet, struck iron. A shaft is being sunk.

The elevator men at Chicago have wired to their country correspondents to stop shipping corn there till after July 15th, as it is coming in such bad condition it will not grade.

Senator Gallinger is at the head of a movement to establish government sanitariums in the South. When these are established his plan is to assist consumptives to emigrate thither.

The New York State census shows that there are about 4,000 Indians living on the several reservations in that State who still maintain their tribal systems, subject to State jurisdiction.

A clergyman of Indianapolis, Ind., has entered upon a vigorous crusade against church fairs, grab bags, raffles and all other schemes to raise funds for church purposes in illegitimate ways.

An eight-foot tunnel, extending four miles out into Lake Michigan, has just been completed at Chicago. It will supply to the city 13,000,000 gallons of water per day, and has cost over \$1,000,000.

The Broadway cable line in New York City will be operated in October. Nearly 5,000 horses are to be displaced. The total cost of the new road is \$5,000,000. Cotton drive rope is used to prevent noise.

The Chicago river is swollen to such an extent that nearly 1,500 houses in Ravenswood, a suburb of Chicago, were surrounded by water. The main sewers in Chicago are clogged and basements flooded.
