Jury List.

Following is a list of the jurors drawn and summoned for the September term of circuit court for this county, which convenes the 19th:

P. Potterton, A. C. Herndon, Chas. L. Prindle, Harvey C. Martin, John Maxwell and Jas. D. Fredenburg of Fossil; L. A. Henderson, Chas. B. Sears, H. W. Pentecost, J. P. Greiner, Geo. Gibbons, F. B. Moore, Chas. E. Golden and Sam'l Llewellyn of Mayville; H. F. Downer, T. C. Keizur, W. N. Brown, Geo. Hansen, W. L. Barker and D. C. Henry of Condon; John Berthold, John W. Brown and Clayton Shane of Arlington; W. C. Brown and Lewis A. Miller of Lone Rock; H. J. Nott and Pope Catlin of Olex; H. C. Dodson and H. T. Propst of Clem; Jas. Royse of Idea, and J. J. Bash of Blalock.

The Dalles Chronicle: At a meeting of A Co., O. N. G. Friday night, one of the serious questions respecting militia duty, freely discussed among the members in an informal way, was the lack of protection extended to the members in cases where their situations are jeopardized by answering the call of the state to arms in times of emergency. It is surely a new phase of the strikes question, and a new promblem to puzzle over. For instance: Many members of the New York militia are young men holding salaried positions in stores and offices. It is now reported that on account of their enforced absence upon military duty at Buffalo most of these young men have been incontinently discharged by their employers. They were patriotic enough to enlist their services on behalf of the commonwealth, and the time came when the commonwealth, acting in self-defense, had to make use of them. Because it did so, some of these young men, who can ill afford to lose their incomes, are thrown out of place. If this is permitted, it is evident that the incentive to enter the militia service will be minimized. To serve one's state is well enough, but if the state cannot at least protect its servitors, young Americans cannot be blamed for avoiding the one-sided partnership. The question is: In future strikes and difficulties demanding the presence of the militia, are the members serving to have the assurance that by their patriotism they will not incur the penalty of surrendering their incomes?

READ AND PONDER!

HATTEE'S CONGO OIL.

Marvelous Cure Effected By Its Use.

This wonderful medicine is the wonder of the nineteenth century, effecting a cure when all other remedies fail. It is distilled from plants growing upon the banks of the Congo River, in South Africa. The first knowledge that we possess of this wonderful oil is found in some of the writings of Covilham, a Portuguese navigator and African explorer, who was sent out by the King of Abyssinia about 1488. He speaks of a wonderful penetrating oil that was in use by the Zimbos, a remnant of a once powerful African nation, and in some recent cyphers found upon some ruins in a very ancient city called Zimboe (meaning a ryal house) more evidence has been produced of this wonderful oil, or rather of the plants from which it is distilled, thus proving conclusively that the secret was sacredly guarded by these ancient inhabitants of the Dark Continent. As the world has progressed, more explorations have been made in Equatorial Africa, and suffering humanity has been greatly benefitted, as well as medical science being advanced by the re-discovery of this wonderful Congo Oil. It was first brought into civilized Europe by a member of the expedition sent out from London in 1860, under the command of Captain Speke, whose explorations reached far up the Congo River. The secret of its production was jealously guarded until upon the death of the party in whose possession it was, when it was given to a party named Hattee, who formed a company known as the Congo Oil Company, having its headquarters at Zanzibar, South Africa, with a branch in New York City, and thus placing upon the market this most wonderful of all remedies. By its use all pain disappears, but it is particularly recommended in Sciatica, Rheumatism, Neuralgia, Etc. It is wonderfully penetrating, and to use it once is to become a friend to it always. By its use thousands who are suffering can be relieved. It is the cheapest because it is the best, and one bottle of it will go further than a dozen of the many so-called cures for these ills. It is purely for external use. Full and explicit directions are printed on each bottle. If you are afflicted, try a bottle; and before you have used half of it your aches and pains will disappear, and there will be no more use for crutches or canes. It is for sale by all druggists and dealers in patent medicines, or can be supplied by the undersigned, who are the sole Pacific Coast Agents for this wonderful oil.

Prepared by the Congo Oil Co., Zanibar, South Africa and New York.

JUDGE NELSON'S DECISION.

Speaking of patent medicines, the Judge says: "I wish to deal fairly and honorably with all, and when I find an article that will do what it is recommended to do, I am not ashamed to say so. I am acquainted with Dr. Vanderpool, (having been treated by him for cancer) and have used his blood medicince, known as the S. B. Headache and Liver Cure, and while I am seventy-five years old, and have used many pills and other remedies for the blood, liver and kidneys, I must say that for a kidney tonic in Bright's disease, and as an alternative for the blood, or to correct the action of the stomach and bowells it is a very superior remedy, and beats anything I ever tried. J. B. NELSON, Yakima, Wash.

At 50c a bottle. It is the poor man's friend and family doctor.
