Ex-Private Iams of Homestead courtmartial fame is now a clerk in a Pittsburg store.

Oil has been struck near Parkersburg, Ind., at the depth of 100 feet, while dril-

ling for water. An epidemic of diphtheria has broken out among the Indians at the Wind

River Agency. The net cash balance in the Treasury

s nearly \$31,000,000 or \$5,000,000 greater than New York. Philadelphia capitalists are going to construct an underground-trolly street-

car system in Boston.

A jury in New York acquitted a man who spat tobaco juice on a \$6,000 picture in the Metropolitan Museum of Art.

Rev. Thomas Dixon of New York in his Sunday sermon declared the lottery a small evil compared with horse racing. Reports from the Southern States are that the cotton crop is from 15 to 25 per cent short and from one to two weeks

Howard Gould has been elected director of the Gold and Stock Telegraph Company in place of his father, Jay

The long distance telephone from Chicago to Boston is nearly completed. South Bend, Ind., has already talked to

Boston. President Young of the National Base ball League says either salaries must be reduced or professional baseball must go

to the wall. Harmony reigns over the disturbed

water corporations of Denver, Col., and Omaha, Neb., and the \$20,000,000 law suit is settled.

Valuable discoveries of onyx have been made at Bridgewater, Rockingham county, Va. It is abundant and of a superior quality.

It rained peas at Baltimore the other day. It is believed that they were scooped up by the wind from truck farms in an adjoining county.

The Kiowas and Comanches are ready to take lands in severalty. This will re-

The Kiowas and Comanches are ready to take lands in severalty. This will result in the opening of more than 2,0.0,000 scres to settlement.

Walter Sloan of Burlington, N. J., who was supposed to have been lost in the Johnstown flood, has just turned up at Mount Holly to receive his share of a legacy left him by his aunt.

In the twenty-sight years that the

In the twenty-eight years that the Brotherhood of Locomotive Engineers has had existence Chief Arthur states it has disbursed over \$3,000,000 to the wid-ows and families of deceased engineers.

At Puebla, Mexico, an undertaker billed the town with huge posters, say-ing he would reduce his funeral charges if the cholera became epidemic there. This incited a scare and he was arrested. At Clarksburg, Miss., the negroes were reported to be in insurrection, and had sworn to kill the whites. A sheriff's

posse found that two negroes had been killed and several wounded when they reached the scene. The theft of \$440,000 from the Auer Incandescent Light Company by Tyndale

which he was joined by a hotel keeper named Freitas of Rio Janeiro, has been brought to light at Philadelphia. Palmer sold the patent rights in Brazil or \$510,-000 and reported the sale at \$80,000. The chief astronomical event of October will be the eclipse of the sun, which will take place on the 20th, and be visible throughout the greater part of North America. All the United States may

see it, except the western part of Oregon and California. As it will only be a par-tial eclipse, the Western Coast will not be jealous of the Eastern Slope. The Chicago Telephone Company at Chicago is going to issue an order that all the girls in the operating department must wear black uniforms, to give the room an artistic appearance. Two hundred and fifty girls in the central office have donned the uniform, and, as the idea meets with success a general order idea meets with success, a general order affecting all offices will soon be issued.

Bradstreet's says: During the past nine months the business failures in the United States—South Dakota excluded, owing to the State law practically pro-hibiting the collection of statistical information—which have been strictly mercantile or industrial in character, not omitting those of banking institutions, but eliminating care ully those of all other descriptions, have aggregated

The Idaho Mormons Regain the Rights of Citizenship.

EXCESSIVE DROUTH IN NEW MEXICO.

Hot Water to be Piped Into Every Business Block and Residence of Boise City, Idaho.

The Chinese in Idaho propose to defy the Six Companies and, will register. Over 25,000 tons of sugar beets have been harvested at Chico so far this sea-

Work has been commenced upon a new foundry building and a power-house for Stanford University.

Much suffering in the southeastern portion of New Mexico is reported, caused by the excessive drouth.

The Hudson Bay Company has closed out its store at Yale, B. C., the trade having decreased to such an extent that the store is no longer necessary. Applicants for electric-power fran-chise at San Jose have been refused,

owing to the objection of the applicants to put their wires under ground. The old adobe at Santa Barbara, in which General Fremont had his headquarters in the early days when he had his camp there, was burned the other

William Simmons, who lives ten mi'es from Salem, Or., has grown three acres of cranberries this year. They are choice, and are said to be fully equal to the Cape Cod variety.

Spokane Indians have held a meeting near Spokane. They are willing to go on the Cour d'Alene lands, but want money to spend for themselves. There are about one hundred of them, homeless and landless vagabonds, but they believe the government will give them. selieve the government will give them all they ask.

Some brute in human form has been shooting valuab'e stock on Willow creek, Crook county, Or. A few weeks ago Joe Hinkle found a fine Hereford bull, which had cost him \$350, dead in his pasture, with a rifle bullet in his head, and a few days ago Perry Read discovered a thoroughbred Shorthorn belonging to his herd that had been shot and will probably die.

County Echo while discussing the scale parasite that there was a time last year when the parasites were not noticeable, but with the return of spring they came out in largely increased numbers and began their work of destroying the scale. Colonel Burr's theory is that they are hidden away, possibly in the earth near the tree, and that they will be on deck again next spring.

Daniel H. Ward, who shot and killed John Looney last July in Gilliam county, Or., has been acquitted. After being out two hours the jury returned a verdict of "not guilty." The jury really agreed upon this verdict five minutes after retiring to the jury room, but deemed it better form to deliberate an hour or two before redering the verdict. hour or two before redering the verdict It was proven at the trial that Ward acted in self-defense.

Frank Leach, a young tailor who mis-appropriated a suit of clothes at Weston, completed his sentence in the county jail at Pendleton recently. He was searched on leaving, when it was discovered, almost by chance, that he had taken the main-pring from his watch and left it with the prisoners, to be used as a saw. They were compelled to dis-gorge, and Leach was rearrested and will stay in jail fifty days longer.

Prof. Edward S. Holden has sent an pen address to the San Jose Chamber f Commerce in answer to the action of that body in passing a resolution con-demnatory of the Professor's administra-tion of the Lick Observatory. He says the Chamber should have consulted persons familiar with the situation of affairs at the observatory and not have relied so much on newspaper reports before charging him with mismanagement. He desires, he says, a full investigation by any competent persons.

Good horses for hire at reasonable rates. Special attention given ansient stock.

A relic preserved in Curry county, Or., is the skull of the Indian who is supposed to have murdered the Geisal family at Rogue river. Mrs. Winsor, who was an eye-witness of the hanging of this wretch, which occurred in the spring of 1856, says the whites found a tree near the present graveyard at Gold Beach and placed a rope around the Digger's neck. A barrel was put beneath his feet, which Mrs. Geisal, now Mrs. Edson of Gold Beach, promptly kicked from beneath him, thus ridding the world of a brute who had made desolate a peaceful and happy home.

Judge Stockelager of Alturas county has decided that the Idaho test oath law passed in 1890, which forbids the vote of any man who was a member of the Morache and all kidney troubles. Retail price, \$1.

Education of Russian Children-Entering Class at Union College Largest in Its History.

Old gold is to be the color of the University of Chicago.

The enrollment of girl students in the Harvard Annex this year is over 300.

There is one woman in the entering class of forty-six at the Massachusetts Agricultural College this year.

Yale College for the first time in its history will throw open its post-graduate course to women in the coming term. The entering class at Union College, Schenectady, N. Y., is the largest in the history of that institution since the war.

Baltimore, Md., has 1,300 teachers, 50,000 pupils, and the schools cost \$1,000,000 a year. The population is about 500,000. Mrs. Maria R. Towne, who died re-cently at Manchester-by-the-Sea, Mass., left \$175,000 to the University of Penn-

Prof. Harold M. Fowler of the venerable Phillips Exeter Academy has accepted the chair of Greek in the Univer-

sity of Texas. "Flower Sunday" is one of the an-

caused by the excessive drouth.

Heavy swells have washed away the cabin of the wrecked Wetmore, and the vessel now looks from Marshfield as if she had broken in two.

The Hudson Bay Company has closed out its store at Yale, B. C., the trade have at last been admitted on an equal having decreased to such an extent that footing with men not only in the college of letters, but also in the divinity school.

Vassar College had the largest fresh-man class in her history on the opening day, September 23, the whole number of students being about 500. It is hoped that the hall will be ready for use in November. The education of Russian children is

conducted in four languages—the native, German, English and French—and they grow up masters of these languages. The Czar himself speaks English remarkably well. Among the women students at Iowa State University is Julia Stark Evans of Hampton, Ia. Mrs. Evans is the wife of an active lawyer and the mother of five children. She is a shining example of

the modern precept, "It is never too late to begin." Now that the manual training idea is Now that the manual training idea is fairly on its feet, a champion is wanted for that of school gardens in America. Europe is far ahead of the United States in this matter. Sweden leads the world, having 2,000 gardens, one for nearly every recently built rural schoolhouse.

Three of the professors of Bowdoin College gave much time the past summer to visiting and examining the laboratories of other colleges, with the view of perfecting their plans for the interior arrangement of the new scient fic build-Palmer, a former newspaper man, in Colonel L. W. Burr told the Kern ing to be erected as a memorial of Mrs. Mary F. S. S poses, if possible, to lay the foundation this autumn.

The age at which pupils are allowed to enter and to continue in the public schools differs greatly. Of the fortynine States and Territories six admit them at 4 years of age, nineteen at 5, twenty at 6, three at 7 and one at 8. The States admitting them at 4 are Maine, Connecticut, Florida and Montana. The chools of Alabama and North and South Dakota do not receive them till they are 7, and those of Texas exclude them till they are 8.

PURELY PERSONAL

Vice-President Morton Said to be a Practical and Common-Sense Farmer -The Duke of Norfolk.

Vice-President Morton is said to be a practical and common-sense farmer, who goes into the business in a large way in order to make money out of it rather than to drop it into it. In China a wife is never speken of by her husband in a plain and

ward way. Such playful to thorn in the ribs" and "m panion" are more usual. The Duke of Norfolk, Premier o. Britain, is about to make another grimage to Lourdes in the hope of miggating the condition of his son and heir, the Earl of Arundel and Surrey, who is blind, deaf and dumb.

George William Curtis suffered greatly from stage fright on the occasion of his first lecture, and began by saying: "Ladies and gentlemen, the pitomless bott," with a solemnity which was changed to confusion when he perceived his error. Of course, he had meant to make an allusion to the bottomless pit.

Mrs. Mary Green, aged 84 years, of Scarboro, Me., has during the past six months "spun thirty-two skeins of yarn, knitted five pairs of stockings, picked three bushels of blueberries and tended large flocks of chickens and ducks, besides doing much general housework." Dr. Susan Janeway Coltman of Germantown, Pa., owns a unique collection of cats, which she values at \$5,000.

There are twenty-two of her pets, and among them are included Skye, Zanzi-bar and feather-tailed Turkish cats, tailless Manx pussies, white Maitese, yellow Persian and English tiger cats.

jubilant over their restoration to the from the start and for a long time poprights of citizenship.
