THE CRINOLINE QUESTION IS SETTLED ONCE FOR ALL, AS THE PRINCESS OF WALES HAS TAKEN A DECIDED STAND AGAINST THE RE-ESTABLISHMENT OF HOOPS IN ANY FORM.

The New South Wales Legislative Assembly, like the Victorian Legislature, has adopted a resolution in favor of the taxing of absentee owners of property.

The cold has been excessive in St. Petersburg and for weeks wood fires have been burned in the squares and streets of the city in an effort to make necessary outdoor business endurable.

It is said that mail matter dropped in the postoffice at Paris is delivered in Berlin in an hour and a half, and sometimes in thirty-five minutes.

The medical history of cholera in Russia last summer is of a highly encouraging nature. It shows that by proper sanitary measures cholera can be kept out or stamped out to a greater degree even in districts most favorable to its development.

The long distance marching competitions by volunteer soldiers in England are discontinued by the Commander-in-chief in a recent order.

"The sentence on De Lesseps is a sentence on France," says the London Times, "and the ignominy poured down on that feeble old man is a degradation for the people who flattered and caressed and glorified him as long as the capital was left to spend."

French War Office experts are divided in opinion concerning the value or danger of E. Fal's tower in case of a siege of Paris.

A proposition is made to connect Great Britain and Ireland by a tunnel driven under the North Channel of the Irish Sea at its narrowest part.

Cesare Orsini, whose appointment as Italian Envoy to Mexico is announced, is a brother to the leader in the attempted assassination of Napoleon III.

All Europe, from the Arctic to the Mediterranean, is experiencing a winter severity this season such as it has not known for many years.

Vienna is sending invitations to all European nations to attend an International Health Congress to formulate some plan of fighting the common foe, and in England Southampton is being urged to vote money to keep up a rigid quarantine.

John Hayes Hammond, General Manager of the Bunker Hill and Sullivan silver mine at Wardner, Idaho, has received word from Northern railroads which has about convinced him that he will close down the mine.

There are estimated to be over six hundred deposits of iron ore in the State of Missouri.

Southwestern Missouri furnishes 80 per cent of the zinc ore mined in the United States.

The Pennsylvania system of railway has now a length of main track aggregating 7,979 miles.

There were 180,000 persons without occupations of any kind among the immigrants of 1892.

Ohio brickmakers are using a clay-digging machine that does the work of from seventeen to twenty men.

The largest telegraph office in the world is at the General Postoffice, London. In it there are over 3,000 operators constantly employed.

The largest needle manufactory in the world is in R-dditch, Worcester, England. Over 70,000,000 are made weekly.

The Languedoc Ship Canal in France, by a short passage of 148 miles, saves a sea voyage of 2,000 miles by the Straits of Gibraltar.

In spite of the McKinley bill the annual report of the Welsh tinplate-makers shows that 20,000 tons more tin were shipped to America last year than the year before.

On the farm of J. W. Fitzgerald, near St. Mary, Kan., there are three artesian wells that vary in depth from 800 to 1,000 feet, and about 2,400 gallons of water per hour flow from them.

OCCIDENTAL MELANGE

The Mining Fever Breaks Out at Medford, Oregon.

CRATER LAKE A SUMMER RESORT.

Mine Owners of Northern Idaho Threaten to Close Down on Account of High Freight Rates.

A burglar in one night at Phoenix, A. T., entered four offices, a bank and a stable, and was captured on the following morning.

Petitions are now being circulated in all the labor-centers in Montana for the enactment of a bill, an important section of which is as follows: "That it will be unlawful for any officer of the State of Montana or any officer of any town or city thereof to issue a license to engage in any kind of business within this State to any person or persons not citizens or not having declared their intentions to become citizens of the United States."

The mining fever has broken out in Medford, Or., and professional, business and laboring men are looking toward the hills and anxiously awaiting a settlement of the weather with a view of taking a prospecting tour.

It is reported from Central Point, a station on the Southern Pacific four miles west of Medford, Or., that the railroad company has entered into an agreement with F. T. Fradenburgh to carry passengers between that point and Crater Lake in the Cascade Mountains.

John Hayes Hammond, General Manager of the Bunker Hill and Sullivan silver mine at Wardner, Idaho, has received word from Northern railroads which has about convinced him that he will close down the mine.

PURELY PERSONAL.

The Only British Survivor of the Battle of Navarino—Li Hung Chang, Viceroy of China.

Mrs. Emma Blaine has given to the city of Augusta, Me., \$10,000 to found a library in honor of her husband's memory.

Katherine E. Conway, recently appointed one of the Police Commissioners of Massachusetts, is one of the editors of the Boston Pilot.

Fran R. P. Sisson, the first Russian woman to take the degree of doctor of medicine, recently celebrated the twenty-fifth anniversary of that event.

The next Fourth of July will be a big occasion in Newburyport, the colossal bronze statue of William Lloyd Garrison having to be unveiled at that time.

Donna Isadora Cosine of South America, who is claimed to be the richest widow in the world, has an income of \$80,000 per month from her coal mines alone.

Henry B. Fuller is writing a novel on Chicago society life. If he knows much about it and tells what he knows, his book will have a great run outside of Chicago.

BEYOND THE ROCKIES.

Governors of the Southern States to Meet at Richmond.

TAMMANY BRAVES IN THE VAN.

Cigarette-Manufacturing Knocked Out in Pennsylvania—Negroes Opposed to Lynch Law.

A sewing-machine trust is being formed in the East.

Half a million a year is to be spent to protect New York's water supply.

The amount of tobacco chewed in the United States last year was eighty-five tons.

Cruades have been started in Georgia and Massachusetts for the extermination of dogs.

The Vanderbilts are said to be after control of all the railroad traffic in New England.

The city of Philadelphia is likely to be sued by immigrants for goods ruined in dissection.

To a shortage of natural gas is attributed a great many pneumonia deaths in Pittsburgh.

A big St. Louis trader is making heavy bets that this year's crop of wheat will be larger than last year's.

A bill is pending in the Missouri Legislature fixing a maximum price of \$40 a year for telephone charges.

The Virginia State building at the World's Fair will be a copy of Washington's home at Mount Vernon.

The street railway system of St. Joseph, Mo., will be sold under foreclosure of mortgages the first week in May.

Reports show that the prices of farming land in nearly all sections of Western New York are steadily decreasing.

Governors of Southern States are asked to meet at Richmond, Va., April 2, to consider plans to develop the South.

Testimony has been introduced before the special grand jury at Newport, Ky., to show that eight Councilmen divided \$8,000 among themselves for the granting of an electric-light contract.

The colored citizens of New York city have started a movement in opposition to lynch law, and they intend to form branches in all large cities for the purpose of arousing public sentiment.

A bill has been introduced in the Missouri Legislature dividing penitentiary convicts into three classes and allowing them a certain pay per day, to be saved for them till the end of their terms.

Senator Berry of Arkansas is influenced by ex-Representative Berry of California in his action on the debris bill, and declines to make a change in the penal clause that has been suggested by Caminetti.

A company is being formed for the purchase of the New York Times. The present company is capitalized at \$100,000, but the new company will have \$1,000,000 capital, of which, it is said, \$900,000 will be paid for the Times.

A Minneapolis Legislator has taken the bull by the horns. He offers a bill making it an offense punishable by a fine of from \$5 to \$25 to manufacture or offer for sale "hoopkirts or anything like therunto, within the State of Minnesota."

The molders at Whitey's reaper and mower works at Muncie, Ind., demand an increase of wages, and say that if the company does not accede to their demands the whole factory will be tied up and 1,000 hands idle.

Tammany's banners, so ingloriously borne in Chicago when Cleveland was nominated, will appear in the van of the inaugurating parade. It is estimated that Tammany's expenses for Cleveland's glorification will aggregate \$105,000, refreshments not included.

The Railway General Managers' Association has given official notice in advance of any demands from the employees that they will not be disposed to consider any demands for an increase of wages. The association represents twenty-one railroads entering Chicago.

The estate left by Dr. Norvin Green, President of the Western Union Telegraph Company, is estimated at \$750,000, mostly in stocks and bonds. He owned four fine places of real estate in Louisville, two farms in Carroll county, Ky., another four miles from Louisville and one near Madison, Ind.
