

ON TO WASHINGTON.

The movement now being organized to mobilize the unemployed and march them to Washington...

This is the way Jerry Simpson sizes up the political situation: "Mr. Cleveland has done more in a year toward breaking up the old, conservative democratic party than everything that has been done for the last thirty years put together."

Representative Hermann has reported favorably from the committee on war claims, his bill to reimburse California, Oregon and Nevada for moneys expended by them in the suppression of the Rebellion.

Every move that is made in the English house of commons indicates that it is only a question of time when the house of lords must surrender to a house elected by the people.

No people on earth possess the power of adapting themselves to new and untried conditions, to compare with Americans. If we knew to a certainty exactly what to expect in the way of protection, or the lack of it, we would soon be doing business at the old stand.

Bradstreet's, which is acknowledged authority on trade matters, says that mills starting up to those closing down are ten to one.

There are very serious doubts as to the authority of the county court to extend the time for the payment of taxes beyond the first Monday in April, the date at which the law says they become delinquent.

The next few years will witness a decided revolution in the method of farming in this county and state. Wheat is no longer a profitable crop and will not be for some years to come.

An old subscriber asked us the other day what account the Oregon national guards were. It's difficult to tell their exact use unless it is to expend \$50,000 annually of the state taxes—\$20,000 for uniforms and \$30,000 for "sundries."

There is no reason why children should be allowed to suffer from loathsome scrofulous sores and glandular swellings when such a pleasant, effective and economical medicine as Ayer's Sarsaparilla may be procured of the nearest druggist.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for over six months.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for over six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm.
