

THAT DALLES ROAD.

We noticed in The Dalles papers last week a clipping from the Fossil Journal, advocating the opening of a wagon road from Fossil to The Dalles and suggesting that this county should make an appropriation for that purpose.

In the first place, the Journal's statements are all incorrect as to the distance to The Dalles, practicability of the route, and the benefits in prices to be gained by trading at The Dalles in preference to our home towns.

Several of our young people were out picnicking Sunday, and received the full benefit of the very copious showers. The bicycle ruffled off by Shurte Bros. was won by a drummer, who "blowed in" over \$7 for tickets.

Our popular landlord, J. W. Redford, made a trip to Gilliam's capital Wednesday on business before the county court, returning home next day. It was his first visit to Condon since it was a town, and he was surprised to see such a fine, bustling little city out there.

It comes from very bad grace, anyway, for the Journal to advocate anything of that kind that is so detrimental to our county's interests. But that has always been the Journal's policy and therefore its stand in this matter is not surprising.

Gilliam county has just expended \$3,500 on the new road out of Thirymille, solely for the benefit of the people living south of that, in order to give them a good, easy outlet to the railroad; and it would not look quite so hogish if the Journal would wait at least until the first load is hauled over it before it begins howling for the county to open up another road, that would have a tendency to take trade away from this county.

Stockmen's Protective Union. MAYVILLE, OR., May 7th.

Ed. GEORGE.—We organized the Mayville Stockmen's Protective Union on Saturday last, with 16 members. W. J. Edwards was elected chairman and myself secretary. We meet next Saturday, 11th, for the purpose of taking in such members that did not know of it.

We hope to organize a union in every town and city in the county; and if the people of Condon and vicinity wish to organize, some of us would gladly come over and help them out.

Respectfully, CHAS. B. SEBES.

Carpenters, Attention! Sealed bids will be received for an I. O. O. F. hall at Mayville, 28x54 feet, 22 ft. walls. Draft of building can be seen at the Mayville postoffice. One-third of the money to be paid when the building is enclosed; balance when same is received. Bids will be opened on June 1, 1895. We reserve right to reject any or all bids.

Messrs. C. A. Shurte and D. B. Thomas took a 40-mile ride last week, to be present at a sale—but owing to some irregularity in their calendars, which has not been very satisfactorily explained, they were several days too soon; hence had to make a second trip.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stunum, 230 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stunum is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire, and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pain. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by L. W. Darling, Druggist.
