

THE CONDON GLOBE.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

FRIDAY, FEBRUARY 21, 1896.

AN OBJECT LESSON.

The deadlock that exists in the Kentucky legislature in the senatorial contest is an excellent object lesson of that clumsy process we adopt for electing United States senators, but owing to a division on party lines, no election can be affected without the vote of the populist members, and virtually those two men have in their power to decide for the people of the entire commonwealth of Kentucky who shall represent them in the United States Senate. That is, two men can cast the vote of the entire state.

This state of affairs should be a sufficient argument in favor of electing senators by direct vote. Speaking of the deadlock in Kentucky the other day Senator Turpie of Indiana, in a speech before the senate, said:

"But whatever else may result from this deadlock in the Kentucky legislature, it should teach the people of the United States that the time has come when there should be adopted an amendment to our national constitution giving into the hands of the people the election of United States senators, that the 'ballot of opinion,' unbought and unawed, may settle the question of election to the United States senator."

Bids for the new issue of government bonds aggregating more than \$600,000,000 at prices ranging from \$1.09 to \$1.50 were opened a few days ago. The result is astonishing, and goes to show that the people have not lost confidence in the nation's ability to pay and that there are untold millions of money lying idle in the country, watching every opportunity for safe and profitable investment. How much better would it be were there no such opportunities for tying up capital; it would then be forced into legitimate business channels and become a blessing instead of a burden.

Our coast cities are not defended by great fortifications, but the nation who sends a shell whistling into one of them will pay a billion or two for the whistle.—Globe Democrat.

The City Primaries.

Twenty-eight of our citizens met in the clerk's office Thursday evening and nominated candidates for the various city offices, as follows:

For Mayor—S. B. Barker and J. W. Barr.

For Councilmen—Al Henshaw, W. L. Wilcox, P. H. Stephenson, J. W. Barr, S. B. Barker, J. M. Caldwell, W. F. Thurnagle and George Tatom.

For recorder—Ed Dunn and Wm. C. Caldwell.

For treasurer—G. W. Rinehart and J. H. Hudson.

The convention attempted to nominate two tickets, with different names, which accounts for S. B. Barker and J. W. Barr being nominated for both mayor and councilmen. After the nominations were made it was decided to name the whole ticket "Citizens Ticket," and that is the way the names will appear on the ballots.

The election will take place on Tuesday, March 3d.

The Walla Walla county court has refused to pay for all stamps and stamped envelopes used by the officials of that county. This has been and still is a big item of expense in Umatilla county's affairs, but much of it could be saved if the county court would take action similar to the Walla Walla county court. Better methods in public affairs are always worth striving for.—East Oregonian.

Populist Massmeeting.

All of the populists of Gilliam county are requested to meet at Condon on Wednesday, March 11, 1896, for the purpose of electing one delegate to the state convention and electing a county central committee and getting ready for the coming campaign. J. R. CLARK, Chairman.
