Lone Rock Riplets.

The weather has been cold and disagreeable the past week.
Grandpa Brown is still improving and the chances for getting up again are in his favor.
The populists held their primaries Saturday. Lewis Miller, Morgan and Otho Ward were the delegates chosen to attend the county convention.
Billy Brown and Uncle Alex Crawford (the only sound democrat we know of about here) seem to be well pleased with the result of the democratic convention.
Elder Goodwin is holding forth at the Baptist church every evening with a fairly good attendance. The little elder preaches long and loud, but whether he can penetrate the hard shells of skeptics and infidels of this locality is to be seen.
Mrs. Veach has traded the Lone Rock hotel and livery stable to Ira Reed for his ranch in Haystack, Grant Co. W. C. Brown has also sold his town residence to Ira for \$400. Ira says he will rent the hotel and stable and move his family to the Brown residence.

The new theory of our Lone Rock friend last week in regard to how the whiskey came to town, was pretty "slick," to say the least. Of course no one could blame him for trying to shoulder the responsibility of such unbecoming affairs on someone else, and it is very evident he is not an oriental or populist, but a K. of P.

The county road grader will be sent up from the lower county the first of next week to be put to work on the Lone Rock grade and other places needing grading. The machine requires six horses and two men to operate it but will do the work of thirty or forty men where there is no rocks to interfere with its working, with such a machine the roads in the northern part of the county should be kept in good repair.

Ajax Doings.

Our little burg is on the boom.
Frank Palmer is plowing his garden.
Blain Maley was in this section the first of the week.

Mrs. Kate Adlard has just finished planting three acres and a half of potatoes.

Ed Palmer, our road supervisor, is around looking after all those who like to work the roads.

Mrs. Ed Palmer has had the neuralgia for the last two weeks and Mrs. Ellen Palmer is teaching in her place.

Vivian Collins has just returned home from lambing, having been helping Sherman Chapel. Fred Collins is still working for him.

During the winter of 1893, F. M. Martin, of Long Beach, West Va., contracted a severe cold which left him with a cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlain's Cough Remedy, which relieved me almost instantly, and in a short time brought about a complete cure." When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief. It has been in the market for over twenty years and constantly growing in favor and popularity. For sale at 25 and 50 cents per bottle by druggists.

It will be an agreeable surprise to persons subject to attacks of bilious colic to learn that prompt relief may be had by taking Chamberlain's Colic Cholera and Diarrhoea Remedy.
