

TRAVEL WITH A FRIEND

Who will protect you from those enemies—nausea, indigestion, malaria and the sickness produced by rocking on the waves, and some times by inland traveling over the rough beds of ill laid railroads. Such a friend is Hostetter's Stomach Bitters. Ocean mariners, yacht-men, commercial and pleasure travelers and tourists testify to the protective potency of this effective safeguard, which conquers also rheumatism, nervousness and biliousness.

In the days of Queen Elizabeth each guest at a dinner party brought his own knife and spoon.

Piso's Cure for Consumption is our only medicine for coughs and colds.—Mrs. C. Belts, 439 8th ave., Denver, Col., Nov. 8, '95.

HOITT'S SCHOOL FOR BOYS

At Burlingame, San Mateo County, Cal. is one of the most thorough, careful and practical "Home Schools" to be found on the Pacific coast. It prepares boys for any university, technical school, or for active business; is accredited by the State and Stanford Universities, and under the able management of Ex State Superintendent Ira G. Hoitt, Ph. D., ranks among the first schools in the United States. Re-opens August 4.—Mining and Scientific Press.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from two to six grains. It acts directly on the blood and mucous surfaces of the system. They effect one hundred dollars for any case. It fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, etc. Hall's Family Pills are the best.

I never used so quick a cure as Piso's Cure for Consumption.—J. B. Palmer, Box 1171, Seattle, Wash., Nov. 23, 1885.

MISS CROCKER'S ROMANCE.

Cleveland Heiress to Marry the Man Whose Life She Saved.

Cleveland's wealthiest society girl has thrown over a baron who is an officer in the German army and chamberlain to Emperor William for an American gentleman. Mr. and Mrs. T. D. Crocker announce the engagement of their only daughter, Miss Laura T. Crocker, to William Hayes Acklan of Washington.

This is the outcome of something of a romance. Several years ago, when Miss Crocker was traveling in Europe, she met Mr. Acklan, then in the diplomatic service, in a French city. The next winter the acquaintance was renewed at St. Augustine, and Mr. Acklan came to Cleveland to visit the Crockers in June.

Miss Crocker, who is a superb horse-woman, saved Mr. Acklan's life during a runaway. Both were severely injured. The young man was nursed back to health under the Crocker roof and fell in love with his rescuer. The next winter they met at St. Augustine, but Baron von Eichtritz, a German nobleman of fine appearance, was also there and tried to win the heiress. He lingered, but at last was compelled to return to Germany alone.

A FAMOUS CASE.

The Davis Will Case to Be Reopened in Montana.

Mrs. Elizabeth Bowdoin of Springfield, Mass., has filed a petition in the Eighth district court of Montana for the purpose of reopening the famous will case contest involving the many millions left by the late Judge Andrew J. Davis.

Mrs. Bowdoin is a sister of the dead millionaire, and she asks the court to revoke the probate of the old will, over which the contest by the Root faction was carried on for years, and which was finally admitted to probate about a year ago under some private arrangement for the division of the estate, but which arrangement did not include some heirs-at-law who had taken no part in the original contest. Mrs. Bowdoin was one of these.

In her petition she alleges that the old will, executed in 1869, in Salt Creek township, Ia., when Davis was a poor man, was a forgery; that the body of the instrument and the signatures of Davis and three witnesses were forged. The principal point raised in the petition is the allegation of the fact that in 1880 Davis executed a will, by the provisions of which all former wills were revoked, but this will was subsequently destroyed. Mrs. Bowdoin, however, claims that the fact that it was destroyed did not revive the old will, even if the latter was genuine. The estate involved, in spite of the great litigation, is constantly increased in value, and is worth probably \$10,000,000.—Chicago Times-Herald.

At the Zoo.

Grandpa—Don't get frightened, Willie, the tiger is about to be fed; that's what make him jump and roar so.

Willie (composedly)—Oh, I ain't afraid of him, grandpa; papa behaves just like that when his meals ain't ready.—Exchange.
