When most needed it is not unusual for your family physician to be away from home. Such was the experience of Mr. J. Y. Schenk, editor of the Caduceus, Ind. Ter., Banner, when his little girl, two years of age was threatened with a severe attack of croup. He says: "My wife insisted that I go for the doctor, but as our family physician was out of town I purchased a bottle of Chamberlain's Cough Remedy, which relieved her immediately. I will not be without it in the future." 25 and 50 cent bottles for sale by Druggists.
