THE CONDON GLOBE.

FRIDAY, MAY 14, 1897.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

A large band of Greek "irregulars" are being led against the Turks by Helen Constantindas, an 18-year-old girl, a Greek Joan of Arc. A woman of this kind makes a splendid leader. She will equal the Turks in fervor. In things barbaric woman is much superior to man. She shows this even in civilized life, in dress, in the wearing of rings and other jewelry, in the painting of her face, and in the use of perfumery, in the display of color, in her love for fuss and feathers and for ceremony and in her adoration of any flesh decked in uniform that makes of man a counterfeit and not a natural human being.—E. O.

The people of Gilliam county send too much money away to the cities for goods that ought to be purchased at home. Our local merchants find it impossible to carry profitably certain lines of goods, because of the craze for "sending away" for everything they eat and wear. Every man and woman interested in this county should trade with the people who are in business here—not with Portland, San Francisco or Eastern merchants who pay no taxes here and do nothing whatever to build up the towns or the country tributary to them. Spend your money in this county, where you make it.

A druggist in San Francisco has been assessed $15,000 by a jury for destroying the sight of a child's eye by putting carbolic acid in a prescription where something else was ordered. Another druggist will pay $8000 because he substituted corrosive sublimate for a harmless drug.—Statesman. [This is one of the dangers of a drug store run by an incompetent druggist. Perhaps those druggists were not registered, either.]

Governor Lord is pardoning criminals with a recklessness equal to that formerly practiced by Pennoyer, but the newspapers don't howl so much about it now like they did then. The governor has just pardoned the Miller boys of Grant county, who were sent up two years ago for 7 and 5 years for cattle stealing.

The semi-annual statement was received last week, which shows that we are getting out of debt at about the same rate as the cat in the well, which, after climbing up four feet during the day would fall back five during the night. The county's debt is about $100,000.—Vale (Malheur county) Gazette.

This is supposed to be the era of peace, and yet there is a war in Greece, one in Cuba, one in the Philippines, one in Honduras, one in Brazil, one in Uruguay, one in Upper Egypt, one in Abyssinia, with Europe armed to the teeth and Christianity being introduced into Africa by the sword.

Nine counties have already paid their state taxes for 1896 in full. These countiesare: Jackson, Clatsop, Columbia, Coos, Lake, Morrow, Sherman, Wallowa and Wasco. As strange as it may seem to some people, the larger number of these counties are under populist control.—Eugene Guard.

Fitzsimmons has been sued for $25,000 damages by a man named Michel, of Pittsburg, Pa., caused by the famous dog Yarrum attacking him in the hotel corridor. Even a prize fighter's life has its ups and downs—particularly during a fight.

Turkey and Greece are still spitting at each other. It is more of a foot-race now than war, with Greece in the lead. Turkey demands a war indemnity of over $30,000,000 from Greece and will doubtless get it—if Greece is worth it.

The democrats of Portland have invited Wm. J. Bryan to speak there in July. Bryan is billed to speak at Los Angeles on July 7th, and will doubtless come up and speak at either Portland or Condon.

The Portland papers say that the report just issued shows remarkable prosperity for the O. R. & N Co. This, of course, is due to able management and their ad in the GLOBE.

A dispatch from London says: Oscar Wilde is still in Reading prison, but he will be released on the 18th or 19th of this month.

Judge L. L. McArthur, the well known Portland lawyer, is lying at the point of death in Walla Walla.

CONSUMPTION

Edwards at Arlington will pay stage charges on all orders from his drug store except patent medicines. As he charges only the price printed on the wrappers, you can save money by sending to him for patent medicines also.

Spices and flavoring extracts are favorite nests of adulteration; perhaps you don't care.

But *Schilling's Best* are pure and money-back.

LANDS.

All persons desiring to acquire title to any lands under the laws of the United States, or under the laws of the State of Oregon, will do well to take their business to United States Commissioner S. A. D. Gurley, at Arlington, Oregon.

Good Advice.

Don't let whisky get the best of you, but if you want the best of whisky, wines, beer, liquors and cigars, the place to find them is at the Summit Saloon, in the old drug store building. A fine pool and billiard parlor in connection. Drop in and see for yourselves. The finest line of "wet goods" in the city.

Notice to Sheepmen.

I am prepared to receive and care for bucks during the summer of 1897 on my excellent range at the forks of Buckhorn and Beaverdam creeks. My separating corral will be at my own ranch. I will make one delivery of bucks at Condon on the 18th of October and the remainder at Lone Rock on the 25th of October, 1897. I will charge one dollar per head for all bucks placed in my care.

ED COMPTON, Lone Rock.

JAMES W. SMITH

Desires to inform the people of Gilliam county that his business is running on full time at the old stand—Union Block, Arlington, Oregon; that the flashy, misleading newspaper advertisements and circular letters that are flooding the country have not affected his trade; but on the contrary, sales have been increasing. His many old friends and customers realize that no business man will give away something for nothing. What he loses on the "baits" he will more than doubly make up on the other goods he sells his customers. Look out for snares. One of our greatest statesmen 40 years ago truthfully said: "You can fool some of the people all of the time, and all of the people some of the time, but you can't fool all of the people all of the time."

James W. Smith's immense stock of goods will speak for him. Call and examine the largest stock of goods ever shown in Gilliam county. His stores are loaded from floor to ceiling, and as regards prices he will endeavor to keep in the "procession."

Many of the lines are bought direct from the East in large quantities for cash, which enables him to give his customers great inducements to favor him with their patronage.

He sells the Oliver Chilled plows and extras, including the New Departure two and three gangs, also the John Deere plows of all kinds, the Studebaker, Bain and Racine wagons, hacks and buggies, the Standard, Acme and McCormack mowers, reapers and hay rakes, the latest improved Pitts threshing machinery, the up-to-date old reliable Hodge steel-frame headers, Holt Bros. Combined Harvesters, Etc., Etc.

Camp and sheepmen's supplies a specialty. Highest prices paid for hides, pelts, etc.

When in Arlington call and get prices before closing deals elsewhere.
