

THE CONDON GLOBE.

FRIDAY, JUNE 18, 1897.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

When McKinley was elected, The sheep men were in Heaven; They talked of two-bit wool, But are selling now at seven. —Vale Advocate.

Arlington Items.

Where is that rain? J W Maguire has run his header over something like 800 acres of hay ground already.

Ex-Constable E. A. W. Barfoot and family recently moved from here to Mt. Taber, near Portland.

Quite a number of farmers are preparing for harvest, which will be a little light unless we get some rain soon.

Preparations are being made for a monster celebration here on the 4th. It will be worth coming many a mile to see.

Shorte Bros received a car load of "Plano" goods this week and have had a number of men helping to get them in running shape.

Mrs S G Hawson, who was visiting relatives and friends at Fossil the last week or two, returned Monday, which accounts for S G looking so charming.

A J Coe is having his resort repapered and painted, and we venture to say it will be the neatest place in town to get a real nice "lemonade" on a hot day.

Quite a number of wool buyers were in town last week. We only record one sale, that of Tim Connelly, who sold for 7 1/2c. Most all the wool men are holding for 8 cents.

Some times his old friends ask us, "where is Fred Snow, who used to be with C S Wenner?" Fred is in Portland in the employ of Lang & Co, wholesale grocers, and is doing well, we are glad to state.

J A Thomas, formerly president of the Arlington National bank here, seems to be having rather a hard deal. We understand Joe is on the Sound interested in coal mines, but his prospects are not as favorable as he would wish it.

It is reported here that Harry Reed of the stage line is about to commit matrimony. We wish him everything good, etc. Geo Rose took his place on the stage Monday—and, by the way, he made better time than usual. George knows just where to "hit 'em on the back" to make time.

Lone Rock Rumbblings.

Crops would be benefitted by a good rain just now.

The first crop of alfalfa is being harvested and is a good yield.

Miss Dolly Blake and Brother Jay of Condon visited friends here this week. Geo. Perry and Lewis Miller were both doing business at the county seat within the last week.

A D Slack was elected C O and Morgan Ward V C last Saturday evening for the ensuing term in the K P lodge at this place.

The ladies decided at their meeting last Saturday that they would not organize the Rathbone degree of the K P order just now.

W A Fisher of Hay Stack came to town the first of the week with a load of cherries, the first that have been brought in this season.

The Indians and boys of this valley have been having lots of fun running horses here of late, with honors about even as to the wealth that has changed hands.

The people of Lone Rock have concluded to celebrate the coming 4th of July in a manner that will reflect credit on the people of this section of country. The necessary committees have been appointed to arrange for the different parts of the program. Everybody are invited to attend and have a good time. In order to give strangers and visitors an opportunity to put in a week, if they want to, camping in the mountains, we have concluded to celebrate on Monday, the 5th. It is the calculation to have a fine display of fireworks. The young folks will have a dance in the evening. This will be the last Fourth of July celebration this year, so don't miss it. Basket dinner at the hall.

Olex Explosions.

The male social was an entire success. There is quite a number hauling wood from the mountains now.

The change of schedule from Olex to Eightmile gives entire satisfaction.

A S Thomas took his mother, Mrs Julia A Thomas, to Mayville Monday.

Miss Lena Snell, one of The Dalles teachers, is at home for a short vacation.

The atmosphere has changed again, cooler, which is for the benefit of the grain.

Between grasshoppers, dronth and dishonesty, Gilliam county still holds her head up and will in spite of fate raise some wheat this year.

Fred Cooper was bitten by a large rattlesnake Friday. The fangs entered the young man's wrist, inflicting a dangerous wound. When last heard from he was recovering.

Cheap—we mean it; your money back if you don't like

tea, coffee, baking powder, soda, flavoring extracts and spices.

Schilling's Best.

The Only First-class Blacksmith and Horseshoer in the County. MAIN STREET, CONDON, OREGON.

JAMES W. SMITH

Desires to inform the people of Gilliam county that his business is running on full time at the old stand—Union Block, Arlington, Oregon; that the flashy, misleading newspaper advertisements and circular letters that are flooding the country have not affected his trade; but on the contrary, sales have been increasing. His many old friends and customers realize that no business man will give away something for nothing. What he loses on the "baits" he will more than doubly make up on the other goods he sells his customers. Look out for snares. One of our greatest statesmen 40 years ago truthfully said: "You can fool some of the people all of the time, and all of the people some of the time, but you can't fool all of the people all of the time."

James W. Smith's immense stock of goods will speak for him. Call and examine the largest stock of goods ever shown in Gilliam county. His stores are loaded from floor to ceiling, and as regards prices he will endeavor to keep in the "procession."

Many of the lines are bought direct from the East in large quantities for cash, which enables him to give his customers great inducements to favor him with their patronage.

He sells the Oliver Chilled plows and extras, including the New Departure two and three gangs, also the John Deere plows of all kinds, the Studebaker, Bain and Racine wagons, hacks and buggies, the Standard, Acme and McCormack mowers, reapers and hay rakes, the latest improved Pitts threshing machinery, the up-to-date old reliable Hodge steel-frame headers, Holt Bros. Combined Harvesters, Etc., Etc. Camp and sheepmen's supplies a specialty. Highest prices paid for hides, pelts, etc.

When in Arlington call and get prices before closing deals elsewhere.
