

THE CONDON GLOBE.

FRIDAY, SEPTEMBER 10, 1897.

NOTICE.

The yearly subscription to the GLOBE is \$1.50, paid in advance. If not paid in advance \$2 will be charged. A pencil mark around this notice indicates that your subscription has expired. Please renew promptly.

GLOBOSITIES.

Now for some horse racing. Come to the races on the 17th and 18th of this month and enjoy yourself.

Lost.—A pair of shears. Finder leave same at this office and no questions will be asked.

We are great on poetry and posters, and invite competition with our Cavern cotemporary.

P. H. Stephenson bought a few "Ludwig" pianos from the Jacobsen Book & Music Co. last week.

The man with the dyspepsia who can't see any signs of returning prosperity is missing a whole lot of fun.

If you want a piano or organ, be sure to write to the Jacobsen Book and Music Co., The Dalles, Or. Catalogue free.

S. B. Barker returned from Portland Sunday evening. Mr. Barker's fall and winter stock of goods will soon arrive.

Miss Louella Maddock left Wednesday morning for Westfall, Malheur county, where she will teach school this fall and winter.

Posters were printed at this office this week announcing the races that are to be run on the Condon track the 17th and 18th of this month.

James Dollie Blake and Emma Renner left last Friday for Pendleton, where they will enter St. Joseph's Academy for the ensuing year.

Mrs. Herbert Halstead of Lost Valley came over with her children this week to visit a few days with her parents, Mr. and Mrs. Rinehart.

Mr. E. Jacobsen left on Wednesday's stage for The Dalles. He will return in a few days and go on to Fossil where he has opened a music store.

H. D. Randall, of Olex, presented this office with a box of delicious peaches and silver prunes this week. They were of the finest quality we have seen this season. Many thanks.

"Klondike"—A 500-page book, with map 18x24 in.—just out. It tells you all about Alaska and its mining laws. Subscribe at once. August Anderson, Agent, Condon, Or.

Miss Ethel Parman and Miss Blanche McElloffe will start to-day (Friday) for Forest Grove, where they will attend school for the ensuing year. Mrs. Parman will accompany them as far as Arlington.

All the race horses from the surrounding towns will be in Condon on the 17th and 18th to take part in the races. A good many of the Antelope sports are expected here also. Come on boys! We will guarantee to you a welcome reception.

We received a few items from the "jungle" this week but, as we were unable to make out the writing, they of course landed in the waste basket. We hope the party who wrote them will do better the next time. The envelope had Prairie City's post mark stamped on it.

The number of pupils in the schools of the United States last year was 16,415,197, an increase of nearly 5,000,000 since 1890. This belongs among the biggest prosperity items. The best things that are raised on our farms or produced in our towns and cities are, after all, our boys and our girls.

FOR SALE.—I have for sale several well-improved ranches, situated in Gilliam county, Or. Parties wishing to purchase a good ranch on reasonable terms, are respectfully invited to call at the National Bank in Arlington and see me before purchasing elsewhere. F. T. Harbort, Arlington, Or.

The Jacobsen Book & Music Co. of The Dalles were loading wagons for Fossil last Monday. Mr. Jacobsen says he will sell out his pianos and organs this week and leave for home next Saturday. The Globe hopes to see his smiling face in Condon oftener in the future, as he has had considerable business (?) over at Clem lately and it is rumored that he is going to open a music store over there shortly. That music store yarn don't go at this office. Mr. Jacobsen has his eye on a charming young lady over there and we think the music store racket is only a blind to throw us off the track.

The Oregon Game Law.

Here is Oregon's game law in a nut shell. Game and fish can be killed only during the following seasons: Crouse, Mongolian pheasants and quail, September 1, to December 1. Prairie chickens, July 1, to October 1. Wild ducks and water fowls, September 1 to March 15. Deer, mountain sheep, etc., August 1 to December 1. Killing for bides or parts of carcass only is prohibited. Killing spotted fawn is prohibited. East of the Cascades it is unlawful to kill at any time Chinese pheasants, quail or Bob White quail. Trout, April 1 to November 1. Salmon, December 15 to November 1. Explosives to kill fish, nets, seines, obstructions to free passage of fish, etc., prohibited.

Peaches! Peaches!

Nice Cling and Freestone peaches in abundance going at 25 cents per bushel at Marvel's, on Rock Creek.

An Awful Accident.

Mr. L. L. Shelly of Mayville, is lying at the point of death at the Rinehart hotel in Condon, the result of an accident he met with at Charley Fix's new barn Tuesday evening. It is said that he got down from his wagon and dove the team under the shed, and in doing so he was caught between the building and wagon in some way and could not stop the horses in time to save himself from being very badly injured. Dr. Hogan is doing all in his power to save the unfortunate man's life but the chances are strongly against him, as we are informed that his limbs are paralyzed and he has prepared for death if it should come. H. B. Hendricks was called in "Wednesday morning and Mr. Shelly made his will, leaving his estate to his father, Mr. John Shelly, who resides in Lane county.

Later, Mr. Shelly died Wednesday night about 10:30 o'clock. The remains will be taken to Mayville and the funeral will take place this (Thursday) afternoon about 4 o'clock, after which the burial will take place in Mayville cemetery.

One-half inch of rain fell Tuesday. Born, Aug 30, to the wife of R. Brown, of Haystack, a daughter.

Perry Ham and wife spent several days in Heppner last week.

Dr. Griffin of Arlington, is visiting friends in Lone Rock this week.

RT Cox of Arlington, was in town the first of the week. He has 800 head of bucks for sale.

Mrs W H Colwell has been dangerously ill the past week, but is improving slowly at this writing.

Prof S I Stratton will take charge of the school here next Monday. We will have a six months' term of school this fall and winter.

We are informed that Mr Harry Cummings and Miss Emma Harer were married at Hardman last week. The happy young couple was formerly of Lone Rock and their many friends here wish them much happiness.

Condon Sports.

When Condon sports make up their minds to have a little sport they are going to have it. They decided to have some horse racing before the racing season closed and called a meeting last week for the purpose of electing officers and preparing a program. J. W. Barr was elected chairman; T. G. Earhart, president, and P. H. Stephenson, secretary. The board of directors were elected as follows: S. B. Barker, T. G. Johnson and Ed Dunn. Judges: W. L. Wilcox, J. W. Barr and H. C. Strickland. In another column will be seen the program for the two day's racing.

Mayville Mutterings.

LC Lillie's new barn is completed. Miss Maggie Wilson is teaching school at West fork.

Miss Welch, of Fossil, is visiting Mrs Quinn, of this place.

William Keys is talking of putting up a store building at this place. Good.

What's the matter D C? You have an unusual broad smile on your countenance these days.

Miss Neva Graham has returned to Mayville from a two months' visit in The Dalles and Sherman county.

Harvest is in full blast in this section. The rain has interfered somewhat with threshing, but the weather looks more favorable for harvesters at this writing.

Times are certainly going to be better, as insurance agents are doing this section. Walter Campbell, of The Dalles, is here this week. Why not insure some young lady's life Walter?

Lightning killed eight head of Mr J Edwards' cattle last week. The lightning first struck the wire fence and ran along on the wire for about half a mile, burning the wire in two in two places and then jumped off onto the cattle, killing them instantly.

A Double Wedding.

Wilson and Mrs. Goldie Fisher, residents of Fossil, were married Saturday, Sept. 4th, 1897, in the Condon hotel parlors. The Place Where You Get the Most Change Back.

Of course when you are buying harness and saddles you want the best. I keep in stock only the very best material, and while maintaining my reputation in this respect, I go to the other extreme in keeping prices down to the lowest point. I know that nothing builds up business like the selling of first-class goods. I sell them, and don't sell anything else. When you need anything in my line, give me a call, and like the fable of the cat, "you'll come back again."
