

THE CONDON GLOBE.

FRIDAY, SEPTEMBER 17, 1897.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

Mayville Mutterings.

Mrs. Lydia Carl is quite sick and under the doctor's care.

What will J. C. lately? Has your girl gone back on you, John?

Miss Lillie Akins, Winlock's new postmistress, is visiting friends in Mayville this week.

Several of our young people spent a very pleasant evening at the home of Wm. Keys Thursday.

T. C. Livingston has had quite a quantity of fruit canned this fall. What's going to happen, Tommy?

Wm. Wehrli received a severe kick from one of his horses this week. Luckily no bones were broken.

Miss Maggie Wilson closed her term of school on Trail Fork last week and will commence teaching the Mayville school Sept. 27th.

A. J. Shelton is hauling lumber this week to enlarge his hotel. When completed it will be as large and commodious as any hotel in the country.

Chandler Graham fell off a horse and broke his arm last week. Taylor Brandon's little boy met with a similar misfortune by falling off a header box and breaking his arm.

Two sermons were preached in our new church Sunday. Rev. Lawson preaching in the morning and Rev. Fredenburg of Moro in the evening. Rev. Hargraves of Grass Valley will preach here next Sunday.

Miss Ida Mowry of Moro, who has been visiting her friends, Misses Graham, left last Friday for her home, accompanied by Miss Jennie and Johnnie Graham. A delightful surprise party was tendered Miss Mowry before leaving here.

Mr. and Mrs. Chas. B. Sears have left for Portland. Their many friends regret very much to see them leave this section, and hope they will come back again. They traded all of their property here for 700 acres of very valuable land near Portland.

The editor of an exchange, while out walking one evening recently, strolled past a church where revival meetings were being held and heard some one singing in a loud, clear voice, "Jesus paid it all." Glancing in at the window he discovered the singer, who proved to be a delinquent subscriber, owing for three years subscription to his paper. The editor concluded that when the settlements were being made his account had been overlooked.

HORSE RACING AT CONDON

SEPT. 17-18, 1897.

The Place Where You Get the Most Change Back.

Of course when you are buying harness and saddles you want the best. I keep in stock only the very best material, and while maintaining my reputation in this respect, I go to the other extreme in keeping prices down to the lowest point. I know that nothing builds up business like the selling of first-class goods. I sell them, and don't sell anything else. When you need anything in my line, give me a call, and like the fable of the cat, "you'll come back again."

T. L. PORTWOOD, Condon.

Notice to Taxpayers.

The County Board of Equalization for Gilliam county, Oregon, will meet at the clerk's office of said county at Condon, Oregon, on Monday, September 27, 1897, and continue during the week, for the purpose of adjusting the assessment roll of said county for the year 1897. All persons not satisfied with their assessments should appear before said board at that time and place.

MYRON O. CLARKE.

Assessor of Gilliam County, Oregon.

Dated this 30th day of Aug., 1897.

Look your machines over and tell Shorte Bros. your troubles. They will save you money on extras of all kinds.

Good Advice.

Don't let whisky get the best of you, but if you want the best of whisky, wines, beer, liquors and cigars, the place to find them is at the Summit Saloon, in the old drug store building. A fine pool and billiard parlor in connection. Drop in and see for yourselves. The finest line of "wet goods" in the city.

The Wasco Warehouse Co. has wool sacks, fleece twine and sack twine for sale at Arlington.

Notice to Sheepmen.

I am prepared to receive and care for bucks during the summer of 1897 on my excellent range at the forks of Buckhorn and Beaverdam creeks. My separating corral will be at my own ranch. I will make one delivery of bucks at Condon on the 18th of October and the remainder at Lone Rock on the 25th of October, 1897. I will charge one dollar per head for all bucks placed in my care. Ed Compton, Lone Rock.

Just received at Lord & Co.'s, a carload of Seeders, Drills, Wood-frame and Iron Harrows; Gang, Salky and Steel-beam Walking Plows, at best-rock prices.

To The Public.

Have taken charge of the old Dodge City stables in Arlington and hope my friends from everywhere will remember me when they come to town. My rates are very moderate and the very best care is taken of stock left in my care. Give me a chance. J. F. THOMAS.

Lord & Co. have just received a carload of high-wheel, wide-tire wagons. Parties wishing that kind of a wagon would do well to see them before purchasing elsewhere.

NOTICE.

MAIN STREET, CONDON, OREGON.

JAMES W. SMITH

Desires to inform the people of Gilliam county that his business is running on full time at the old stand—Union Block, Arlington, Oregon; that the flashy, misleading newspaper advertisements and circular letters that are flooding the country have not affected his trade; but on the contrary, sales have been increasing. His many old friends and customers realize that no business man will give away something for nothing. What he loses on the "bait" he will more than doubly make up on the other goods he sells his customers. Look out for snares. One of our greatest statesmen 40 years ago truthfully said: "You can fool some of the people all of the time, and all of the people some of the time, but you can't fool all of the people all of the time."

James W. Smith's immense stock of goods will speak for him. Call and examine the largest stock of goods ever shown in Gilliam county. His stores are loaded from floor to ceiling, and as regards prices he will endeavor to keep in the "procession."

Many of the lines are bought direct from the East in large quantities for cash, which enables him to give his customers great inducements to favor him with their patronage.

He sells the Oliver Chilled plows and extras, including the New Departure two and three gangs, also the John Deere plows of all kinds, the Studebaker, Bain and Racine wagons, hacks and buggies, the Standard, Acme and McCormack mowers, reapers and hay rakes, the latest improved Pitts threshing machinery, the up-to-date old reliable Hodge steel-frame headers, Holt Bros. Combined Harvesters, Etc., Etc.

Camp and sheepmen's supplies a specialty. Highest prices paid for hides, pelts, etc.

When in Arlington call and get prices before closing deals elsewhere.
