

THE CONDON GLOBE.

FRIDAY, SEPTEMBER 24, 1897.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

Arlington Items.

Wheat went down again to 70 cents Monday.

Lord & Co received a carload of wagons this week.

We notice O S Wenner sailing around in a fine new buggy, recently purchased of Shurte Bros.

The Arlington Orchestra returned from Condon Saturday and report having had a very good time out there.

W G Flett has been making numerous improvements about his residence here. His family will move in soon.

The Hotel De Carlisle has had a very satisfactory run the past week, the result of too much "tanglefoot."

R E Jackson is in charge of Judge Mariner's store at Blalock. The judge has been in ill health for sometime.

Robt Spencer, the enterprising farmer from near Olex, was in town this week. He has 5000 bushels of fine wheat this year.

We propose to have electric lights in our city next month. Our enterprising electrician, R H Robinson, expects to put in a plant soon.

J L Blalock is on the sick list. Mrs A W Sharrard and Mrs Gager have not improved much in health, Mrs Gager being in a very critical condition.

J W Smith came up from his home in California last week to look after his business interests at this place, and expects to remain here about a month.

Mr W E Sproat, who has been night operator at this place for quite a while, was transferred to Albina this week. Mr Clinton, of Umatilla, will take the former's place here.

Smith Bros. will market at Blalock about 30,000 bushels of wheat from their Gilliam county ranch. They are running two combined harvesters, and are about half through with their harvesting.

A colony of immigrants, 22 in number, have just come out from Nebraska with the intention of locating in this country. They shipped all their goods out, including a number of mules. They are now looking around Bickleton.

W S Farr has purchased the Sprinkle property, now occupied by F W Tobey. Mr Tobey has purchased the McFarland property, now occupied by O D Sturges. We understand there are a number of other deals on foot which have not yet been made public.

Lone Rock Rumbblings.

James Vickers is still very low, but we hope to see him pull through.

Frank Ralston, of the firm of Ralston & Son, left for Portland the first of the week to purchase a stock of goods for their new store.

Mrs. Wick has returned home from her month's outing in the mountains. Her son Julius did not return with her, as she expected.

Stockmen are wishing for more rain, as the grass is well started and, with a little rain, soon would make fine fall pasture in this section of country.

James Bennett took a shot at some boys whom he caught in his orchard the other evening. The shot he had in his gun was too small for the distance he had to shoot—but he has some larger shot now, and probably next time he finds them stealing his fruit he will make it hot for them.

Who is Kemp?

Never heard of him before, but the writer would like to have him rush into print with his piano fairy tales. Truth does not hurt anybody, but fairy tales don't go here in the West. And if Mr. Kemp will kindly put into print his "yarn," Jacobson will give him the biggest lot of free advertising he ever got.

E. JACOBSEN.

Carratt, Arlington's reliable photographer, is now permanently located in Arlington, two doors north of postoffice. My work is my success. Respectfully, H. B. CARRATT.

Public Sale.

The personal property of the late John Sing will be sold at public auction at the farm, one mile southeast of Condon, on Oct. 9th, at 1 o'clock p. m., as follows:

Five good work horses, 1 pony, 1 wagon with rack, 2 plows, 1 set of harness, household goods including 1 good No. 8 cookstove, 1 heating stove, log chain and numerous other articles.

All sales under \$5 must be paid cash down; over that amount nine months' time, with good security, will be given, or 10 per cent off for cash.

Mrs. LENA E. SING,
JOHN H. KNOX,
Executors.

Do you know the meaning of Schilling's Best?

It means

tea coffee baking powder
soda flavoring extracts
and spices

of as high grade as can be maintained without extravagance.

Look your machines over and tell Shurte Bros. your troubles. They will save you money on extras of all kinds.

Good Advice.

Don't let whisky get the best of you, but if you want the best of whisky, wines, beer, liquors and cigars, the place to find them is at the Summit Saloon, in the old drug store building. A fine pool and billiard parlor in connection. Drop in and see for yourselves. The finest line of "wet goods" in the city.

Just received at Lord & Co.'s, a carload of Seeders, Drills, Wood-frame and Iron Harrows; Gang, Sulky and Steel-beam Walking Plows, at bed-rock prices.

To The Public.

I have taken charge of the old Dodson livery stables in Arlington and hope my friends from everywhere will remember me when they come to town. My rates are very moderate and the very best care is taken of stock left in my care. Give me a chance.

J. F. THOMAS.

Lord & Co. have just received a carload of high-wheel, wide-tire wagons. Parties wishing that kind of a wagon would do well to see them before purchasing elsewhere.

MAIN STREET, CONDON, OREGON.

JAMES W. SMITH

Desires to inform the people of Gilliam county that his business is running on full time at the old stand—Union Block, Arlington, Oregon; that the flashy, misleading newspaper advertisements and circular letters that are flooding the country have not affected his trade; but on the contrary, sales have been increasing. His many old friends and customers realize that no business man will give away something for nothing. What he loses on the "baits" he will more than doubly make up on the other goods he sells his customers. Look out for snarers. One of our greatest statesmen 40 years ago truthfully said: "You can fool some of the people all of the time, and all of the people some of the time, but you can't fool all of the people all of the time."

James W. Smith's immense stock of goods will speak for him. Call and examine the largest stock of goods ever shown in Gilliam county. His stores are loaded from floor to ceiling, and as regards prices he will endeavor to keep in the "procession."

Many of the lines are bought direct from the East in large quantities for cash, which enables him to give his customers great inducements to favor him with their patronage.

He sells the Oliver Chilled plows and extras, including the New Departure two and three gangs, also the John Deere plows of all kinds, the Studebaker, Bain and Racine wagons, hacks and buggies, the Standard, Acme and McCormack mowers, reapers and hay rakes, the latest improved Pitts threshing machinery, the up-to-date old reliable Hodge steel-frame headers, Holt Bros. Combined Harvesters, Etc., Etc.

Camp and sheepmen's supplies a specialty. Highest prices paid for hides, pelts, etc.

When in Arlington call and get prices before closing deals elsewhere.
