Fraser, county clerk of said Gilliam county hereby certify that the foregoing transcript has been by me carefully compared with, and is a true copy, and the whole thereof of the original docket entries of the county court proceedings of Gilliam county, Oregon, January term, 1898. In witness whereof, I have hereunto set my hand and affixed my official seal this 12th day of January, 1898. H. N. FRASER, County Clerk.

NON-ALCOHOLIC. No man who lives on meat was ever known to lick his wife, or ask for a divorce. A vegetable diet woman is as cold and clammy as a turnip. If you want your girl to have rosy cheeks and vitality in her motion, feed her on beef steak with occasional doses of Dr. Hawson's Tonic Bitters. Sold everywhere. The Wasco Warehouse Co. has wool sacks, fleece twine and sack twine for sale at Arlington.

Deputy Stock Inspectors. I have appointed as my deputies the following persons: W. H. Colwell, Arlington. L. B. Townsend, Condon. Fred A. Hale, Forest. R. M. JOHNSON, Lone Rock. Stock Inspector for Gilliam County, Oregon.

To The Public. I have taken charge of the old Dedson livery stables in Arlington and hope my friends from everywhere will remember me when they come to town. My rates are very moderate and the very best care is taken of stock left in my care. Give me a chance. J. F. THOMAS.

Good Advice. Don't let whisky get the best of you, but if you want the best of whisky, wines, beer, liquors and cigars, the place to find them is at the Summit Saloon, in the old drug store building. A fine cool and light parlor in connection. Drop in and see for yourselves. The finest line of "wet goods" in the city.

The Wasco Warehouse Co. has wool sacks, fleece twine and sack twine for sale at Arlington. Seed Potatoes for Sale. I have at my ranch near Clem two varieties of fine potatoes—one purple, with white around the eyes that I imported, and is called the "Centennial"; the other I originated here and have named it "The Gold Standard" because I don't think it will depreciate in value as a food. Both kinds are snow-white inside and of a most delicious flavor. They are easily grown without cultivation, and the yield is very large. They grow to enormous size, many of them 5 and 6 pounds apiece. I can spare a few of these potatoes for seed at 25c per 100-lb. lot, or 2c for smaller lots, at my ranch. Those wanting any of them must order soon, as the supply is limited. Z. T. DODSON.
