To Whom It May Concern.

Having been informed that the agents of another Insurance Association circulated the report that the Mutual Protective Insurance of Portland, Oregon, did not pay in full the amount of insurance on my dwelling, which was destroyed by fire in September last, and which was insured in that Association for \$900, I hereby state that such report is absolutely untrue. That said association, not only paid the full amount of their policy on said dwelling, but they paid \$150 therefor before the same was due, according to the terms of their policy, in order to accommodate me, and I would further state that I am entirely satisfied with the treatment I have received from the Association, and cheerfully recommend them for the manner in which they adjusted and settled my loss.
