President McKinley was determined that the commissioners should travel in a style proper to the dignity of the country and the importance of the mission that they have to accomplish.

Talking About Hats.

You will find our
New Fall Hats
Absolutely Perfect.

The hat market is full of trash, and even trash sometimes looks well, but it will not wear. You'll have to look elsewhere for trash, however, we don't keep it. Our new soft and stiff hats are of such style, character and finish that yourself and your friends will show your knowledge of what's what by wearing them.

We are showing a fine line of Ladies' and Misses' Jackets and Capes, at bed-rock prices. Call and examine them.

If you are in need of anything in foot-wear, we have it for large or small feet. We also have a complete assortment of children's misses', ladies' and men's underwear.

There's no "SOFT SOAP"

about this talk. It's a plain, straight, business talk, about the very best kinds of soap obtainable. We keep them, you should use them. Why use nasty harsh laundry soap in your bath when you can get the best brands of the toilet article at our store at moderate prices. A dozen brands to choose from, all good.
