PASSENGER TRAIN DERAILED.

Midnight Adds Horror to the Sufferings
of the Injured.Kansas City, June 12.—Forty-eight
passengers were more or less seriously,
three perhaps fatally injured by the de-
railment of train No. 4, south bound
on the Kansas City, Pittsburg & Gulf
railroad, two miles south of Granview,
Mo., at 9:30 last night. The injured
were brought to this city this morning
and the seriously hurt were taken to
St. Joseph's hospital and others to the
Savoy hotel. Those considered fatally
injured are Mrs. C. B. Chandler, Jan-
don, Mo.; A. J. Gorgenson, news
agent, Kansas City; G. I. Crawford,
Drexel, Mo. Nearly all the injured
are Missouri people.The wrecked train left Kansas City
last night at 8 o'clock. Two miles
south of Kansas City, the train was
derailed by spreading rails, the track
having been damaged by recent severe
rains. The smoker which contained
most of the injured, and the chair car
immediately following, were turned on
their side into a ditch. The Pullman
left the track, but remained upright.
The engine and combination baggage
and mail car remained on the track.The accident occurred during a
heavy downpour of rain. The crew
went to work with a will to rescue pas-
sengers. Women and children were
dragged from the windows of the chair
car and attended to as well as possible
under the circumstances. Before all
had been taken out fire started in the
rear car.The porter of this car earned great
praise for his presence of mind in cut-
ting his way through the roof, quench-
ing the fire and rescuing several women
in imminent danger.In the smoker, which was well
filled, the passengers were compelled to
crawl cautiously the full length to the
rear door to escape, exit through the
broken windows was dangerous, the
darkness making it impossible to see a
foot ahead. The scene of the wreck
was in the woods, and there was no
house near to which the injured could
be taken. For the immediate care of
the injured fires were built along the
track.As soon as possible the news of the
wreck was sent to Granview and a re-
lief train was started from Kansas City.
The train moved at 3 A. M. and
took back to Kansas City all of the in-
jured.

CUBANS GIVE UP THEIR ARMS.

Then Buy New With \$75—Many Things
to Anger Them.New York, June 12.—The Rev. Al-
fred de Barritt, who four months ago
founded the Congregational church in
the city of Havana, has returned to
this country for aid in his religious
and educational work in Cuba. Dr. de
Barritt spoke today about present con-
ditions in Cuba and about the possibility
of an outbreak against the Americans."If this occurs," he said, "it will
be the fault of the Americans. The
Cubans are a peaceful people, but they
are also proud and sensitive, and many
things have been done recently to anger
them. The Cubans feel that they are
being treated very much as though they
had been conquered by us. At any
rate, the Washington authorities should
do away with the present military gov-
ernment. It is worse than unsuccess-
ful. A great many of the American
officers do not like Cubans and don't
scruple to let this be known. How
can you expect the Cubans to like
them? General Brooke and General
Lee are liked and trusted, but their in-
fluence for good is nullified by the at-
titude of other officers."The payment of the Cuban troops
and requiring them to lay down their
arms was a mistake. The disarming
was a great humiliation to the men,
and the first thing a good many of them
did with their \$75 each was to buy
new guns and machetes. There is as
yet no distinct idea in the minds of
the majority of people as to what they
really want, whether annexation or in-
dependence. But they obtain their
ideas of the United States government
from the American officers and these
ideas are not favorable."

President Names Canal Commission.

Washington, June 12.—The presi-
dent today appointed the following
commission to determine the most fea-
sible and practicable route for a canal
across the isthmus of Panama: Rear-
Admiral John G. Walker, United
States navy; Hon. Samuel Pascoe,
of Florida; Alfred Noble, civil engineer,
of Illinois; George S. Morrison, civil
engineer, of New York; Colonel Peter
Haines, United States navy; Professor
William H. Burr, of Connecticut;
Lieutenant-Colonel Oswald Ernest,
United States army; Lewis M. Haupt,
civil engineer, of Pennsylvania; Pro-
fessor Emory R. Johnson, of Pennsylv-
ania.

England May Aid the Cable.

London, June 12.—The Times says
the British government has consented
to consider its attitude toward the
Pacific cable project as the result of
urgent representations from Canada
and the colonies, and is now inclined
to utilize British credit in providing
the necessary capital.

Woodmen Will Meet at St. Paul.

Kansas City, June 12.—The head
camp of Woodmen of America selected
St. Paul as the place of meeting in
1901.

Flood in Kansas.

Wichita, Kan., June 12.—One hun-
dred and thirty feet of track on the
Santa Fe is washed out north of this
city, and trains are stalled. Five thou-
sand acres of lowland are under water.
The Arkansas river is the highest since
1877, and is still rising, and a flood is
predicted within 24 hours.A nephew of General Merritt was re-
jected in the West Point examination
because of defective eyesight.

FIGHT NEAR MORONG

A Reconnoitering Party At-
tacked by Rebels.

ONE AMERICAN WAS KILLED

Fought Their Way Back to Camp
Through the Enemy—Reinforce-
ments for Otis.Manila, June 12.—A reconnoitering
party of 25 American soldiers, in the
hills in the vicinity of Morong yester-
day, were attacked by 300 rebels. The
Americans fought their way to camp
through the enemy and inflicted severe
losses on them. The American chief
was killed. Five insurgents were cap-
tured and taken to Morong.The rebels are extremely active.
The garrison of cavalry and North Da-
kota infantry are throwing up in-
trenchments.

Ten Thousand Men for Otis.

Washington, June 12.—The solu-
tion of the problem of how to reinforce
General Otis without calling for volun-
teers or reducing below the danger line
the reserve force in the United States,
was reached at a meeting of the cabinet
today. Attorney-General Griggs an-
nounced his opinion that the army re-
organization bill, fixing the maximum
strength of the army at 65,000 men,
did not include the enlisted force of
the hospital corps, and the regular
army can be increased by that number.As the enlisted hospital corps aggre-
gate 3,000 men, the opinion of the at-
torney-general gives that many more
men to the regular army for Manila.Major-General Shafter has now at
the Presidio in California, ready for
early shipment to Manila, 3,400 re-
cruits.Word was received by the war de-
partment today that the Nineteenth
infantry, under orders to go to the Phi-
lippines, which came back from Porto
Rico only 100 strong, had today been
filled to its full quota of 1,300 men by
recruits enlisted at Camp Meade.The regiment will be sent to General
Otis at once. In addition, the Twenty-
fourth and Twenty-fifth infantry reg-
iments, negroes, every company recruit-
ed to its full strength are under orders
to go to the Philippines, which will
give General Otis 2,400 more fighting
men in good condition. The Four-
teenth infantry, also fully recruited,
and part of the Fourth artillery, are at
the Presidio, awaiting orders to sail.
Thus, without issuing a call for volun-
teers, the president can send General
Otis a force slightly in excess of 10,
000.General Otis has been instructed to
organize several skeleton regiments of
volunteers who may accept the proposi-
tion to re-enlist for service until July 1,
1901. These skeleton organizations
are to be officered by volunteer officers
to be selected by General Otis from
the 14 volunteer regiments now with
him, and are to be increased to the
maximum strength by regulars sent
from here.

No Limit to Enlistments.

Chicago, June 12.—Captain P. H.
Boones, of the army recruiting station
in this city, has received instructions
from the war department to enlist an
unlimited number of men for service in
the Philippine islands.

LYNCHINGS IN CUBA.

Bandits Disposed of in the Southern
Style.Santiago de Cuba, June 12.—Gen-
eral Wood has been notified that An-
tonio Garcia, chief of the Holquin
bandits, who was captured by the rural
guards, has been hanged by the civil
guards. Seven men belonging to Garcia's
band voluntarily surrendered to the
rurals, but General Wood has instructed
the commanding officers to accept no
surrenders hereafter, but to capture the
bandits as highwaymen or murderers.Two robbers were lynched by Cubans
near Puerto Principe, two days ago.
At Sonora, recently, six bandits were
badly beaten by employees of sugar
estates, where they attempted to com-
mit robbery.

Fits Knocked Out.

New York, June 10.—James J.
Jeffries, another sturdy young giant,
has come out of the West to whip
champion pugilists. At the arena of
the Coney Island Athletic Club to-
night he defeated Robert Fitzsimons,
world's champion in two classes—
middle-weight and heavy-weight—
in 11 rounds of whirlwind fighting.
He is the acknowledged master of the
man he defeated. He was never at
any time in serious danger, and, after
the size-up in the early rounds of the
contest, took the lead. He had the
Australian whipped from the ninth
round.

Transvaal Dispute.

London, June 12.—The Westminster
Gazette this afternoon says a rumor is
current from a well-informed source
that it has been proposed in a responsi-
ble quarter that the United States
mediate between the Transvaal and
Great Britain. It is added the sugges-
tion is being considered, and that it is
"not ever improbable that mediation
may be undertaken."

Slide in White Pass.

Nanaimo, B. C., June 12.—The
steamer Amor, Captain Le Blanc, ar-
rived here this morning from Skag-
way, and reports that on Sunday morn-
ing, June 4, men were at work clear-
ing snow from the White Pass & Ya-
kon railway, just over the summit,
when a terrible slide of rocks and snow
came down the mountain side, killing
one man almost instantly, and seri-
ously, if not fatally, injuring others.At the time the Amor left, the
names of the men were not obtainable.

DIVORCED AND REMARRIED.

Last Chapter of a Romantic Story of
True Love and War.Chicago, June 12.—A special to the
Chronicle from Highmore, S. D., says:
The return to this town of a man and
woman, divorced five years ago, but
who are again husband and wife, adds
the last chapter to a romantic story of
love and war.Five years ago Henry Ballantyne
and wife of this place, agreed to sepa-
rate. They had been married not
quite 12 months. Ballantyne was a
prosperous grain-buyer, and owned
several good farms near Highmore.
These he deeded to his wife. The few
hundred dollars he was able to scrape
together in cash to put in his own
pocket and left to begin life afresh in a
new location. As soon as he had gone,
his wife sued for a divorce. There was
no defense, and a decree was granted.
The land given her by her husband
she sold to advantage, and by shrewd
reinvestments accumulated within the
next few years a comfortable fortune.
