CONDON DRUG COMPANY, MUSIC DEALERS

BARR B'LG, CONDON, OR.

May Strike Gilliam.

Many of our exchanges are telling of the manner in which some of the gilliam people in their respective neighborhoods have been taken by grocery peddlers.

It's the same old story. Instead of the better goods than your home dealer's promise, the full weight and lower prices, it has been the invariable rule that the goods sold by these peddlers are of inferior quality, short weight and in the end much higher in price than the home dealer's goods.

People who think their local merchant is cheating them usually run up against the real thing when they strike traveling concerns. One of these grocery fakirs is now operating in Morrow and Grant counties, and we warn sensible people to be on the lookout for him.

Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by The Hudson Pharmacy, C. W. Crossfield, Mgr.

Honest Medicine for La Grippe. George W. Wait, of South Gardiner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profits to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the cold, chills and grip have all left me. I congratulate the manufacturers of an honest medicine."
