

THE GILGAM GLOBE. THURSDAY, APRIL 19, 1900. THE OFFICIAL PAPER OF GILGAM COUNTY, OREGON.

NOTICE. The Gilgim County Board of Supervisors...

The shingle manufacturers of Washington have formed a trust...

"This is well enough for the mills in the shingle trust, but bad enough for the eastern Washington farmer who needs shingles..."

Jim Codd of Trail Fork visited friends in town this week.

W. W. Steiner went through to Fossil on yesterday's stage.

J. M. Andrews of Wasco is visiting the Cooke boys this week.

Jay Bowerman returned from Portland and Salem yesterday.

Mrs. John Dyarst has been on the sick list for a few days but is now better.

Services were held at the Catholic church by Rev. Father Kelly Tuesday and Wednesday at 8 o'clock a.m.

C. N. Wilson will hold a horse sale (auction) here on Thursday, April 26. Geo. Neale, auctioneer. For particulars see bills.

F. M. Pitter was in from his sheep camp Tuesday. He reports a fine crop of lambs, the per cent of increase in his flock being 110.

The Granite Boulder, published by J. Nat Hudson, at the new gold camp has been received. It is a neatly printed and ably edited newspaper and shows earmarks of being the leading journal of its city. Success Nat.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbite, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25c and 50c at the Hudson Pharmacy, C. W. Crossfield, Mgr.

OLEX. A full horse Sunday to witness the Easter exercises.

Tom Johnston was in town Sunday. Tom was shaking hands with the boys and making himself agreeable.

Miss Kyle who has been teaching the Woodland school has quit her school and returned to her home at Corvallis. We understand Mr. C. a while finish the term.

The Arlington Record last week announced that Jake Bortzer's wife had finally arrived and accordingly some of the boys got together and concluded that Jake would feel slighted if her arrival was not acknowledged with proper ceremony. They went over after night and raised a gentle rump, which awoke Jake from his slumbers. Then he informed them that it was all a mistake, that his wife had not yet arrived and his housekeeper was sick and their noise was rather annoying to her. So the boys departed, but finished their sport with a compliment to A. J. Cochran. Ask Andy for the particulars.

We would like the republicans of this county to explain their platform, which says: "We believe in the protection of American industries, but favor free trade on all articles controlled by trusts." After investigating we find everything we have to buy is controlled by trusts. Do they want to turn us over to the democrats? Can't they save the grand old party without committing petty larceny on democratic principles? Please tell us how to vote? We want to roll up our menal majority for protection of American industries (controlled by American millionaires) even though our children go hungry and half-died in consequence of it.

A Horrible Outbreak. "Of large sores on my little daughter's head developed into a case of scald head" writes C. D. Ishill, of Morgantown, Tenn. but Becklen's Arnica Salve completely cured her. It's a guaranteed cure for Eczema, Tetter, Salt Rheum, Pimples, Sores, Ulcers and Piles. Only 25 cents at the Condon Drug Co's.

Treasurer's Notice. All county warrants registered prior to July 1, 1898, will be paid on presentation at my office. Interest ceases after this date. S. B. BARBER, Treasurer of Gilgim County, Oregon. Dated at Condon, Ore., Jan. 30, 1900.

GENERAL OTIS. This fine stallion will make the season of 1900 as follows: W. L. Barker's ranch—April 7-8-17-18-27 and 28. Condon—April 9-10-19-20-22 and 30. Mayville—April 11-21-22 and May 1 and 2. Fossil—April 13-14-23-24 and May 5 and 4. Lost Valley (at Balding ranch)—April 15-16-25-26 and May 5 and 6, and continuing throughout the season in the same rotation. Gen. Otis is a bright bay, 7-years-old, weighing 1600 lbs. Sired by Strickland's Scotch Grey ("Euclyptus") Grandson "Candlish" (Reg. No. 584) First Man English Draft mare "Seip". Second dam "Bella of Scotland" (Reg. No. 1678). For terms etc. see bills or enquire of

He Ate Frogs. A certain well-known Gilgim county politician, who has long been known to entertain a particular abhorrence for frogs' legs and kindred outlandish dishes, was "jobbed" at Portland last week by some of his best friends. The gentleman always had a wrong-side-out sensation whenever he heard anyone speak of the slimy, croaking reptiles as an article of diet and always swore that he would not knowingly associate with a man who carried around with him an appetite so totally depraved as to relish such things.

Well, in Portland the other day a French friend of this well-known politician invited him to a swell dinner at the French restaurant. The dinner was perfect—a triumph of the French chef's art—and of the dozen courses nothing was faulty. Sparkling wit and jolly repartee gave relish to the viands and after a couple of hours the two friends rejoined the rest of the delegation at the Perkins. "Well," asked Andy, "Did you enjoy your dinner?" "Well, I should say," rejoined the well-known politician. "For making glad the heart of man, tickling his palate and satisfying his stomach commend me to a French dinner every time. Some of the dishes were new to me but they were all real poems. Jean, what was that dish I sent back to be refilled? It was the best I ever tasted."

Millions Given Away. It is certainly most gratifying to the public to know of one concern which is not afraid to be generous. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles and have the satisfaction of knowing it has cured thousands of hopeless cases. Asthma, Bronchitis, La Grippe and all Throat, Chest and Lung diseases are surely cured by it. Call on the Condon Drug Co. and get a free trial bottle. Regular size 50c and \$1.00. Every bottle guaranteed.

New Train Service on the O. R. & N.

The double train service to be established between Portland and Chicago, April 22, in which the O. R. & N., the Union Pacific and the Oregon Short Line are interested, will shorten the through time 11 hours. Train No. 2 leaving Portland at 9.15 A.M., beginning on the date named, will be known as the Chicago-Portland special. Its equipment will be new, making it fully the equal of any train now in service from the Pacific coast to the east. It will consist of a mail-car, baggage-car, a library-composite car, a first-class Pullman sleeper, a dining-car, two chair-cars and a tourist sleeper. There will be but one change of cars to all Eastern points. The full time will be three days through to Chicago, or four days and two hours to New York.

The second train, known as No. 6, will leave Portland at 6.20 P.M., connecting at East Portland with the Southern Pacific's overland train from San Francisco, and will carry through equipment to Chicago via the Union Pacific and the Chicago & Northwestern, and also the equipment for the Washington division of the O. R. & N., in connection with the Great Northern for St. Paul. This train will reach Spokane at 10 A.M. A dining-car will be furnished for breakfast into Spokane, and for dinner on corresponding train leaving Spokane at 3.45 P.M. The new schedule as arranged will supply the most complete service ever furnished on the O. R. & N., as it provides increased service in Eastern Oregon, where it is greatly needed, and gives immediate connection with the Washington division at Pendleton. At this point there is a large interchange of traffic on account of the various mining districts of Baker County, the Coeur d'Alene, the Republic and Kootenai mining camps. Portland is greatly benefited by this change, in as much as increased service is given from Eastern Oregon and Idaho.

No. 2 will arrive in Chicago at 9.30 A.M.; No. 6 at 7.45 A.M. as at present. The westbound train out of Chicago, corresponding with No. 2, is No. 1. This will arrive in Portland at 4.00 P.M. The train corresponding with the eastbound No. 6 is No. 3, out of Chicago. This will reach Portland at 7.30 A.M. Westbound train No. 1 will leave Chicago at 6.30 p.m. and Omaha at 8.20 a.m. the following day. The time will be reduced two hours and 45 minutes. No. 3 westbound train will leave Chicago at 10.30 p.m. and Omaha at 4.25 p.m. the next day.

The service on the Union Pacific on all these trains include Buffet-smoking-library cars and dining cars. No. 6 will carry a daily ordinary sleeper to Kansas City, with change en route to ordinary cars to Chicago.

Consult the nearest ticket agent for detailed information.
