PERISHED IN A FLOOD

Eight Persons Drowned at
Waco, Texas.

GREAT DAMAGE TO PROPERTY

A Succession of Cloudbursts Rained the
Streams to an Unprecedentedly
High Stage.Waco, Tex., April 30.—A cloud
burst, accompanied by a high wind, de-
scended upon this city at noon today,
and the result is that eight people are
known to have perished in the city lim-
its, and property valued at many thou-
sand dollars has been destroyed or in-
jured. The known dead are: Mrs.
Nancy Caudle, Miss Clara Caudle, Rosa
Chapman, Emma Decker, Thomas
Capps, Frank Walker and two negro
men, names unknown.The downpour of rain commenced
about noon and was incessant until
dark. It was in the shape of a water-
spout, and the rise in the creeks and
branches was so rapid that it did not
give the inhabitants time to flee.Three persons, two women and a man,
all colored, were drowned within 100
yards of the city hall. Their bodies
were washed into the Brazos river and
have not been recovered.There were several people, mostly
negroes, standing on a bridge watching
the rapid rise of Barron's branch, when
the bridge, a brick structure, gave
away without warning, precipitating
them into the water.The number positively known to
have been drowned within the city
limits tonight is eight, and it is al-
most certain that several more lives
have been lost.Searching parties are
out looking for the drowned and help-
ing to move those who are in danger or
distress.In the southern part of the
city, where the two white women,
Mrs. Caudle and her daughter, lost
their lives, the rise was the highest
ever known. The damage done by the
storm will be heavy.Incoming reports indicate that one of
the heaviest rainfalls experienced in
years visited many sections of the state,
and rivers and smaller streams are
again rising rapidly. All points along
the Brazos and Colorado rivers have
been notified, and while much damage
to property may result from another
rise, yet it is believed that the timely
warning will enable those who live in
the valleys fully to protect themselves.
Reports from Belmont and Rockport
state that the storm was especially
severe in those sections.

ANOTHER CHINESE CRISIS.

"Era of Widespread Horror and Blood-
shed Not Far Off."Yokohama, April 7.—(Via San Fran-
cisco, April 30).—The fury over the
Masamote incident and the fears of Rus-
sian encroachments in Korea, are today
entirely in the shade by the tidings
which indicate serious trouble in China
and the approach of another of the
crises of which the empress dowager's
reign has been so prolific.It is quite evident that this restless
female intriguer has another coup in
contemplation, and it is as evident that
this time the western powers are re-
solved by concerted action to prevent
it, as is evidenced by the presence of
their fleets. The China Gazette, in a
recent editorial, has declared that "if
the recent policy of the empress dowager
inspired by her evil advisers, Kang
Yi, Prince Ching, Li Hung Chang and
Hani Tong, on the one hand, and by the
Russian and other continental political
wire pullers on the other, is not speed-
ily restrained, an era of widespread
horror and bloodshed is not far off."
The people and even many of the Man-
darins in almost all the provinces, most
certainly in the middle and south, are
ready to rise and throw off the strag-
gling yoke that binds them."

Whole Family Hanged.

Cambridge, Md., April 30.—A
German family consisting of Karl Ker-
nig, his wife and son, were discovered
dead in their little farm house seven
miles from this city, each corpse hav-
ing a noose about the neck. Strangu-
lation was probably the cause of death
in each case. From the decomposed
condition of the bodies it is thought
the act must have been committed sev-
eral days ago. As far as known the
last seen of any member of the family
was on last Saturday, when the elder
Kernig came to Cambridge and drew
\$600 from a bank. No trace of this
money could be found today. The au-
thorities are of the opinion that young
Carl Kernig assisted his father and
mother to hang themselves, and then,
after making a half hitch with the
rope, strangled himself and fell where
he was found today.

A Mother Lost Her Child.

Los Angeles, Cal., April 30.—C.
Cole took his 3-year-old daughter from
in front of her mother's eyes because
his wife would not return with him to
his home in Massachusetts. Cole
placed the child in a buggy, and, de-
spite the protestations of the young
mother, proceeded to the Southern Pacific
depot, and is now well on his way
East.

Loss of \$17,000,000.

Ottawa, Ont., April 30.—Over five
square miles of territory burned over,
more than 2,000 buildings destroyed,
seven lives lost, 7,000 men, women and
children homeless, and a property loss
of \$17,000,000, according to the latest
estimate, insured for about half its
value, are the results as viewed tonight
of the destruction which swept this
city and Hull, yesterday and today.Although under control for many
hours, the flames were not entirely ex-
tinguished until about noon today.

PLAGUE IS STAMPED OUT.

Honolulu Now Issues Clean Bills of
Health.San Francisco, April 28.—The steam-
er Australia, from Honolulu, brings
the following advices, dated April 17:
The plague seems to have entirely
disappeared, and the United States
consul issued the first clean bill of
health to a vessel departing from here
since December 12, to the schooner
Bertha Miner, which sailed for Puget
sound April 14.The council of state has adopted the
following resolution:
"Resolved, That it is the sense of
the council of state that the Hawaiian
government should pay all just claims
for the losses caused by the action
taken by the board of health in connec-
tion with the suppression of the bubonic
plague; that is, losses caused by the
burning of houses, furniture and goods
by direct order of the board of health,
as well as losses caused by the acci-
dental spread of fire on January 20,
1900, and losses caused by the fencing
off of lands on which houses have been
burned; further,"That the council of state most earnestly
advise the executive council to ap-
point a new court of claims of five
members, at least three of whom shall
be business men."Sixteen ships and three barks will
comprise the fleet to carry the 1900
sugar shipments around Cape Horn.
The vessels will carry about 62,800
tons of sugar from the various island
ports to the Atlantic side.The authorities of the Australian
colonies have been notified that all ves-
sels bound from infected Australian
ports touching here will be quarantined,
and the vessels must carry satisfac-
tory bills of health if they wish to call
here.Inspectors representing the
Hawaiian government have been ap-
pointed at each of the three affected
Australian ports.

PERU AND CHILE UNEASY.

Former Looks to United States to
Smooth Their Difficulties.Washington, April 28.—The present
dispute between Chile and Peru is a
legacy of the last war between those
two countries, about 15 years ago.
One of the terms of peace was that the
victor, Chile, should occupy the two
valuable Peruvian nitrate provinces of
Tacna and Arica, adjoining the Chilean
boundary on the north, for a period of
10 years.At the end of that period the people
of the provinces were to determine by
their vote whether their lands should
remain in the possession of Chile or re-
vert to Peruvian sovereignty. In the
first case, Chile was to pay Peru 10,-
000,000 silver soles, while if the pro-
vince was returned to Peru, the govern-
ment of that country was to pay Chile
a corresponding sum of money. The
allegation is now that the treaty pro-
vision on this point was not exacted;
that there was no plebiscite and that
no money passed.Because the United States was deeply
interested in bringing about the peace
which terminated the bitter war be-
tween Chile and Peru, it is probably
assumed by the Peruvians that our
government likewise retains an interest
in the faithful execution of the terms
of the treaty. It must, however, be
admitted that up to this time our gov-
ernment has not manifested any par-
ticular interest in the subject, and has
not even received any application, se-
cret or otherwise, from either of the
parties to intervene at this last phase,
though the reports from South America
seem to indicate a purpose on the part
of the Peruvians, at least, to enlist our
sympathies in their behalf.

Confederate Memorial Day.

Atlanta, Ga., April 28.—The annual
observance of Memorial Day, a time
when the graves of the Confederate
dead, buried in the cemeteries in every
city and town of the state, are decora-
ted, took place in Georgia today. The
usual order of exercises, an oration,
appropriate music, a military parade,
including the local organizations of
Confederate veterans, the decoration of
the soldier's graves, was carried out in
almost every instance. In this city
the observance was made notable by
the governor of Georgia, who scored Re-
publican "fanatics," and criticized the
war in the Philippines. The speech
was made at the presentation of crosses
of honor to the veterans, and was
loudly cheered.

A Fatal Labor Riot.

Chicago, April 27.—In a labor riot
tonight at Racine and Wellington
avenues, Peter Miller was shot through
the head and killed and six other men
were more or less injured. Miller, to-
gether with four union printers, was
killed three nonunion men who had taken
their places in the Baker-Sawyer Print-
ing Company's office, and attacked them.
H. C. Baster, the company's
superintendent, who was one of the
men attacked, opened fire on the assail-
ants with a revolver. Miller was shot
instantly killed, and McGuire was shot
twice and badly hurt. Policemen
quickly surrounded the fighting men,
and arrested all except one.

Chicago Strikers' Riot.

Chicago, April 28.—Attacks of strikers
in the building trades labor war
upon non-union workmen were con-
tinued today, a mob assaulting two
teamsters, and an aged carpenter being
badly beaten by a trio of strike sym-
patizers.

Mrs. Adams Acquitted.

Cincinnati, April 28.—Mrs. Jean-
ette Adams, who recently shot and
killed her husband, the local agent of
the Union Pacific railway, was today
acquitted of the charge of murder.

Bomber Explosion Injured 13 Men.

Pittsburg, April 28.—By the explo-
sion of a portable boiler belonging to
Shank & Stratton, contractors, at Kan-
sas, Pa., last evening, five men were
terribly injured, and eight others cut,
bruised and slightly scalded.

NINE WERE KILLED

Sunday Accident at the Paris
Exposition.

A CONDEMNED BRIDGE FELL

Nine Other Persons Were Severely
Hurt—Fair Officials Are Sharply
Criticized by the Press.Paris, May 1.—An accident within
the exposition grounds caused the
death of nine persons and injured nine.
A temporary bridge, unable to with-
stand the Sunday crowd, broke. The
injuries were mostly compound frac-
tures of the legs. One woman and a
child are still unidentified.The accident threw a pall over the
immense throng who had profited by
the magnificent weather to visit the ex-
position. Today's was probably the
record attendance. Not merely the in-
terior of the grounds, but the precincts
also were crowded, and the concourse
was particularly great along the
Avenue de Suffren, which forms the
northern boundary of the grounds.
Here is situated a big side show, the
Celestial Globe. A footbridge, on
which the finishing touches were being
put today, crosses the Avenue de Suffren,
connecting the side show with the ex-
hibition. It was constructed of wood,
with a stucco facade and with a
plaster-made tower at each end.
Strangely enough the bridge had been
condemned only this morning. The
public was, therefore, not allowed to go
upon the structure, and in this way a
disaster even more terrible than that
which occurred was
