MAFEKING RELIEVED

Boer Forces Withdrew From the Investment.

LONDONERS ARE ENTHUSIASTIC

Buller Occupies Newcastle, in Northern End of Natal, the Federals Retreating Through the Passes.

London, May 21.—It was officially announced today that when the laagers and forts around Mafeking had been severely bombarded the siege was abandoned.

London, May 21.—From the mention of laagers in the Pretoria dispatch, it is understood here that prior to the raising of the siege of Mafeking, the Boer laagers around that place were vigorously bombarded by the British relief column and the burghers practically compelled to abandon the siege.

Buller Takes Newcastle. London, May 21.—General Buller, in a dispatch to the war office, dated Newcastle, May 21, says: "Newcastle was occupied last night, and today the whole second division and the Third cavalry brigade will be concentrated here. I have sent the mounted force through Nqutu to expel a small force of the enemy and to reassure the natives. The enemy have burned the chapel, broken much glass, plundered many houses and taken cash from the banks, but otherwise they have not done much harm. The railway is badly damaged, the Ingagane and Nkaderi bridges are destroyed, and many culverts and the pumping station and water works. Of the 7,000 men flying before us, about 1,000 seem to have gone to Wakkerstrom and some by Muller's Pass to the Free State. MAGINNIS VS. CLARK.

Governor Smith Appoints a Senator to Fill Vacancy. Butte, Mont., May 21.—Governor Smith today sent dispatches from here to Senator W. A. Clark, Senator Chandler, chairman of the committee on privileges and elections, and Senator Frye, president of the senate, saying he had disregarded and revoked the action of Lieutenant-Governor Spriggs in naming Mr. Clark to succeed to the vacancy caused by his own resignation, and saying he had named Martin Maginnis, of Helena, to fill the vacancy. The governor gives as his reasons his opinion that the appointment of Mr. Clark by the lieutenant-governor was tainted by collusion and fraud. The dispatches are practically the same, that to Mr. Clark reading: "I have this day disregarded and revoked your appointment as United States senator, made by Lieutenant-Governor Spriggs on the 15th inst., as being tainted with collusion and fraud, and have this day appointed Hon. Martin Maginnis United States senator to fill the vacancy caused by your resignation."

Those to Frye and Chandler are of the same tenor, notifying them of his action. The governor also sent a formal protest to Chandler, detailing his reasons. He has also issued an open letter to the people of the state, denying he had any knowledge of the contemplated step when he left Montana for California. He says he went to California at the request of Thomas R. Hinds to look into the title of some mining property in which Miles Finlen was interested. He owed Finlen \$2,000, and thought by going he might earn a fee that would be applied on the indebtedness. "I shall prove by my conduct in the future," he concludes, "that I was not guilty of any wrong doing or any idea of wrong."

Miles Finlen is one of the Democrats in the legislature who voted against Clark. Martin Maginnis was delegate in congress for the territory, and with Clark, a Democratic contestant for senatorial honors when Montana became a state.

Tagal Guerrilla Warfare.

Yokohama, May 6, via Victoria, B. C., May 19.—The United States transport Thomas arrived unexpectedly from Manila Saturday last. MAY LOSE MILLIONS.

By a Word Being Omitted in a Government Treaty With France.

New York, May 21.—A decision just rendered by Judge Townsend, who is hearing in the United States circuit court the appeals from the decision of the board of general appraisers, under the customs administration act, lessens the duties on French brandies and liquors 50 cents a gallon, and in the particular suit which was brought by George S. Nicholas, an importer, takes \$45,000 out of the treasury of the government.

Nicholas, on June 10, 1898, received from France 50,000 gallons of the cordial known as "Chartreuse." Collector Bidwell assessed the duty on this importation at \$2.25 per gallon. The importer appealed to the board of general appraisers, and they affirmed the collector's action. Then the matter was brought into the circuit court and, when the hearing came up, counsel for Nicholas insisted that under the new treaty with France, made in 1898, a year later than the passage of the tariff under which the appraisement had been made, the duty should have been only \$1.75 per gallon. Copies of the treaties made between France and the United States were produced as evidence, and in the French copy the word "liquors" appears, while from the American copy the word "liquors" is missing. This decision is in favor of the importers, and if it holds, means a loss of many million dollars to the government annually.

AGUINALDO HEARD FROM.

His Latest Proclamation to the Insurgents. Manila, May 21.—A proclamation purporting to have been issued by Aguinaldo and dated May 4, from Polillo island, one of the Philippine group east of Luzon, is circulating in Manila. It says the commission appointed by President McKinley was rejected without the authority of congress, and hence it cannot treat officially. It urges the Filipinos not to surrender their arms at the instigation of the commission and on promise which congress may not ratify, and also urges the Filipinos to enthusiastically welcome the commission when it arrives in the towns and provinces, asking boldly for the form of government they most desire, as the Americans permit freedom of speech. The proclamation closes with asking the Filipinos to strive for liberty and independence and again warns them against deception.

In the Cataman district about 500 of the enemy attacked a portion of the Forty-third regiment. The Americans killed 208 of the rebels. Only three Americans were wounded.

The transport Lannox has returned here after landing four troops of the Eleventh cavalry to reinforce Colonel J. F. Bell. Two troops, Major Sime commanding, were landed at Legaspi and proceeded across the country to strengthen the garrison at Liago. They found numerous entrenchments manned by insurgents between the towns, and were two days on their way. Their only loss was three horses. The officers report they killed 40 insurgents, but the natives declare 80 were killed.

Panama Canal Plot.

Washington, May 21.—Soon after the senate convened today, Morgan (Dem. Ala.), chairman of the committee on inter-oceanic canals, offered a resolution directing the committee to make an investigation, sweeping in its character, of the dealings of individuals or corporations with a view to monopolizing a ship canal at Panama or in Nicaragua, and whether the individuals or corporations propose to obstruct the United States in the construction of an isthmian canal. Morgan stated that the object of the inquiry proposed is to enable the president of the United States to check and destroy a conspiracy founded on fraud, corruption and arrogance, against the highest rights and privileges of the people and government of the United States.

Explosion in a Boarding House.

Chicago, May 21.—Twenty persons at the dinner table in Mrs. Anna Smith's boarding house were startled last night when, following an explosion in the kitchen, the proprietress of the place ran into the dining room wrapped in a sheet of flame. The guests started to her rescue, but when the door into the cooking room was thrown open, it was found to be in flames also and they retreated in fear. Two other persons were burned during the fire, which originated from the explosion of a kerosene can. The injured are: Mrs. Anna Smith, face, hands and body severely burned, taken to the hospital, will die; Lee Leahy, asleep on a couch in kitchen when the explosion occurred, hands, shoulders and face severely burned, may die; Edward Leahy, burned and hair singed while rescuing Mrs. Smith from the burning room.

Boers for Peace

Kruger's Message to the Prime Minister. BUT ONE REPLY IS POSSIBLE

Authentic News Reported to Have Been Received From Mafeking—Riotous Demonstrations.

London, May 22.—Displayed in the most conspicuous style in the Daily Express, is the dominant war news of the morning: "We have the best reason for stating that in the last 24 hours a telegram has been received at the foreign office, addressed personally to the prime minister, from President Kruger, proposing terms of peace. The exact terms of the message cannot be stated; but we believe it is couched in an exceedingly humble strain."

It is inconceivable, of course, that Lord Salisbury can have sent any reply except the one that stands ready on the lip of every Briton—unconditional surrender.

Authentic News of Mafeking. An extraordinary issue of the Gazette at Cape Town announces that in consequence of what is believed to be authentic news of the relief of Mafeking, Sir Alfred Milner will close the public offices today.

The boisterous rejoicings over the news of Mafeking have become riotous in parts of London, Aberdeen and Belfast, and elsewhere in the United Kingdom. In the Finchley district of suburban London, a mob stoned the railway station master's house and smashed the windows of a draper's shop, setting the building on fire also, although whether by accident or design it is not yet known. Two clerks were injured. The house of a Boer sympathizer at Harlestone was attacked by a large mob and the windows were shattered. The police charged the mob and were greeted with a shower of decayed eggs. Numerous arrests were made and the police reserves were called out.

QUARANTINE IS IN FORCE.

Chinese Passengers to Be Detained at Astoria. Astoria, May 22.—For the first time in the history of this port a quarantine has been established here against vessels arriving from San Francisco. This relates particularly to Chinese passengers, as thus far all others have been allowed to pass. Both State Health Officer Fulton and Quarantine Officer Hastings have received official notification of the existence of the plague at the bay city, and while the latter has received no instructions from the department to establish an inter-state quarantine he deems strict precautions necessary to guard against the possible introduction of the disease here, and, together with the state health officer, will inspect all incoming vessels from that port and isolate all the Chinese passengers.

The first vessel affected by the new regulations was the O. R. & N. steamer Columbia, which arrived here this morning. She was detained in the quarantine grounds until a thorough inspection was made and then allowed to come to the dock. Two Chinese passengers were, however, taken to the passenger quarantine station, where their baggage will be fumigated, and they will be held for about 10 days.

Railroads in Nome District.

San Francisco, May 21.—Articles of incorporation of the Nome Railroad Company have been filed. The company propose to have a main line four miles long with a branch line two and a half miles long. The same persons have incorporated the Wild Goose Railway Company, with \$100,000 a capital stock to operate 4 1/2 miles of road from the shores of Behring sea near Nome, towards Anvil creek, with a branch line 1 1/2 miles long.

New York, May 22.—Roland B. Molineux did his utmost today to console Fritz Meyer, who, in an adjoining cell in the condemned men's quarters in Sing Sing prison, was looking forward to the occupation of the electric chair tomorrow for the murder of Policeman Frederick Smith. General Molineux visited his son on Saturday and told him to be brave during Meyer's execution.

Coal-Miners Fatal Quarrel.
