LOCAL NEWS.

E. I. McKinney left for the summer range Tuesday. John Madden and Mr. Andrews were over from Lone Rock Tuesday. Manley Kolar was seriously ill for a few days the first of the week. Cash Simpson left yesterday for the mountains to lead camp for S. B. Barker. Wm. Loony has gone to the mountains as camp tender for Barker & Pitter's sheep. Winnie Keizer went out to Smith's ranch on Hay Creek yesterday for the summer. Miss Mollie Hurlbert, the popular Arlington teacher, who is engaged teaching at Mayville, was in town Sunday. W. J. Russell, of Trail Fork, started his sheep for the mountains Monday, with Charlie Johnson and Andy McLaren in charge. J. G. Stephenson returned from the Willamette valley Monday where he has been for several weeks selling a bunch of horses. Mrs. F. W. Aries and Miss Emma Crossfield, of Portland, arrived Monday to spend a few days visiting their brother, C. W. Crossfield. J. W. Scriver and T. H. Morris were in from Ida precinct Tuesday bringing with them the election returns of that precinct. Manley Downing and Bert Cason left Monday for the Willamette valley with a band of horses which they will put on the market in that part of the country. Mr. and Mrs. R. M. Robinson, of Arlington, visited friends here for a day or two last week. They were on their way from a visit with relatives at Lone Rock and Mayville. Elder J. L. Swift, of the Church of Christ, will preach in the Armory hall next Sunday, June 10th, at 11 o'clock a.m. and 3 o'clock p.m. All are cordially invited to attend. R. H. Wain has begun his work as census enumerator in this district. Every citizen should aid him in every way to secure a full and complete return of the data desired by the government. Dan Cameron, the well-known wheat grower of Shuttler Flat was in town yesterday attending the funeral of Mrs. F. A. Palmer. Mr. Cameron reports crop prospects very promising in his section. He is farming about 1200 acres. The circus failed to reach here on schedule time on account of a breakdown over on the John Day river, which threw them a day behind their dates. They showed here Saturday evening, however, to a fair crowd and the performance was rather creditable. The three-year-old son of J. E. Foss, who lives out near the Black Butte, was injured on Tuesday by the overturning of a hack in which Mrs. Foss and her two children were riding. The child was brought to town for medical attention and happily his injuries were not found serious. Condon's youths ought not to miss the novelty of the season—a necktie and apron social—to be held at Henry Hartman's ranch, Thursday evening, June 14. The ladies of the Baptist church are the entertainers and 25c entitles each person to a necktie and dish of ice cream. All are invited. Mr. and Mrs. Andrew Neel and Mrs. R. M. Johnson, of Lone Rock, visited friends here for a few days last week returning home Monday. Mrs. Johnson was attacked by a fainting spell during the morning service at the Baptist church Sunday, which was caused, no doubt, by the excessive heat, but she had fully recovered by Monday morning.

The ladies aid society of the Congregational church opened an ice-cream parlor on Friday afternoon and evening, and cleared over \$30.00, which goes to aid in the work of this charitable institution.

A very successful and enjoyable social hop was given in the Armory hall on Thursday evening last. Fred Wilson was floor manager and the best of music was contributed by E. B. Wheat, violin, and J. H. Wells, organ.

The ladies of the Latter Day Saints church catered to the wants of voters and others on Monday, when they cleared over \$50.00, on the sale of ice cream and strawberries in the Downing building. The money is for church purposes.

Hymenial.

One of the quietest and prettiest weddings of the season occurred last evening at the residence of Mr. and Mrs. Al Henshaw, when their accomplished daughter, Miss Birdie, was joined in wedlock to Mr. C. W. Crossfield, manager of the Hudson Pharmacy. Only a few friends of the family witnessed the marriage, and lack of time prevents us giving a detailed account of the occasion in this issue.

A Sprained Ankle Quickly Cured. "At one time I suffered from a severe sprain of the ankle," says Geo. E. Carr, editor of the Globe, Washington, Va. "After using several well recommended medicines without success, I tried Chamberlain's Pain Balm, and am pleased to say that relief came as soon as I began its use and a complete cure speedily followed." Sold by The Hudson Pharmacy—C. W. Crossfield, mgr.

Gave Himself Up. Louis Smith, who has been herding sheep in this section and across the river in Washington for a year or so presented himself at the sheriff's office last Thursday afternoon, and declared that he wished to be taken into custody for the murder of George Young, which crime he alleges was committed in Siskiyou county, California, about three years ago. Smith had been drinking heavily for several days and was in a badly shattered condition when he gave himself up but the story he told to Deputy Sheriff Pinkham seemed pretty straight and the next day he told practically the same story. When Sheriff Wilcox returned to town Thursday evening he at once wired the sheriff of Siskiyou county for instructions but for some reason he received no reply. He held Smith until Sunday morning and not feeling justified in holding him longer under the circumstances he was turned loose. Smith claims the killing to have been the result of some sort of a family row and that Young had threatened his life and that he killed him in self defense.

Mr. W. S. Whedon, Cashier of the First National Bank of Winterest, Iowa, in a recent letter gives some experience with a carpenter in his employ that will be of value to other mechanics. He says: "I had a carpenter working for me who was obliged to stop work for several days on account of being troubled with diarrhea. I mentioned to him that I had been similarly troubled and that Chamberlain's Colic, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the drugist here and informed me that one dose cured him, and he is again at his work." For sale by The Hudson Pharmacy—C. W. Crossfield, mgr.

Obituary. Mrs. Lizzie Palmer, wife of Frank A. Palmer, died on Tuesday, the 5th inst., at the home of her mother, Mrs. Agnes Collins, in Ferry Canyon. Mrs. Palmer had been a sufferer from a complication of diseases for more than a year and was brought from her home in Portland last fall in the hope that the change in climate and her mother's care and nursing would restore her to health but in spite of all that could be done for her she gradually grew worse and passed away as above stated. Deceased was a member of the Ketchikan Degree Lodge, I. O. O. F. holding her membership in Eureka, Utah, her husband being a member of Summit Lodge, No. 130, I. O. O. F., in this city. She leaves a husband and one child to mourn her loss and to them will go forth the earnest sympathy of a large circle of friends and relatives. The funeral occurred yesterday under the direction of Summit lodge, No. 130.
