W. A. Goodwin, of Condon, is holding meetings in the Valley Christian church every evening this week. He belongs to the Church of Latter Day Saints, called Mormon, but not of the same faith as the Utah Mormons. Mr. Goodwin is an entertaining speaker, and a very agreeable gentleman. The dog poisoner was an work last Saturday night and as a result of his efforts 14 defunct canines adorned the streets Sunday. A number of valuable animals were killed, which is always the case when poison is put out, but it must be confessed that a majority of the brutes are worth more dead than alive. The town has been overrun for weeks with a pack of ownerless curs and, by way of a final farewell we say, let them R. I. P.
Joe Harbin returned Saturday evening from a prolonged business trip to Portland, where he has been arranging for the manufacture, on a large scale, of his recently patented wagon and logging jack. While away Mr. Harbin traveled through a large portion of the logging districts of Washington and Oregon introducing the machine and he reports having met with excellent success. The machine is a favorite wherever introduced and Mr. Harbin is likely to realize a handsome profit from its sale.

A cloud-burst occurred in the Trail Fork country one day last week which was a terror while it lasted. The water in Thirty-mile rose several feet in a remarkably short time and almost as quickly ran down again. Two calves belonging to John Maddock were washed away and drowned and such was the force of the storm that it is a wonder other losses did not occur. Ed Nelson returned from Trail Fork just after the flood and he reports that marks on the bank at the crossing showed the water to have been higher than his horses' backs.

Wedded and Parted.

Jacob Bortzer, a well-to-do farmer who lives between Olex and Lone, was granted a divorce from his wife, Grace Bortzer, at Portland last week.
Mr. Bortzer went to Portland last February to secure a housekeeper for his ranch home and at an employment office was introduced to Miss Grace Drev who expressed a willingness to serve him in that capacity. He was captivated by the young lady and next day proposed to make her his wife instead of his housekeeper and the proposition was accepted. They proceeded to marry and in a week she proceeded to quit him cold and refused to live with him. Mr. Bortzer returned home but last month he returned to Portland and, after consulting an attorney, he made certain discoveries which rendered divorce easy. The suit followed and last Saturday the Bortzer case was one of five which were run through the divorce mill in just one hour and a half. There is no more on the Portland divorce mill.

BORN—To the wife of Howard Tobey, at The Dalles, June 15, 1900, a 10-pound daughter.

A Good Cough Medicine.

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith Van Etten, N. Y. "I have always used it in my own family both for ordinary coughs and colds, and for the cough following a gripper, and find it very efficacious." For sale by The Hudson Pharmacy—C. W. Crossfield, mgr.

In Memoriam.

To the Noble Grand, Vice Grand, officers and members of Summit Lodge No. 129, I. O. O. F.
Your committee, to whom was assigned the melancholy duty of formulating an expression of the feelings and sympathy of the members of this lodge caused by the death of Sister Lizzie Palmer, wife of our worthy brother Frank A. Palmer, whom, on June 5, 1900 it pleased our Heavenly Father to remove to the Celestial Grand Lodge, beg leave to submit the following:
Sister Lizzie Palmer was a member of the Rebekah Degree Lodge at Eureka, Utah. She leaves a husband and two children to mourn her loss and to them will go forth the earnest sympathy and sorrow of this lodge in their bereavement.
To preserve the memory of the departed loved one is a memorable custom and a monumental page is oftentimes a more faithful monitor than is the marble shaft. We seldom think of death until the shadow falls across our pathway and the grave hides from our gaze the face of some loved one whose presence was ever the sunlight of our existence. "Peace to her ashes" and may the God of infinite love and goodness give comfort and consolation to our brother and his bereaved family and friends.
"Death should come gently to one of gentle mould, like thee, As light winds, wandering through groves of bloom, Detach the delicate blossoms from the tree. Close thy sweet eyes calmly, without pain, And we will trust in God to see thee yet again."
RESOLVED That the heartfelt sympathy of the members of this lodge be extended to our brother and his family in this their great affliction.
RESOLVED That the lodge endorse the foregoing expression of sympathy, that a copy, attested by the clerk and with the seal of the lodge attached, be sent to our brother, Frank A. Palmer and a copy furnished the CONDON GLOBE for publication.
Respectfully submitted in F. L. T. C. T. PINKHAM, W. L. WILCOX, Committee.
