LOCAL NEWS.

Harvest has commenced in this section. Jim Cameron came in from the mountains this week. Mrs. Etta Dennis was in from Trail Fork yesterday. J. F. Reischer is at Portland this week.

A pleasant social party was given at the residence of G. G. Farman last evening. County court was in session last week, completing their work late Saturday evening.

Mrs. L. L. Cooke and daughter, Mrs. Grace Thomas, were up from Olex Saturday. Frank Stricklin was in from his Rock creek ranch Saturday greeting his Condon friends.

Mrs. Louise Van Oredall, of Pendleton arrived yesterday on a visit to her sister, Mrs. L. W. Darling. C. T. Pinkham moved his family out to H. C. Strickland's ranch Monday where they will reside during the summer.

Judge Mariner has commenced harvesting his 2300-acre wheat crop at Blalock. His combined harvester was running on an 800-acre patch last week which yielded from 13 to 15 bushels per acre.

W. S. Myers says he has to keep his chickens shut up this summer to keep them from choking to death on the big wheat grains with which his ranch is so abundantly supplied. The conceit of a half grown chicken is remarkable any how.

The sheriff's and clerk's offices are without deputies since July 1st. Excepted Portland will hold down a job on Cooke Bros' steam thrasher during the season and Charlie Pinkham will look after some of the details of Hugh Strickland's harvest.

J. W. Nye, one of the well known farmers of Olex, was in town Saturday. He brought with him a sample of Little Club wheat from his ranch which is of first class quality and indicates a big yield. Mr. Nye expects to spend the summer in the Blue mountains where he will go for the benefit of his health.

Rev. M. Bramblet, of Athena, preached in the Baptist church Sunday afternoon and evening to a large and appreciative congregation. Mr. Bramblet has lately been appointed district missionary for this section of Eastern Oregon and he may bring his family to Condon to reside in the near future.

Cooke Bros. have a flock of young mules at their ranch which Bill declares are cuter than canary birds and more musical. They are descendants of the celebrated "Piano" and inherit his highly cultivated voice in a marked degree. Aside from their musical gifts they are valuable property.

W. R. Neal came out from Arlington Sunday for the purpose of renting a residence for his family. He was fortunate in securing the cozy cottage near the schoolhouse which has just been vacated by C. T. Pinkham. Mr. Neal will bring his family out as soon as he can secure teams to haul his household effects.

Mr. John F. Pinkham left Tuesday morning for San Francisco where he will visit friends for a couple of months. Although 75 years of age Mr. Pinkham is alert and vigorous in mind and body, and he has lately filed on a homestead in Perry Canyon. He will return in September to superintend the improvement of his ranch.

A. E. Hammond and E. E. Lytle, of the Columbia Southern Railroad Company, were here Sunday looking over the wheat prospects in this and the Perry Canyon sections. The gentlemen did not talk much but it is understood that they are investigating the proposition of building a branch road from near Shaniko to the mouth of Thirty-mile with a view to capturing the Perry Canyon and Mayville wheat trade.

The following from the Drain Watchman applies to other towns than Drain: "The man with the hoe" is certainly a good thing in his place, but it is the man with the hammer and a few nails that some portions of our sidewalk are needing, and badly too. A great improvement would be the happy result of a few hours labor expended upon them, and doubtless the Edward Markham, or some one else, could be found to fix the thing up in vases if necessary."

Jan. A. Kibbey, of Ferry Canyon, is helping to take care of Tom Johnson's big hay crop this week. Mr. Kibbey had his measure taken for a years subscription to the Globe Monday morning which reminds us to remark that never before in the history of this paper has the subscription list shown such a gratifying increase as during the last 30 days. This shows that the Globe is appreciated as a local newspaper and that its value as an advertising medium is increasing every day.

Mrs. Fitzwater visited Mayville Monday. Heading has commenced on Beecher Flat. Richard Campbell was in town yesterday. Perry Ham was over from Lone Rock yesterday.

W. L. Wilcox went to Mayville on business Monday. George Schott was in town yesterday having brought his sister, Mrs. T. G. home from a visit at the ranch. Frank Wilson and his sister, Miss Belle Wilson, of Michigan, arrived here Sunday to visit their brother, Councilman Fred Wilson. They will spend the summer here.

Mr. and Mrs. H. R. Ramsey, of Beecher Flat, were in town yesterday on their way to Linn county where they will spend the summer visiting relatives and old friends. Mr. Ramsey called to order his copy of the Globe sent after him as he would be lost without the "Condon Bible."

A sample of young Russian thistle is on exhibition at the county clerk's office which all who are not familiar with should call and see. The young plant is different in appearance from the full grown one and as it is a pest that all the people should join in helping to exterminate we call attention to this means of becoming familiar with it.

L. O. Ralston, of Portland, was here yesterday buying horses and mules for the Army. He expects to send two carloads from Arlington in this shipment. The animals will be shipped from Vancouver, Washington, to the Orient their present destination being Japan where they will be rested and from where they will be sent either to China or the Philippines as the occasion may arise.

Our thanks are due to Lewis Couture for a basket of luscious peaches—the first of the season—which he deposited on our mahogany Tuesday. They were grown on the Coffin ranch, which Mr. Couture has rented, and which is famous as a peach producing place, and their rosy cheeks and delicious flavor made us feel as pleasant as Lew always looks. Come again tiller when roasting ears get ripe.
