

THE CONDON GLOBE.

THURSDAY, AUGUST 16, 1900.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

Our Agents. The following persons are the accredited agents of the GLOBE at the post offices named. They are authorized to receive and receipt for subscription accounts: W. H. COLWELL, Arlington. WADE BROS., Olex. MRS. ELLA ANGELL, Mayville. Other agents will be appointed, and their names added to this list later.

LOCAL NEWS.

Rev. Bramblet left Monday for Morrow county.

Mr. and Mrs. John Thomas were up from Olex Sunday.

Our thanks are due Frank Downer for a box of exceptionally fine fruit.

Mrs. W. J. Edwards and Miss Nettie Anderson, of Mayville, were in town Monday on a shopping expedition.

All of the teachers examined last week passed and received certificates. Superintendent Neal gives the class high praise as a whole.

Mrs. Kargie was seriously ill at the home of her daughter, Mrs. Chas. Fix, during the week, but is better and returned home Tuesday.

Elder Bailey and wife passed through Condon Tuesday on their way home at The Dalles. They expect to move to Southern Oregon this fall.

Emmett Cooney came in last week for supplies for the sheep camp. He reports plenty of grass in the mountains and his sheep looking fine.

All that is needed to make Gilliam county one of the best farming sections in Eastern Oregon is a railroad on which to haul off the big grain crops.

Miss Louella Maddock will leave soon for Portland, where she will visit the leading millinery establishments and select her fall stock which, she says, will be the best ever brought to Condon.

Frank Brown and Guy Boyd expect to go into Wheeler county next week to buy horses and mules for army purposes. They will buy broke horses and break them before disposing of them to the government.

Mr. Hartshorn, of Iowa, arrived last week and is the guest of Mr. and Mrs. Hawes, of Ferry Canyon. Mr. Hartshorn is here to look over the country with a view to moving his family here to make a permanent home.

Mont Ward sold five head of mules one day last week to a Walla Walla buyer at prices ranging from \$50 to \$110. The bunch brought \$435. Cooke Bros. also sold two head of mules to the same buyer, but we did not learn at what price.

John King, his brother Albert, James Cameron, Miss Mary Maddock, her sister Maggie, Miss Belle Wilson and Miss Drucie Cooney visited Mrs. Russell on Trail Fork Sunday. They speak in high praise of the excellent dinner Mrs. Russell set for them.

W. L. Wilcox increased his popularity as a ladies' man last Saturday by taking a hack load of his lady friends out to see the steam thrasher and a header in operation. Stevenson's thrasher and Mont Ward's header were visited, and the ladies all voted "Cozy" the nicest man in town.

Mrs. D. S. Brown and Mrs. D. B. Trimble left Monday evening for Creswell, Lane county, in response to a telephone message announcing the dangerous illness of their mother, Mrs. Scott. She is quite aged, and at the time the message was sent she was not expected to live.

Cooke Bros.' new steam thrasher is making a fine record as a speedy machine. The outfit made five sittings and threshed 992 sacks of wheat one day recently. R. W. Cooke is manager of the outfit and he knows how to make it hum. It is operating on the ridge between this place and Clem.

Tom Portwood expects to occupy the building soon to be vacated by the Condon Drug Co., his present quarters being too small to accommodate the large stock he has ordered. Mr. Portwood has ordered a first-class harness machine and will soon be prepared to turn out anything in the harness and saddle line.

T. J. Moffett, of Clackamas county, who was formerly engaged in the stock business in Sherman county, was here last Friday looking after his real estate interests in this county. Mr. Moffett also owns real estate in Sherman county and he says wheat land in that county is now worth from \$10 to \$30 per acre. This is what a railroad does to the price of land in a wheat country.

The initial number of the Long Creek Ranger is on our table. It is a neat six column folio, edited and published by Charles A. Coe, and is designed to take the place of the Blue Mountain Eagle, which has lately removed to Canyon City. We wish Brother Coe all the good things which usually drift into the sanctum of a country editor, and that the range may be green and luxuriant all the year around for the Ranger.

H. W. Pauling returned last Saturday from a trip to Portland and the Coast. He went down as far as Fort Canby, where his partner, Capt. Whistler, has charge of the work of floating the wrecked lightship which went ashore there several months ago, of which work Wolf & Zwicker have the contract. The captain is getting along nicely with the work, which is a difficult job, and sent regards to his Condon friends. Herman himself looks fatter and says he feels much better for his brief sniff of sea breeze.

ARM MANGLLED

Sam Grant Meets With Serious Accident at Mayville.

Special to the Globe. MAYVILLE, Ore., Aug. 15.—Sam Grant, of the firm of Grant & Golden, thrasher in this place, got his right arm caught in the belts of the thrasher this morning and the member was terribly mangled. The bones are broken and the flesh lacerated between the elbow and wrist. At this time it is impossible to learn whether the arm will be lost or not. The machine was operating on the Golden ranch.

Willow Circle, W. O. W. of Fossil will unveil the monument erected to the memory of the late Maggie Keys at the cemetery at this place next Sunday at 2 o'clock P. M.

Luke Mason is on the sick list this week. Jack Yantis, of Fossil, was here yesterday.

Mrs. Parker and her sister Miss Palmer, of Fossil, visited friends here yesterday.

Fred Wilson, proprietor of the Summit Saloon, was on the sick list the first of the week, but is now better.

Dr. Honlock of Heppner went through town at 4 o'clock yesterday morning on his way to Fossil on a professional visit.

Con Schott was up from Rock creek Tuesday with his vegetable wagon making glad the hearts of Condon hungry people.

W. J. Stitt, Mike Duke and James Ramsey, well known wheat growers of the Beecher Flat country, were in town on business Tuesday.

Low Couture was the popular man Tuesday. He dispensed ripe tomatoes to his customers, and the Globe is not backward in declaring that they were all right.

Attention is called to Lord & Co.'s ad in this issue. This is one of the largest and most reliable firms in Eastern Oregon, and our readers will gain by keeping in touch with them.

Married.

A quiet wedding was solemnized at 8 o'clock Sunday evening at the residence of the bride in this city, the contracting parties being Mr. C. S. Palmer, the well-known barber, and Mrs. Ollie Stevens. The nuptial knot was tied by Judge George L. Neal in his most graceful manner in the presence of a few close friends of the parties. Delicious refreshments were served immediately after the ceremony.

Mr. and Mrs. Palmer left early Monday morning for the mountains, where they will spend their honeymoon. The Globe extends best wishes.

"Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach," says O. P. M. Holliday, of Deming, Ind. "His bowels would move from five to eight times a day. I had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house and gave him four drops in a teaspoonful of water and he got better at once." Sold by The Hudson Pharmacy. —C. W. Crofield, mgr.

Ordinance of Baptism.

The ordinance of baptism was administered at Thirty-mile last Sunday by Elders Moore and Goodwin of the Latter Day-Saints church to six persons, one adult and five children, as follows: Mrs. Frank Beeson, of Mayville; Gomer C. Hawes, of Ferry Canyon, and Floyd, Charlie and Maud Moore, of Condon. Confirmation services will be held at the Saints' church next Sunday at 11 a. m.

Joe Harbin, the blacksmith, has been improving his patent wagon jack lately and now thinks he has it perfected. He has been at great expense perfecting the appliance but is now in a fair way to make a good thing out of it. Mr. Harbin is not only a first-class blacksmith and wagonmaker, but is a practical machinist as well, of which fact the machine operators in this locality are well aware.

It Helped Win Battles.

Twenty-nine officers and men wrote from the front to say that for Scratches, Bruises, Cuts, Wounds, Sore Feet and Stiff Joints, Bucklee's Arnica Salve is the best in the world. Same for Burns, Skin Eruptions and Piles. 25 cts. a box. Cure guaranteed. Sold by Condon Drug Co.

A True Snake Story.

Condon has never been a good field for snake stories, and the Globe's snake editor has had pretty much of a sinicure. This week, however, the silence is broken. While Mrs. F. M. Springston was looking out of her window last Saturday she espied a big rattler in the act of crawling up on the side of the cellar, where, it is supposed, his snakeship was going to "sun himself." The lady, contrary to all precedent, neither screamed nor fainted, but arming herself with a club she declared war on rattlers and adopted the German Emperor's advice to his soldiers to take no prisoners and give no quarter. The snake was speedily dispatched and was found to be a big fellow with four rattles and a button. It is the first rattler ever killed in the city.
