

NOTICE.

The Globe invites correspondence from all sections of Gilliam county. We aim to make every day a busy one for our readers by presenting to them the news of their own county and the surrounding territory.

It is reported that arrangements are being completed looking to the early completion of the portage road. It will be remembered that work was stopped on the road a few weeks ago, and if this report should be confirmed it will mean much to the producers of this region.

Members of the Woman's Christian Temperance Union have started an "endless chain" of prayer that President McKinley will not be re-elected because he sometimes not only looks upon the wine when it is red, but even goes so far as to take a little sip when he feels like it. These worthy women will doubtless enjoy the work in which they have engaged and will pursue it with great vigor until election, but it is not likely they will cause McKinley or Hanna much uneasiness. These gentlemen are too busy "figuring" on the vote of certain thousands of German-American citizens to pay much attention to the prayers of temperance unions.

NO MORE HORSE MEAT.

The horse abattoir at Linnton is not to be started up this fall, although there are large bands of cayuses cavorting over the ranges of Eastern Oregon literally rolling in fat and longing to be pickled and sent on a European tour before the cold, chilly winds of December send them cowering and shivering into some canyon to starve through the winter. The managers of the abattoir, however, know when they have enough, and have decided to quit. They have worked hard for several years to rid the ranges of Eastern Oregon of useless horses and to furnish the people of France, Sweden, Denmark, Germany or any other country where horse meat is eaten with a superior article, but the governments of these countries have put every possible obstruction in their way and have prevented them from making any profit, so they have concluded to stop exporting horse meat and let those who are hungry for it go starve.

DIED.

Patrick Mitchell, father of Mrs. E. H. Bour, of Matney Flat, and Mrs. J. H. Summers, of Pendleton, died at Pendleton on Tuesday morning, aged 71 years.

Mr. Mitchell's home was at Lexington, Missouri, but he had resided for some time with his daughter on Matney Flat. He went to Arlington some time ago and was taken ill there, later being removed to Pendleton for treatment. The remains were sent to his old home at Lexington for interment. Mrs. Bour and Mrs. Summers accompanied the body to its last resting place.

LONE ROCK.

The weather has been cold and rainy the past week.

Joe Robinson and his niece, Miss Bertha Williams, started for Pendleton Sunday for a few weeks' visit with relatives in that city.

Mrs. B. M. Johnson and Miss Ethel Goff spent a couple days in Wagon last week looking for choice fruit.

T. J. Andrews, our town blacksmith, went to Heppner the first of the week for supplies for his shop.

Billy Stewart went over in the Spray country Monday to bring over some sheep which he purchased there.

J. B. Goff made a trip to Arlington last Thursday, returning Friday.

John M. Brown has sold the sheep ranch that he bought a few days ago from Mr. Fremonger in Wheeler county, and is now bringing home the sheep which he bought at the same time.

Bert Owens, who has been in Wyoming with sheep for a year or so, writes us to forward his copy of the Globe to Big Cabin, Indian Territory, where he is now located.

R. J. PALMER, Practical Blacksmith and Horse-shoer. Satisfaction Assured. Give me a Trial. At the Old Clark Stand Condon, Oregon.

Sheep Killed.

Josh Hardie was in town last Thursday from his summer sheep camp in Kahler basin. Mr. Hardie stated that a few nights before he left camp his band of sheep were fired into on the background by parties concealed in the brush and 15 or 20 of the animals were killed and a number wounded. The attack was made on two different nights. The first night the herd was alone, but the next night Mr. Hardie was himself in camp and he lost no time in moving his camp from such a dangerous neighborhood. The attacking party was not known, but it was likely composed of settlers of that section who seem to think they have a standing feud with sheepmen.

Endured Death's Agonies.

Only a roaring fire enabled J. M. Garretson, of San Antonio, Tex., to lie down when attacked by Asthma, from which he suffered for years. He writes his misery was often so great that it seemed he endured the agonies of death; but Dr. King's New Discovery for Consumption wholly cured him. This marvelous medicine is the only known cure for Asthma as well as Consumption, Coughs and Colds, and all Throat, Chest and Lung troubles. Price 50c and \$1.00. Guaranteed. Trial bottles free at Condon Drug Co.'s.

Flashes From Arlington.

ARLINGTON, Sept. 13.—Wheat is selling at 45 to 45 1/2 cents for No. 1. No wool selling.

The new ferry boat is being pushed to completion as fast as workmen can build it.

We are sorry to learn that Prof. Neal and daughter are sick, and hope to hear of their early recovery.

Pendleton has caught on and will have a Fair and Carnival from the 18 to the 22. Well, we have too much to attend to in our town just now to waste our time in that way.

There is some apprehension that cars will be scarce this fall when the wheat comes to move the large wheat crop, as the country—from The Dalles to the Palouse country—is chock full of wheat.

Weather warm and pleasant. The streets are lined with wheat teams the bigger part of the day just now, and in a short time teams will have to line up and wait their turn at the receiving platform.

Chamberlain's Cough Remedy a Great Favorite.

The soothing and healing properties of this remedy, its pleasant taste and prompt and permanent cures have made it a great favorite with people everywhere. It is especially prized by mothers for their children for colds, croup and whooping cough, as it always affords quick relief, and as it contains no opium or other harmful drug, it may be given as confidently to a baby as to an adult. For sale by The Hudson Pharmacy—C. W. Crossfield, mgr.

FERRY CANYON.

Taylor Brandon and J. A. Richmond started their threshers this week.

Mrs. Mary Anderson returned Saturday from Antelope, where she spent the summer.

Brick Balding and Chas. Burroughs made a trip to Rock creek after fruit this week.

Mrs. Chas. Burroughs received a slight shock from lightning during the storm of Friday last.

Miss Jennie Brandon, who has been visiting at Hood River this summer, has returned home.

Maud and John Palmer, of Snippton, are visiting at the home of their son F. Palmer in Ferry Canyon this week.

Cured of Chronic Diarrhoea After Thirty Years of Suffering.

"I suffered for thirty years with diarrhoea and thought I was past being cured," says John S. Halloway, of French Camp, Miss. "I had spent so much time and money and suffered so much that I had given up all hopes of recovery. I was so feeble from the effects of the diarrhoea that I could do no kind of labor, could not even travel, but by accident I was permitted to find a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after taking several bottles I am entirely cured of that trouble. I am so pleased with the result that I am anxious that it be in reach of all who suffer as I have." For sale by The Hudson Pharmacy—C. W. Crossfield, mgr.

Letter From Harry Stricklin.

Harry F. Stricklin of Rock creek, who is a student at the Monmouth normal school, writes us under date of Sept. 17 as follows:

"As I am now at Monmouth, please send my paper here and oblige. I arrived here last Saturday, 15th. It has rained nearly every minute since I have been in the valley. Hops are in great danger. The prospects for a large attendance of students this year is good, there being a good number here at present."

Cuts and Bruises Quickly Healed.

Chamberlain's Pain Balm applied to a cut, bruise, burn, scald or like injury will instantly allay the pain and will heal the parts in less time than any other treatment. Unless the injury is very severe it will not leave a scar. Pain Balm also cures rheumatism, sprains, swellings and lameness. For sale by The Hudson Pharmacy—C. W. Crossfield, mgr.

An Editor Reclaimed.

J. M. Johns, the veteran lawyer and newspaper man of Arlington, is attending court here this week. Mr. Johns was proprietor of the Arlington Record years ago but, wearying of well doing, he loosed his grip on the plow handles and looked back. Unlike Lot's wife, he was not turned into a pillar of salt, although Arlington is noted for its alkali, but after several years of vain endeavor to forget the aroma of the paste pot and the ink can, he—a few months ago—returned to his earlier love, by rebuying the Record and again grasping pencil and brush. We wish him all success and that his short period of backsliding will not be charged up against him in his final account.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. The Hudson Pharmacy will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant and reliable.

To the Consumers of Gilliam County:

We desire to state that we are determined to reduce our large stock of goods and for the next 90 days will make great reductions in all lines for cash.

By referring to your local papers you frequently note the ad. of interior merchants who, with conspicuous signs, say: "We sell at Arlington prices." Is this not evidence that the Arlington merchants must lead in low prices or there would be no need for such statements? Before purchasing your fall supplies or the smaller bills get prices from us.

In agricultural implements we have the favorite Monitor Drills subject to four attachments, viz, hoe, disc, press wheels or shoe.

The Oliver and Flying Dutchman Plows are hard to beat for good clean work, durability and lightness of draft.

It is no longer an experiment to buy a Bain or Stoughten wagon, as they have but few if any competitors when strength and light-running qualities are considered.

If you anticipate treating yourself to a new buggy or hack do not purchase until our new carload of the old reliable Racine rigs reach us, which will be here in September.

When in need of a chop mill, hay press, windmill, sewing machine, or any kind of machinery used on the farm, write us for prices and we will treat you right.

Address all communications to the firm at the old James W. Smith store.
