MCKINLEY RE-ELECTED

Sweeping Republican Victory.

McKinley Carries New York by 150,000 Big Landslide in Illinois-Maryland, West Virginia and Nebraska in the Republican Column.

Next Congress Republican

New York, Nov. 7.—It became evident at a very early hour this evening that the election of McKinley and Roosevelt was assured. The president carried the state of New York by 150,000 plurality.

As the night progressed, it only served to confirm this judgment, but the returns from Illinois revealed a like condition. The Republican plurality of 1896 was greatly reduced, but it was still far too large to be overcome.

On the other hand, the returns from Indiana, Michigan, the two Dakotas, Utah and Wyoming, as well as Nebraska, seem to indicate steady Republican gains over 1896. Delaware, Maryland and West Virginia, have given decided Republican pluralities.

The count in several of the far Western states was naturally so delayed as to give little indication of the opinion there, but they had ceased to have a determining effect, and before 10 o'clock the Democratic leaders had given up the contest and it was announced that Mr. Bryan had gone to bed and was sound asleep.

The whole story was easily and briefly told. The Republican ticket would have a larger electoral vote than four years ago, but in the larger states of the East and Middle West the pluralities of 1896 had been greatly reduced. Massachusetts had fallen from 174,000 to 50,000. New York, 268,000 to 180,000, and Illinois from 142,000 to 100,000 or less.

The 57th congress seems to be Republican by a substantial working majority. Bryan carried all the Southern states, as usual, along with Colorado, Idaho, Montana and one doubtful state, Kentucky, by a small plurality.

Doubtful states which went for McKinley are Maryland, West Virginia and Indiana, all by small pluralities. McKinley's plurality in Ohio is 75,000, in Michigan 80,000.

Nebraska, Bryan's home state, went Republican by a small plurality. The New England states and Pennsylvania are, as usual, in the Republican column.

McKinley's plurality in Iowa is 100,000, Kansas 30,000, Minnesota 80,000. California, Oregon and Washington all went for McKinley.

The contest was close in California, but it is expected the state will give McKinley 10,000 plurality. Oregon gives McKinley 14,000 plurality, but few counties going Democratic.

Washington goes for McKinley by a small plurality, probably 5,000, but the state ticket is much in doubt, with the probability that Rogers, Democrat, is elected governor. The legislature will be Republican.

The electoral vote will probably be as follows: McKinley, 292; Bryan, 155. Disastrous to Sheep and Goats. Monroe, Or., Nov. 7.—Sheep and goat raisers in this vicinity are greatly alarmed over the abundant growth this season of the poison fungus or toad-stool. Goats and sheep seem to have a great liking for the stuff, and its poisonous qualities are sufficient to kill the animal which eats it.

Will Be Hanged December 31. Spokane, Wash., Nov. 7.—Edward Rice, convicted of the murder of Matt Mailey, at Wardner, Idaho, was today sentenced at Wallace to be hanged on the last day of the century, December 31. His wife was granted a divorce in Spokane today on the ground of cruelty.

Off for New York With Mather. Seattle, Nov. 7.—Charles E. Mather, who was arrested in this city two weeks ago on a charge of having pawned \$45,000 worth of jewels, the property of New York merchants, was today taken into custody by Detective Nugent upon a governor's warrant of extradition. Nugent left with his prisoner tonight for New York.

Senator Silvela, the premier, has made the emphatic declaration that Spain must have a powerful navy again.

THE LANDSLIDE.

Later Returns From the Eastern States Show no Material Change. Alabama—The Democratic majority will be at least 40,000.

Arkansas—Enough is known to indicate a plurality of 60,000 for Bryan in this state. California—The majority for McKinley and Roosevelt in California continues to grow and the indications are that it will reach 40,000. Complete returns from 1,574 precincts out of 2,190 out of side of San Francisco give McKinley 197,992, Bryan 81,348. The same precincts in 1896 gave McKinley 96,347, Bryan 61,801. The Republicans have elected all seven congressmen.

Colorado—Bryan's plurality is 35,000. Florida—This state gives Bryan a majority of 23,000.

Georgia—This state gives Bryan a plurality of 40,000. Every Democratic congressman elected. Illinois—Congressman William L. Dyer, of the Second district, conceded his defeat this morning. The majority against him may reach 1,500. Additional returns received at Republican state headquarters from all over the state confirm Chairman Rowe in his statement that McKinley's plurality will run close to 100,000, and that of Yates for governor between 70,000 and 80,000.

Indiana—The election resulted in a plurality of anywhere from 20,000 to 33,000 to the Republican national ticket, and nine, and perhaps 10, of the congressmen, and the choice of a legislature, that will have a Republican majority of 40 on joint ballot. The 4th congressional district is still in doubt. Indiana elects all Republican congressmen except in the 2d, 8d and 12th districts.

Iowa—Returns from 86 out of 99 counties: McKinley, 266,066; Bryan, 178,548. Kansas—On the basis of limited returns Republicans claim Kansas by 25,000 for the national ticket and 20,000 for the state ticket and the election of every Republican congressman with the possible exception of the 3d district. Republicans claim the legislature by a safe majority on joint ballot.

Louisiana—The entire six congressional districts in Louisiana are strongly Democratic. Bryan's majority in the state will be in excess of 80,000. Maine—McKinley's majority in Maine will vary but a few hundred from 28,500, a loss of 16 per cent since 1896 and a Bryan gain of 21 per cent.

Maryland—With scattering precincts to hear from, Maryland's plurality for McKinley and Roosevelt in yesterday's election was 14,146. A solid Republican delegation to the 57th congress was elected.

Massachusetts—The complete vote of this state is: McKinley, 239,495; Bryan, 156,507. Michigan—McKinley's plurality, 90,388. The entire congressional delegation is Republican.

Missouri—The Democrats have elected congressmen in 12 Missouri districts, and the Republicans in two, with still two—the 13th and the 14th—to be heard from. These are claimed by the Democrats.

Montana—Bryan's plurality 18,000. Mississippi—Bryan's plurality 40,000. Nevada—Bryan's majority is 25,000.

New Hampshire—The Republican majority in the state on both the gubernatorial and national tickets will be 18,000. New Jersey—McKinley's plurality 52,920. Six out of eight congressmen Republican.

New York—McKinley's plurality 145,000. North Carolina—North Carolina gives Bryan a majority of not less than 30,000. The next congressional delegation from this state will contain seven Democrats and two Republicans.

North Dakota—Republican plurality 10,000. Ohio—Unofficial returns received from 83 out of the 88 counties warrant the claim of 70,000 for McKinley, and we elect 17 of the 27 members of congress, a gain of two Democrats.

Pennsylvania—Complete returns give McKinley 287,733 plurality. Rhode Island—Official returns give McKinley, 33,821; Bryan, 19,947. Both congressmen Republican.

South Carolina—It is not considered probable that Bryan's majority will fall short of 30,000 in the state. Every Democratic congressman was elected. Tennessee—Bryan's plurality 30,000. Utah—McKinley's majority 4,500. Vermont—McKinley's plurality 30,000.

Virginia—A recapitulation for Virginia indicates a Democratic plurality on the presidential ticket of over 30,000, and the election of the Democrats in every congressional district.

West Virginia—In a statement issued at midnight, Secretary J. K. Hall, of the Republican state committee, gives tabulated returns from every county in the state, showing McKinley has nearly 20,000 majority.

Wisconsin—The Republicans will have a plurality of at least 112,125 in Wisconsin. All the Republican congressmen are elected. The legislature is overwhelmingly Republican.

Wyoming—Returns from 174 precincts out of 300 in Wyoming give a majority of 3,000 for McKinley.

ONE STATE IN DOUBT

Both Sides Are Claiming Kentucky.

ROGERS DEFEATS FRINK BY 1800 Defeats Frink for Governor of Washington—Plurality in Oregon Is Piling Up.

Portland, Nov. 9.—Only one doubtful state remains—Kentucky. The Democrats claim the state for Bryan by 7,800; the Republicans also claim the state, but give no figures. It will require the official count to determine the result.

McKinley carried Nebraska by at least 2,000. The legislature is in doubt, and will not be determined until the official count of Douglas county is in. The Republicans are figuring on a safe majority on joint ballot.

Other states are practically as first reported. The electoral vote follows: McKinley.....292 271 Bryan.....155 178

In Washington. Seattle, Wash., Nov. 10.—The majority for President McKinley in the state of Washington will be between 11,000 and 12,000, and John R. Rogers, Democrat, for governor, will have something like 1,300 over Frink, his Republican opponent. The average majority of the two Republican candidates for congress, Jones and Cushman, will be 9,000 or more, and the legislature will be heavily Republican. All the state Republican ticket, except Frink, is elected by large pluralities. All these things were made clear by yesterday's returns. Every county in Western Washington has been heard from and the only two counties in Eastern Washington about which there is any uncertainty are Chelan and Okanogan. With these scattering returns show that the only question is to the size of the Democratic pluralities.

Later returns are more likely to increase than decrease Rogers' plurality. McKinley has carried 26 counties and Bryan 10; Frink 18 counties and Rogers 17, with one (Mason) a tie.

Is Still Piling Up. Portland, Or., Nov. 10.—McKinley's plurality in Oregon is still piling up. Owing to an error in a former footing, his lead this morning is made to appear 500 less than yesterday, whereas it should be about 100 more. Reports continue to pour in that former Bryan strongholds have either gone for McKinley or greatly decreased the Nebraska's majority in 1896. For example, five precincts in Malheur county that gave Bryan a plurality of 196 in 1896, this year gave him but 44. Malheur county, which has all along been conceded to the Democrats, is now thought to have gone Republican by a majority of 50 to 100. This leaves but three counties in the state which have given pluralities for Bryan and their combined vote is only 265.

Fifty-six precincts reported yesterday, making a total of 896 out of 769. McKinley's vote to date is 42,195; Bryan, 29,876. The latest estimate of McKinley's plurality in the state is 13,907.

Serious Strike at Tampa. Chicago, Nov. 10.—Spanish-speaking cigar-makers in Tampa, Fla., have started a strike against American workmen, and official reports received at headquarters of the International union in this city today indicate that the trouble is assuming serious proportions. Nearly 1,000 English-speaking workmen have been made idlers in consequence of the position of their opponents.

Yellow Fever in Mississippi. Jackson, Miss., Nov. 10.—One new case of yellow fever was reported to the state board of health from Natchez this morning. Mrs. Butler, the first patient reported, died last night. She was a niece of ex-Governor Longino. A surgeon of the marine hospital service is now in Natchez endeavoring to trace the source of infection.

The St. Michael Reservation. Washington, Nov. 10.—The secretary of war, under an order of the president, has directed that all lands lying beyond a radius of 10 miles from the flagstaff at St. Michael, Alaska, be turned over to the secretary of the interior. When this reservation was first created it had a radius of 100 miles.

Franco-American Commercial Treaty. Paris, Nov. 10.—The customs committee of the chamber of deputies met today. The opinion prevails that the re-election of McKinley will lead to a Franco-American commercial convention being shortly submitted to the Washington senate, whose vote is awaited before the measure will be brought before the French chamber.

Smallpox Among Indians. Washington, Nov. 10.—The Indian bureau has received a telegram from the Shoshone agency in Wyoming announcing that smallpox has broken out at Lander, near the Indian reservation. Vaccine virus for 1,700 persons, which the agent asked to have dispatched to him immediately, has been forwarded.

Demands an Accounting. Chicago, Nov. 10.—E. H. Griffiths, who claims to be the largest holder of the stock and bonds of the Seattle Traction Company, has, with others, brought suit in the superior court here to have an accounting of the finances of the concern. The defendants are the members of the reorganization committee, which took charge of the company when it was evolved from the Seattle Electric Railway & Power Company.

Three Miners Killed. Tacoma, Nov. 8.—A cave-in at mine No. 7, at Carbonado, yesterday, resulted in the death of three mine employes. The dead are: Karl Huhtela, Mattie Lehem, Gust Sandberg. Lehem was a married man, the others were single. The accident was caused by the giving away of one of the large supporting beams. About 50 men were working in the mine at the time, but all except the three killed escaped uninjured.

TRAINS CRASH TOGETHER.

Three Men Killed Outright and Two Fatally Injured. Roseburg, Or., Nov. 12.—The worst wreck ever known on this division occurred about daylight this morning, two miles south of Roseburg. Two freights, the regular No. 225, south-bound, and a long extra coming north, smashed together on a curve in a heavy fog. Engineer Sam Hendricks, of No. 225, and Fireman Wilhelm, of the extra, were caught beneath the wreck and almost instantly killed. Fireman Ed Riddle, Engineer Walter Drennan and Head Brakeman Charles Campbell, were all badly injured, the latter two doubtless fatally. Riddle lost a foot and suffered a broken left arm. Campbell's head was badly hurt, his right leg crushed, his left arm broken, and it is feared his back was broken. Drennan received a cut through the skull over the left eye, about three inches in length, which exposed the brain. His leg was broken and he received many bad cuts and bruises.

One of the trainmen ran to town with the news and an engine and caboose were sent out after the three injured men, who were cared for by three physicians on arriving in the city. Some time was required to get Hendricks and Wilhelm from the wreck. The latter was pinned down in the cab, the coals from the firebox burning off both his legs to the knees. The bodies were brought to the undertakers immediately. The necks of both of the men were broken.

The scene of the wreck defies adequate description. The boiler of the extra's engine had literally forced its way through the other engine's full length, but neither engine had left the track. They were both partly covered by wrecked freight cars, the engine of No. 225 was entirely covered, and a badly broken-up box car surmounted the heap, apparently balancing on the smokesack. This part of the wreck caught fire once, but the flames were quickly extinguished.

It is stated that the wreck was due to a misinterpretation of orders on the part of Engineer Drennan of the extra. Superintendent L. R. Fields happened to be in the city, and is looking after the dead and wounded men.

Coroner Twitcheil has summoned a jury and will hold an inquest tomorrow on the remains of Wilhelm and Hendricks.

He explained the details of making up the sheets for the clearing house. Then, one by one, he identified the sheets made up for the banking days in October. Mr. Moore testified that two figures in the sheets made up for October 15 had been changed. The figures as they stood were not his. He did not know who had made the changes. It was brought out that the sheet had been in the possession of Alvord as it had been made up by Moore.
