OPEN DOOR IN CHINA

Cotton Manufacturers of the South Petition For It.

Secretary Hay Asked to Use His Good
Offices to Prevent Closing of
Markets to Americans.

Washington, Nov. 17.—Secretary Hay
has received a petition from nearly all
of the leading cotton manufacturers of
the South to take such action as may
be within his power to prevent the in-
terference by any European power
with the cotton trade in the open door
policy in China.

The petitioners declare that the im-
portant trade in cotton goods and shir-
tings with China, most of which are
manufactured in Southern states. It
is declared the withdrawal of this
trade in Manchuria would seriously
affect not only the manufacturers of
cotton goods but Southern cotton-grow-
ers and employers and employes and
laborers in the cotton mills. The peti-
tioners represent fully \$15,000,000
in capital and declare they have lost
half their trade since the Boxer upris-
ing and are running on half time.

CHINESE DISCOVERED AMERICA.
Evidence Contained in Ancient Records
Unearthed in Pekin.

Monterey, Mex., Nov. 17.—The re-
port that American officers have un-
earthed ancient records in Pekin show-
ing that the Chinese discovered Ameri-
ca 1,500 years ago, and erected temples
in Mexico, has aroused the greatest in-
terest among the scientific men of Mon-
terey and throughout this country.

The Chinese temples alluded to are in
the state of Sonora, on the Pacific
coast. The ruin of one of the temples
was discovered near the town of Ures,
in that state, about two years ago.
One of the large stone tablets found in
the ruins was covered with carved
Chinese characters, which were partly
deciphered by a learned Chinaman who
visited the ruins at the request of the
Mexican government. This Chinaman
made the assertion at the time that the
ruins were those of a temple which had
been erected many centuries ago by
Chinese, but his statement was not re-
ceived with credence.

It has been long claimed that the In-
dians of the state of Sonora are the de-
scendants of the early Chinese settlers.
They possess many traditions and
characteristics of the Chinese. If the
report of the finding of these records
in Pekin is verified an expedition will
go from here to explore further the
ancient temples of Sonora.

be begun immediately and the works
started again as soon as possible.

CENSUS OF ALASKA.

Boxers' Fate Fixed

Princes Tuan and Chang Go to Prison for Life.

Others' Fate Little Better
Moderate and Human Course of the
United States Has Advanced
Its Prestige in China.

Washington, Nov. 19.—Minister Wu
has received from Director-General
Sheng the following cablegram, which
he communicated to Secretary Hay to-
day:
"An Imperial decree of November 13
deprives Prince Tuan and Prince Chang
of their ranks and offices, and orders
them to be imprisoned for life; Prince
Yih and secondary Prince Lien to be
imprisoned; secondary Prince Lien to be
deprived of his rank; Duke Lan and
Ling Nien to be degraded in rank;
Kang Yi being dead, no penalty can be
imposed upon him; Chao Shu Chiao to be
degraded, but retained in office, and
Yu Hsien to be exiled to the farthest
boundary."

The Chinese officials mentioned in
the decree are among the highest in
China, and comprise most, if not all,
of those against whom the powers de-
manded rigorous punishment. Prince
Tuan stands at the head of the anti-
foreign and Boxer movement. Previous
edicts degraded him and took away his
office and servants, but this judgment
of life imprisonment is the most severe
thus far given to any of the leaders
responsible for the trouble. From a
Chinese standpoint, it is an extreme
penalty to a prince of the blood, but
it remains to be seen whether the pow-
ers will regard it as adequate to Prince
Tuan's offense. The others mentioned
were Tuan's active associates, and two
of them were specifically mentioned
for punishment, along with Tuan, in
Secretary Hay's note of October 3, in
which he advised the Chinese govern-
ment that this country would expect
these officials to receive their just de-
serts.

Kang Yi is one of the officials who
died suddenly when the demands for
punishment had been made, probably
by suicide. Yu Hsien is another who
was thought to have committed suicide,
but the reports indicate that he is still
alive.

Wise Course of the United States.
There is no hesitation in energeti-
cally denying the European implication
that the United States government is
moved in its Chinese course by senti-
mental and unbusinesslike considera-
tions. On the contrary, it is pointed
out that, while sentiment is on the
side of our government in this matter,
it is accompanied by the soundest busi-
ness considerations. The animating
purpose of the state department now is
to prevent the destruction of Chinese
integrity upon pretexts; to maintain
the open door, for which our govern-
ment long has contended, and to secure
indemnities for the past, and guaran-
tees for the future.

A TERRIBLE PENALTY.
The Limon, Colo., Murderer Burned at
the Stake.

Limon, Colo., Nov. 19.—Chained to
a railroad rail set firmly in the ground,
on the exact spot where his fiendish
crime was committed, Preston Porter,
Jr., or, as he was familiarly known,
John Porter, this evening paid a terri-
ble penalty for his deed. It was 6:23
o'clock when the father of the murder-
ed girl touched the match to the fuel
which had been piled around the neg-
ro, and 20 minutes later a last con-
vulsive shudder told that life was ex-
tinct. What agony the doomed boy
suffered while the flames shriveled
up his flesh could only be guessed by
the terrible contortions of his face and
the cries he gave from time to time.

The executioners, who numbered
about 500 citizens of Limon county,
had not the least remembrance of the
crime. Their every act was delib-
erate, and during all the prepara-
tions, as well as throughout the suffer-
ings of the negro, hardly an unne-
cessary word was spoken. Grimly they
stood in a circle about the fire until
the body was entirely consumed and
then quietly they took their way back
to Limon, from whence they departed
for their homes shortly afterward.

Attack on the Kaiser.
Breslau, Nov. 19.—Emperor William
was the object of an attempted outrage
today which, however, failed. As he

er, a woman in the crowd hurled a
short-handled chopper, or hatchet, at the
carriage. The hatchet struck the car-
riage, but the rapidity with which the
vehicle was passing saved its occu-
pants.

Head End Collision.
Olaty, Pa., Nov. 19.—A head-end
collision between a Pennsylvania extra
freight train and a Lake Shore passen-
ger train occurred two miles west of
Folk tonight. Both engines were de-
molished, all of the passenger coaches
left the tracks, and 40 oil and coal
cars of the freight were derailed.

Prevented Negroes From Voting.
Lexington, Nov. 18.—A. S. Thomp-
son, a prominent farmer of Bourbon

Adams, colored, were held in \$1,000
bail by United States Commissioner
Hill to the federal court the first day
in January, at Frankfort, charged
with conspiracy to prevent negroes
from voting at the last election. It is
charged that crap games were started
and the negroes participating were ar-
rested just before the election so as to
keep them away from the polls.

Effect of Colombian Earthquake.
Washington, Nov. 16.—Mr. Russell,
United States charge at Caracas, re-

and between 12,000 and 15,000 build-
ings were destroyed or damaged.
