

THE GILLIAM GLOBE THURSDAY, NOVEMBER 23, 1900. THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

LOCAL NEWS.

Mrs. T. G. Johnson is suffering from an attack of fever. Cass Simpson has returned to town from the mountains. Danosky Bros. have a new ad. in this issue. Don't fail to read it.

Grand Old Gilliam—Best of All. John W. Clark, a well known rancher of Ferry Canyon, who left a few weeks ago for Bonner's Ferry, Idaho, with the intention of locating there, writes the Globe as follows:

"Bonner's Ferry, Ida., Nov. 14, 1900. "Editor Globe— Please send my paper to Weston, Oregon, until further notice.

"This country is not as I expected to find it, so concluded to return to Oregon and will eventually find my way back to 'Grand Old Gilliam,' which suits me better than any part of the West I have yet seen.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Philippe, of Potosi, Ark. "It cured me of bloody flux. I cannot speak too highly of it."

A Cold Snap. Old Winter has been shaking his hoary locks and showing his teeth to beat all for the last few days. Snow began to fall Saturday, and the weather continued equally until Monday evening, when a fierce snow storm set in and Tuesday morning Condon people looked out upon a white world.

Editor Sues Wonders. Editor W. V. Barry of Lexington, Tenn., in exploring Mammoth Cave, contracted a severe case of Piles. His quick cure through using Bucklen's Arnica Salve convinced him it is another world's wonder.

Word reached this city Monday that Guy Boyd was bound, gagged and incarcerated in the garret of his Rock creek home over the advent of a bouncing boy which arrived to himself and wife Sunday night. Is that right, Guy?—Arlington Independent.

A religious meeting will commence in the Methodist church in Fossil Nov. 25. The pastor will be assisted by those distinguished preachers Rev. Nathan Evans, of Goldendale, Wash., and Rev. G. M. Booth, D. D., of Moscow, Idaho. Public cordially invited.

Notice of Dissolution. Notice is hereby given, to all whom it may concern, that the firm of Jackson & Dysart, consisting of John Jackson and John Dysart has been this day dissolved by mutual consent, John Dysart retiring therefrom and John Jackson succeeding in the business.

W. R. Roberts was in town Monday from Lone Rock. Mr. Roberts has lately returned from an extended trip thro' Northern Idaho and Northern Washington and he says business in those sections is very good. Among other places he visited Republic, Washington, and he says business is brisk and money plentiful in that lively mining camp.

The Edison Waragraph Co., under management of Fleming Bros., gave a show in Armory hall to a good sized audience last evening. The destruction of Cervara's fleet by the American fleet at Santiago, July 3, 1898, and the great shark-McCoy fight as produced by the Waragraph Co. is well worth the price of admission, to say nothing of the many other attractions. They will show in the hall again tonight.

Job Printing. Of all kinds done on the shortest notice and at reasonable rates. Nothing too large, nothing too small. School Notes. Nellie B. Brown, School Editor. Miss Grace Baiding visited the school last Friday. Rev. Tomkins and Miss Mill Paul visited the school for a short time Tuesday morning.

DR. JORDAN'S GREAT MUSEUM OF ANATOMY. 1051 MARKET ST., SAN FRANCISCO, CAL. The largest Anatomical Museum in the World. Greatest attraction in the City. A wonderful sight for the masses. Weakness, or any contraction of the system, is the result of a diseased condition of the system. It is the only cure for all diseases of the system. It is the only cure for all diseases of the system. It is the only cure for all diseases of the system.

Joe Foss, of Thirtyville, sold a ranch in Wheeler county a few days ago to Richard Campbell, of Lost Valley. Mr. Foss and Mr. Campbell were both in town yesterday on business.

H. W. Weber, the popular tree man, of The Dalles, is here this week delivering trees to his customers. The delivery at this point alone amounts to over \$700, which is the largest tree delivery ever made in Condon. Mr. Weber has put in over \$200 worth of trees in the county this season, which indicates that Gilliam county people have plenty of faith in this region as a fruit belt.
