

THE CONDON GLOBE.

THURSDAY, JANUARY 31, 1901

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

LOCAL NEWS.

Mrs. John Stitt is on the sick list. Mrs. G. W. Rinehart is visiting at Olex. The typhoid patients are getting along nicely.

Mrs. Dyar is visiting Mrs. Alex Duthie this week. Miss Minerva Neal is home this week from her school at Shuttler Flat.

Arthur Parrish is down with la grippe. Edgar Dunlap is on the sick list Tuesday with grippe.

Geo. Taylor, a well-known citizen of Olex, was in town Tuesday.

Mrs. Herbert Halstead is on the sick list suffering from la grippe.

Mrs. S. A. Pattison, who has been on the sick list for a week, is better.

Mrs. F. W. Aris, of Portland, is visiting her brother, C. W. Crossfield.

Mrs. Mont Ward has returned from Fossil, where she spent some time under medical treatment.

B. T. Snell was here from Arlington Saturday attending the railroad meeting.

Rev. Bramblet left Monday for his home at Athena to commence a meeting in his church.

John Hawk was in from Mayville precinct Monday and made a pleasant call at this office.

John Magee was in town Monday. He reports his wife much improved. She was dangerously ill last week.

Elder Swift will hold services in the Baptist church next Sunday, morning and evening, at 11 A. M. and 7 P. M.

John Danosky, of the firm of Danosky Bros., went to Portland Tuesday on a business trip. He expects to be absent about two weeks.

The Rev. John Tonkins, of Fossil, closed a very successful revival meeting here Sunday night, with six accessions to the Baptist church, some of whom are leading citizens of Condon.

C. W. White, of Papersack, is at P. H. Stephenson's this week on the sick list. Mr. White had a very severe attack on Sunday, but under careful treatment he has since been improving.

A report which gained some circulation in the country last week that Condon had a case of diphtheria was entirely without foundation. The case in question was ordinary grippe with symptoms of pneumonia.

Grant and Sherman Wade, two of Olex's rustling citizens, were in town Friday and Saturday on railroad and other business. The Wade brothers are the leading merchants and stockmen of that thriving town.

J. B. Goff and Perry Ham, two well-known citizens of Lone Rock, were in town Friday and Saturday. While here Mr. Goff paid this office a friendly visit. He reported Mrs. Goff's condition as much improved.

HOMESTEADERS

ATTENTION!!

The GLOBE will publish your final proof notices for \$2.50. You now pay \$7.50. When ready to make proof ask the Land Office officials to send you notice to this paper that you may save this money. Five dollars saved, in this way, is better than \$5.00 earned raising 40 cent wheat; it's so much easier you know. Call at this office and we will tell you all about it.

Ira Carter, the well-known sage of Mayville, who raises wheat for profit and dabbles in Simon-pure democracy from principle, was in town Monday. Mr. Carter was accompanied by his cousin, John Cannon, of Malheur county, who is visiting him. Mr. Cannon is one of the old time sheepmen of Malheur county.

L. O. Ralston, formerly a leading merchant of Olex, now a resident of Portland, was in town Saturday attending the railroad meeting. Mr. Ralston is heartily in favor of a road into the interior of Gilliam and says he is willing to take considerable stock in such an enterprise under proper conditions. He is much impressed with the rapid development of his favorite Eastern Oregon county.

New Schoolhouse.

At a school election held on Tuesday a 10 mill tax was voted on this district. It is the intention of the directors to build a new schoolhouse next summer. The proposed building will be 30x80, two stories high and, with the old building, which will be utilized as a wing, will give six large rooms for school purposes. Every citizen should support the directors in this good work.

New Business Room.

At a meeting of the Armory hall Company held Tuesday evening it was decided to erect a new business room on the north side of the hall. The room will be 20x40. It became necessary to build against the hall to protect the main building, and we understand that the building can be rented as soon as completed.

Stops the Cough and works off the Cold.

Laxative Bromo-Quinine Tablets cure a cold in one day. No cure, no pay. Price 25 cents.

Recent Deaths.

Henshaw.

Died—Thursday evening, January 24, 1901, at the family residence in this city, Mrs. Isabella Henshaw, the beloved wife of Albert Henshaw, aged about 52 years.

The deceased was a native of the state of Texas. She came to Oregon with her parents in 1864 and the following year was married to Albert Henshaw at Lone Rock, then one of the outposts of civilization in the great Inland Empire, and since that time the family have been continuous residents of what is now Gilliam county. They moved to Condon in 1891.

Mrs. Henshaw was highly respected and much loved by all who knew her for her sterling qualities as wife, mother and neighbor. She was always prominently identified with all movements which tended to the betterment of the community in which she lived. She was the mother of a large family of children, all but one of whom have preceded her across the Great Divide into that Silent Land from whence no traveler returns. In her home she was a devoted wife and mother, in the church an earnest worker, in her lodge an esteemed and respected member and in her neighborhood she was always known as one who carried comfort to the sorrowing and whose good offices were always at the service of her neighbors who were visited by sickness, distress or death. She was a highly respected member of the Congregational church of this city, also of Condon Chapter, No. 23, Order Eastern Star.

She leaves a husband and one daughter, Mrs. C. W. Crossfield, to mourn her loss, to both of whom will go forth the earnest sympathy of a host of friends. The funeral occurred Friday afternoon, the services being held in the Congregational church by the pastor, Rev. Edward Curran, and by the Order Eastern Star. Interment in Mount Moriah cemetery.

Iremonger.

John Iremonger, a well-known resident of Papersack, died at the home of his son-in-law, George Parrish, on Trail Fork, Monday morning, January 28, of cancer of the stomach, aged 63 years.

The deceased was a native of England. He emigrated to this country about 22 years ago and during that time has been a resident of this county. He was a brother-in-law of "Squire" Wilkinson White. His wife died about three years ago. The funeral occurred Tuesday at the private burying ground at the White ranch on Papersack.

Wedding Bells.

On Sunday, January 27, 1901, Mr. Charles A. Anderson and Miss Bessie Douglas were united in marriage at the residence of Mr. and Mrs. J. W. Phillips near Olex, Rev. Spright of Grass Valley officiating. Only a few of the immediate friends of the contracting parties were present. The handsome bride was elegantly dressed and looked very charming. Those present on the happy occasion were as follows:

Mr. and Mrs. J. A. Ward, Mr. and Mrs. Guy Boyd, Mr. and Mrs. W. H. Snell, Mr. and Mrs. J. L. Paul, Messrs. Harley, Robertson, Tennis and Douglas. The bride and groom are both well and favorably known here, and they start off on their voyage over the matrimonial sea with the best wishes of this entire community. The happy couple received some very handsome presents.

Married.

At the residence of the bride's parents in Ferry Canyon, at high noon on Sunday, January 27, 1901, Miss Susie Iola Stevenson, daughter of Mr. and Mrs. J. G. Stevenson, was united in marriage to Mr. J. R. Wells, Judge George L. Neale officiating. About 25 guests were present to witness the ceremony. An elegant wedding dinner was served immediately after the solemnization of the marriage. The young couple were the recipients of many useful and beautiful presents, as well as the warmest congratulations of many friends. The GLOBE joins in the usual courtesies of the occasion.

Incorrect Greek.

Erron GLOBE:—Mr. David's Greek must have been neglected in his youth, to misquote Solon, in his last letter to the Times. He probably meant "Solon," who was a great Greek law giver in his day and generation. There is also a breed of Solon geese. The metaphor is often applied to lawyers as "wise Solons."

Jos. Whyte.

Basket Social and Dance.

R. W. Crane, Andy Greiner and a few more of the "boys" from Mayville precinct were in town Saturday attending the railroad meeting. They looked a little sleepy but gave a valid excuse for their condition by explaining that a basket social and dance was given at the Greiner school house on the flat the preceding evening and that they had to stay up all night to see that the younger people did not stay up too late. The occasion was a grand success and netted the snug sum of sixty odd dollars, which will be applied to seating the Catholic church on the flat, near the Quinn and Gibbons ranches. The only deplorable feature of the evening was the fact that the boys got on a cold trail when they bid on that \$7.00 basket. The other fellow gave them the wrong scent and then bought the basket he most wanted for a song, all of which proves the old and oft repeated assertion that "Love finds a way."

Card of Thanks.

We desire to thank our friends and neighbors for their many acts of kindness and words of comfort during our recent great bereavement.

ALBERT HENSHAW
MRS. C. W. CROSSFIELD.

Railroad Meeting.

Another citizens' railroad meeting was held in Armory hall last Saturday, at which time the committee of incorporation submitted their report.

The committee found that the consensus of opinion is in favor of a standard gauge railroad. It appears that the cost of road, exclusive of grading, would be from \$3,250 to \$4,750 per mile, depending on the size of iron used. New locomotives will cost from \$10,000 to \$15,000, and freight cars from \$400 to \$500 each. The committee also secured estimates on the equipment of an electric line, which looks up \$127,000 exclusive of grading, development of water power, buildings, poles, etc.

The report was accepted and placed on file, and upon motion a committee of four was appointed to make a preliminary survey in order to determine the most feasible route from the Columbia river to Condon. W. J. Mariner, B. T. Snell, Fred Tobey and J. H. Downing were appointed on this committee. They are now at work and will report at a later meeting.

Taken to Hospital.

Fred Wilson, a well-known business man of this city, was taken violently ill Saturday night, and on Tuesday morning his case was pronounced appendicitis and it was decided to take him to a Portland hospital for an operation. His brother Frank and his sister, Miss Bell Wilson, accompanied him to the city. Fred has many friends here who will hope that the operation will be entirely successful.

A telephone message received last evening stated that the operation had been performed and that the patient was resting easy.

OLEX.

Farmers are starting their teams to work this fine weather.

Rev. Walker has gone to Lone Rock to assist in a revival meeting.

Our blacksmiths are all busy repairing gang plows for spring work.

Claud Randall has rented T. C. Malenoph's farm, on the hill east of town.

Our school district held a meeting last Saturday and voted a tax to build a new school house.

L. O. Ralston is spending a few days with us, and is quite enthusiastic on the new railroad scheme.

Miss Bessie Douglas and Mr. Charles Anderson were married last Sunday at the residence of John Phillips.

T. G. Woodland and his daughter, Miss Eida, went to Arlington Sunday to visit Miss Mattie Woodland, who was reported quite ill.

The meeting recently held at the Banker Hill school house is said to have been the most interesting of any meeting held in this section of the country for some time. Rev. Morehouse conducted the services.

School Notes.

GESSIE DARLING, School Editor.

Mrs. W. A. Darling visited our school Tuesday afternoon.

Anna White and Gessie Darling were absent one day this week.

Frankie Moore has returned to school, after an absence of a few weeks.

Edgar Dunlap, whose attendance has been excellent, is absent on account of sickness.

Pearl Moore of the 2nd grade, who has been absent for several weeks, is at school again.

The 4th grade A are reviewing in their arithmetic. They will try the examination to pass into the 5th grade.

The 8th grade A—Language—having finished their course, are now taking a rapid review, and the 8th grade B are working in Defective Verbs.

The Literary will not have any question for debate next meeting, but they have arranged a program and will have election of officers. All are cordially invited to attend.

St. Valentine's Ball.

The ladies of Wallula Circle, W. of W. will give a grand ball in Armory hall February 14, the proceeds to go for the benefit of the lodge. First-class music and good management will be provided. All are invited. 47 d 49

A Ferry Franchise.

J. B. Hosford, of Moro, has had a bill introduced in the Legislature granting him a Ferry Franchise on the John Day river at the mouth of Thirty mile. We find that the people of Mayville Flat and Ferry Canyon are opposed to this, and from the way they are kicking, the wise men at Salem had better turn the bill down. These people want a free ferry or none.

The Hudson Pharmacy guarantees every bottle of Chamberlain's Cough Remedy and will refund the money to anyone who is not satisfied after using two-thirds of the contents. This is the best remedy in the world for la grippe, coughs, colds, croup and whooping cough and is pleasant and safe to take. It prevents any tendency of a cold to result in pneumonia.

Just now the play "Rip Van Winkle" ought to do a week's engagement at the Salem opera house with some degree of success.—Eugene Register.

NOTICE.

All persons knowing themselves to be indebted to me will please call at once and settle by cash or note as I expect to close up my business without delay.

AL. HENSHAW.

Job Printing

Globe Office.

It is worth noting that Governor Hunt, of Idaho, joins in Governor Geer's recommendation for an overtone to Congress looking to popular votes for United States Senators. The reason behind this plan is, of course, conviction that hope of favorable action by the Senate itself is vain unless some formidable expression of opinion can be made from sources which Congress is bound to heed. Resolutions from many states, while they may not be sufficient to secure a National convention for the purpose, would certainly tend to increase the number of Senators favorable to the reform. Meanwhile, the biennial Senatorial struggles in Legislatures throughout the country are supplying the usual arguments from experience. There are deadlocks at four capitals, not counting the Oregon situation, and there is again grave danger that at least two of the states will be able to escape one or more vacancies in the fifty-seventh Congress. Here in Oregon the mischief of these impediments to legislation has been enhanced by the extended use of the organization of the Legislature in the interest of Senatorial candidates. We have already witnessed the spectacle of the appropriations of a session being apportioned among the supporters of a successful aspirant, and now we are called upon to contemplate the use of committee places and clerkship appointments to the same sort of end. This is abominable, and the worst of it is that we need expect nothing but the same procedure every session. It is doubtless in vain that the sufferers by the arrangement protest, for if they are triumphant next time they will proceed to

avenge themselves for this chastisement. So that the task of Legislative election of Senators gains steadily in noxious qualities. It has always taken up the time and interest of the session. Now it undertakes to dictate all the laws and control all appointments. Let the Legislature pass some bill or other providing for popular vote on Senators, and the Legislature will hardly brave public opinion hardly enough to disregard the mandate.—Oregonian.

TO CURE A COLD IN ONE DAY
Take Laxative Bromo-Quinine Tablets. All druggists refund the money if it fails to cure. H. W. Grove's signature is on each box. 25c
